Prophets Of Peace Pacifism And Cultural Identity In Japans New Religions

Peter Bernard Clarke

Prophets Of Peace Pacifism And Cultural Identity In Japans New Religions:

Prophets of Peace Robert Kisala, 1999 In his analysis of these results he offers some observations on the role of religion in contemporary Japanese society and advocates a more positive engagement in the debate on Japan's role in international security arrangements By offering a representative sample of New Religion groups and focusing on their doctrines *Prophets of Peace* provides a different perspective for those whose primary interest is the Japanese New Religions Although students and scholars of Japanese religion will be the book's first audience its accessibility and thematic approach also recommend it to readers with a broader interest in contemporary Japanese society peace studies and the role of religious groups in modern society

Prophets of Peace Robert Kisala, 1999-10-01 Wars in the Persian Gulf and Yugoslavia have given new impetus to the ongoing debate in Japan concerning its postwar constitution and related issues of national security and world order Although often overlooked in this debate Japanese religious groups especially some of the New Religions have promoted peace as a major theme of their doctrine and activities often explicitly supporting a pacifist position This study undertaken in the wake of the Persian Gulf War looks at a representative group of New Religions and explores their concepts and practices of peace Many of the Japanese New Religions draw on a tradition that emphasizes individual moral cultivation and use of prewar terms to describe their mission One expression *hakko ichiu* literally the whole world under one roof conveys the ideal of world unity under Japanese direction leading to the establishment of peace In this way it is a prime example of the prewar idea of establishing peace through the spread of Japanese civilization The author cites evidence pointing to the prevalence of a mistaken notion of the implications of the pacifist position a situation that both reflects and contributes to the confusion surrounding popular debates on pacifism in Japan *Prophets of Peace* is an attempt to correct that misperception by providing a critical study of the social ethic of the Japanese New Religions a topic that has been largely ignored in research on new religious movements worldwide Professor Kisala draws on the literature that presents their doctrine and surveys their believers to describe their approach to the question of peace The results of this fieldwork are placed within the dual framework of Western peace studies and the modern Japanese intellectual tradition highlighting the issues of pacifism and the cultural approach to peace in Japan In his analysis of these results he offers some observations on the role of religion in contemporary Japanese society and advocates a more positive engagement in the debate on Japan's role in international security arrangements By offering a representative sample of New Religion groups and focusing on their doctrines *Prophets of Peace* provides a different perspective for those whose primary interest is the Japanese New Religions Although students and scholars of Japanese religion will be the book's first audience its accessibility and thematic approach also recommend it to readers with a broader interest in contemporary Japanese society peace studies and the role of religious groups in modern society

Controversial New Religions James R. Lewis, Jesper Aagaard Petersen, 2005 Featuring the new religious movements NRMs that have attracted the most scholarly attention over the past few years this text includes groups such as

the Branch Davidians Heaven's Gate and Falun Gong explaining their ethos and beliefs as well as examining more controversial accusations

New Religions in Global Perspective Peter Bernard Clarke, 2006 This volume provides a complete guide to the global impact and cultural significance of new religious movements

Prophet Motive Nancy K. Stalker, 2007-10-31 From the 1910s to the mid 1930s the flamboyant and gifted spiritualist Deguchi Onisabur 1871-1948 transformed his mother-in-law's small rural religious following into a massive movement eclectic in content and international in scope Through a potent blend of traditional folk beliefs and practices like divination exorcism and millenarianism an ambitious political agenda and skillful use of new forms of visual and mass media he attracted millions to Oomoto his Shintoist new religion Despite its condemnation as a heterodox sect by state authorities and the mainstream media Oomoto quickly became the fastest growing religion in Japan of the time In telling the story of Onisabur and Oomoto Nancy Stalker not only gives us the first full account in English of the rise of a heterodox movement in imperial Japan but also provides new perspectives on the importance of charismatic entrepreneurship in the success of new religions around the world She makes the case that these religions often respond to global developments and tensions imperialism urbanization consumerism the diffusion of mass media in similar ways They require entrepreneurial marketing and management skills alongside their spiritual authority if their groups are to survive encroachments by the state and achieve national international stature Their drive to realize and extend their religious view of the world ideally stems from a prophet rather than profit motive but their activity nevertheless relies on success in the modern capitalist commercial world Unlike many studies of Japanese religion during this period *Prophet Motive* works to dispel the notion that prewar Shinto was monolithically supportive of state initiatives and ideology

