Shenk,2001-02-12      **Jesus Our Priest** Gerald O'Collins,Michael Keenan Jones,2010-03-18 In recent years many books have been published in the area of Christology who is Jesus in himself and soteriology what did he do as Saviour A number of notable ecumenical documents on Christian ministry have also appeared But in all this literature there is surprisingly little reflection on the priesthood of Christ from which derives all ministry whether the priesthood of all the faithful or ministerial priesthood This present work aims to fill that gap by examining in the light of the Scriptures and the Christian tradition what it means to call Christ our priest Beginning with a study of the biblical material the book then moves to the witness to Christ's priesthood coming from the fathers of the Church Thomas Aquinas Luther and Calvin the Council of Trent the seventeenth century French School John Henry Newman Tom Torrance and the Second Vatican Council The two concluding chapters describe and define in twelve theses the key characteristics of Christ's priesthood and what sharing in that priesthood through baptism and ordination involves      *The Second Journey* Robert P. Vande Kappelle,2020-07-24 Spirituality is our connection to a greater whole It is a journey from God to God and with God and thus a journey toward Self Through this process we come to differentiate between our temporary self called ego and our permanent self the part of us made for ongoing relationship with God In the end we discover that we know God by being known much like one loves by being loved There are two halves or phases in spirituality sometimes flawed sometimes overlapping and other times distinct While many people experience first half of life spirituality most never get to second half of life thinking and living Designed as a study guide for group or individual use *The Second Journey* examines the development of Christian spirituality starting with its conception in the biblical and Greek philosophical tradition and continuing in orthodox and heterodox expressions Reading this book is like looking through one's favorite album of photographs each illustrating some aspect or dimension vital to spirituality The range of portraits examined is extensive including groups such as Platonists Stoics Gnostics Quakers Revivalists Neo Orthodox and Eastern Orthodox and individuals such as Philo Valentinus Origen Dionysius Augustine Julian of Norwich John of the Cross Jonathan Edwards John Wesley Schleiermacher Kierkegaard Barth Tillich and Richard Rohr Examining traditional and non traditional thinkers readers will discover that knowing God involves both light and darkness usually in that order Spirituality does not make us otherworldly it renders us more fully alive Matthew Fox      **The human dilemma of displacement** Alfred R. Brunsdon,2020-12-31 In this book social responsive theological research converges to provide practical theological and ecclesiological perspectives on the growing human dilemma of displacement The book presents the research of practical theologians a missiologist and a religious practitioner whose work pertains first and foremost to the South African context The different fields of expertise of the contributors within the broader field of practical theology worked towards a unique compilation of themes each relevant to the issue at stake The majority of chapters are theoretically orientated except where authors refer to empirical work conducted during previous research The main contribution of this collaborative work is to be sought in the practical theological and ecclesiological perspectives it provides

It engages the critical questions of what kind of church we need and what kind of care we should provide in the face of the growing predicament of human displacement. The theological and theoretical principles uncovered in the different chapters will be of use to theologians from all theological subdisciplines as well as to religious practitioners and leaders of faith communities that are challenged with the growing realities of strangers on their doorsteps and in their pews. Praise

Gerald Clerie, 2010-04 What is true praise? Author Gerald Clerie believes true praise is the result of genuine redemption through the shed blood of God's perfect Lamb, the Lord Jesus Christ. The foundation for this study is the 103rd Psalm. Clerie uses the first half of that model song of praise to show how David felt impelled to praise his God, what he meant by blessing the Lord, and why it was so important for him to engage his faculties, senses, and sentiments in extolling the Lord. At the very core of praise is the memorial building process, and for today's believer, that process must culminate in the sacrifice of the Lamb of God as portrayed and immortalized for the Church in the Lord's Supper. Continuing in the 103rd Psalm, Clerie reviews with David the benefits of redemption, touching on the value and immutability of God's marvelous promises, the mystery of divine election, and introducing the believer in Christ to his privileges and the purpose of God for him in choosing and calling him to Himself. *Leaving Home--Finding Home* Jessie C. Mejias, 2010-02-26 *Leaving Home Finding Home* My Journey from Shame to Sonship through Journaling is the first book of its kind, showing how God Himself brought inner healing by speaking into one woman's life. In it, author Jessie Mejias shares how God counsels and heals her through journaling. The central theme of *Leaving Home Finding Home* is healing through intimacy with God, an intimacy that develops as she writes out her conversations with Him. The author devotes several chapters to her background and childhood, but the heart of the book is Jessie's actual journal. About her decision to share her journal verbatim, she says, "When the Lord first instructed me to write this book, my natural instinct was to transform the ramblings of my mind and heart into a nice, neat package that the reader could easily follow. However, as I prayed about His instructions, I felt very strongly that He wanted me to demonstrate how I received my healing through journaling." Jessie Mejias grew up in what she would have described as an Ozzie and Harriet kind of home: loving parents, close siblings, good schools, and a religion that dictated solid values. What she did not know was that beneath the surface lay a shaky foundation of dysfunctional family rules and generational patterns. As a young adult, Jessie watched her neat world crumble when two of her siblings succumbed to mental illness while the family stood by helplessly. Subsequently, her family scattered, and she unwittingly married an abusive alcoholic man. Her disastrous marriage precipitated her decision to give her life to Christ. But despite her newfound faith at age 27, she found herself a single mother of two young sons. In the ensuing years, Jessie sought and found healing and growth through studying the Bible and receiving Christian counseling. Miraculously, she and her husband were remarried after seven years of separation and divorce. She became involved in teaching and leading Bible studies within her local church and was confident

that she was already experiencing the abundant life that God promised to His children. However, when she decided to return to school to earn a degree in Christian counseling, God began to show her that she was still suffering from the traumas of her childhood and that shame was an integral part of her life that He wanted to remove. This revelation launched her into an unprecedented time of accelerated healing that was to be the inspiration for this book, *Leaving Home Finding Home*. It chronicles that journey from shame to sonship through one on one dialogue with God. Shame is a universal problem that is sometimes hard to pinpoint. We describe ourselves as embarrassed, shy, fearful, or hesitant, but we never actually understand that the source of these emotions is shame. Shame is a terrible feeling that we are a mistake that somehow we were never supposed to exist. The author found that this feeling of shame was so deeply hidden in her heart that it was not until God began to unwrap her from her emotional chains that she could see that this was the true source of her poor self image. Jessie vividly describes her feelings of shame. It was as if all my life I had been living in a slum that I would leave from time to time to go to the nice clean neighborhood down the block at first for short times then for longer and longer periods of time but inevitably I would end up at some point back in this dump. The sight of it would make me sick but I did not know how to leave it completely behind. God Himself initiated this unique approach to inner healing as He took Jessie back to her childhood home and school and walked with her through each traumatic event of her young life reaching deep into her heart to show her what was hidden there.