Handbook of East Asian New Religious Movements Lukas Pokorny, Franz Winter, 2018-04-24 This Handbook has won the ICAS Edited Volume Accolade 2019 Brill warmly congratulates editors Lukas Pokorny and Franz Winter and their authors with this award A vibrant cauldron of new religious developments East Asia China Taiwan Korea Japan and Vietnam presents a fascinating arena of related research for scholars across disciplines Edited by Lukas Pokorny and Franz Winter the Handbook of East Asian New Religious Movements provides the first comprehensive and reliable guide to explore the vast East Asian new religious panorama Penned by leading scholars in the field the assembled contributions render the Handbook an invaluable resource for those interested in the crucial new religious actors and trajectories of the region

Civil Society, Religion, and the Nation, 2022-05-20 Japan Russia and Turkey are major examples of countries with different ethnic religious and cultural background that embarked on the path of modernization without having been colonized by a Western country In all three cases national consciousness has played a significant role in this context The project of Modernity is obviously of European origin but is it essentially European Does modernization imply loss of a country's cultural or national identity If so what is the fate of the modernization process in these cases The presence of the idea and reality of civil society can be considered a real marker of Modernity in this respect because it presupposes the development of

liberalism individualism and human rights But are these compatible with nationalism and with the idea of a national religion These questions are the more pressing as Japan is considered part of the Western world in many respects and Russia and Turkey are defining their relation to the European Union in different ways An investigation of these three countries set off against more general reflections sheds light on the possibilities or limitations of modernization in a non European context

The Oxford Handbook of Peace History Charles F. Howlett, Christian Philip Peterson, Christian Peterson, Deborah D. Buffton, David L. Hostetter, 2023 The Oxford Handbook of Peace History uniquely explores the distinctive dynamics of peacemaking across time and place and analyzing how past and present societies have created diverse cultures of peace and applied strategies for peaceful change The analysis draws upon the expertise of many well respected and distinguished scholars from disciplines such as anthropology economics history international relations journalism peace studies sociology and theology This work is divided into six parts The first three sections address the chronological sweep of peace history from the Ancient Egyptians to the present while the last three cover biographical profiles of peace advocates key issues in peace history and the future of peace history A central theme throughout is that the quest for peace is far more than the absence of war or the pursuit of social justice ideals Students and scholars alike will appreciate that this work examines the field of peace history from an international perspective and expands analysis beyond traditional Eurocentric frameworks This volume also goes far beyond previously published handbooks and anthologies in answering what are the strengths and limits of peace history as a discipline and what can it offer for the future It also has the unique features of a state of the field introduction with a detailed treatment of peace history historiography and a chapter written by a noted archivist in the field that provides a comprehensive list of peace research resources It is a work ably suited applicable for classrooms and scholarly bookshelves

Encyclopedia of Global Religion Mark Juergensmeyer, Wade Clark Roof, 2012 Presents entries A to L of a two volume encyclopedia discussing religion around the globe including biographies concepts and theories places social issues movements texts and traditions

The World's Religions Peter B. Clarke, Peter Beyer, 2009-05-07 This comprehensive volume focuses on the world's religions and the changes they have undergone as they become more global and diverse in form It explores the religions of the world not only in the regions with which they have been historically associated but also looks at the new cultural and religious contexts in which they are developing It considers the role of migration in the spread of religions by examining the issues raised for modern societies by the increasing interaction of different religions The volume also addresses such central questions as the dynamics of religious innovation which is evidenced in the rise and impact of new religious and new spirituality movements in every continent

Religion and Sport in Japan Zachary T. Smith, Dennis J. Frost, Stephen G. Covell, 2024-09-30 The sports world's attention was focused on Japan for the Tokyo 2020 Summer Olympics and Paralympics The years long buildup to and aftermath of the games occurred in the midst of the global pandemic which delayed the event until 2021 Given all of this there is perhaps no better time to delve into

an often overlooked but critical facet of sport in Japan religion Religion has long been a part of the Japanese sport tradition from Shugend practitioners offering sumo bouts to the gods to soccer players of all ages praying for success at Shint shrines from the use of meditation and ritual in martial arts to gain focus or superhuman abilities to religious organizations sponsoring sporting events and teams and school sports clubs Religion and Sport in Japan brings together historians and sport and religious studies specialists from Japan the US and Europe to address sport s ties to corporate and national identity politics environmentalism ritual and sacred space Major themes discussed include the spiritual geographies of sport sport as invented tradition technologies of self material culture and civil religion The chapters are written so that sport historians with no background in the study of Japan or religious studies scholars who have never before examined the world of sport will find the material accessible To provide further grounding for non field specialists the volume begins with two background chapters that introduce sport studies in Japan and the study of religion and sport **Action Dharma**

Christopher S. Queen, Charles S. Prebish, Damien Keown, 2003 These essays chart the emergence of a new chapter in an ancient faith the rise of social service and political activism in Buddhist Asia and the West Engaged Buddhists have sought new ways to comfort society s oppressed communities *The Bloomsbury Handbook of Japanese Religions* Erica Baffelli, Andrea Castiglioni, Fabio Rambelli, 2021-03-25 Providing an overview of current cutting edge research in the field of Japanese religions this Handbook is the most up to date guide to contemporary scholarship in the field As well as charting innovative research taking place this book also points to new directions for future research covering both the modern and pre modern periods Edited by Erica Baffelli Andrea Castiglioni and Fabio Rambelli The Bloomsbury Handbook of Japanese Religions includes essays by international scholars from the USA Europe Japan and New Zealand Topics and themes include gender politics the arts economy media globalization and colonialism The Bloomsbury Handbook of Japanese Religions is an essential reference point for upper level students and scholars of Japanese religions as well as Japanese Studies more broadly

Religions in the Modern World Christopher Partridge, Linda Woodhead, Hiroko Kawanami, 2003-09-02 This comprehensive guide offers an unrivalled introduction to recent work in the study of religion from the religious traditions of Asia and the West to new forms of religion and spirituality such as New Age With an historical introduction to each religion and detailed analysis of its place in the modern world Religions in the Modern World is ideal for newcomers to the study of religion It incorporates case studies and anecdotes text extracts chapter menus and end of chapter summaries glossaries and annotated further reading sections Topics covered include religion colonialism and postcolonialism religious nationalism women and religion religion and globalization religion and authority the rise of new spiritualities *Dynamics in the History of Religions Between Asia and Europe* Volkhard Krech, Marion Steinicke, 2011-11-25 The conference volume of the Bochumer Kolleg Dynamics in the History of Religions between Asia and Europe outlines the thesis that religion is not a homogeneous cultural phenomenon but a dense network of diachronically and synchronically differing traditions *Religions in the Modern World*

Linda Woodhead,2002 This comprehensive guide offers an unrivalled introduction to recent work in the study of religion from the religious traditions of Asia and the West to new forms of religion and spirituality such as New Age With an historical introduction to each religion and detailed analysis of its place in the modern world Religions in the Modern World is ideal for newcomers to the study of religion It incorporates case studies and anecdotes text extracts chapter menus and end of chapter summaries glossaries and annotated further reading sections Topics covered include religion colonialism and postcolonialism religious nationalism women and religion religion and globalization religion and authority the rise of new spiritualities

Religion and Politics in Contemporary Japan Anne Mette Fisker-Nielsen,2012 Presenting a study of politics at grassroots level among young Japanese this book examines the alliance between the religious movement Soka Gakkai the Value creation Society and Komeito the Clean Government Party which shared power with the Liberal Democratic Party from 1999 to 2009 Drawing on primary research carried out among Komeito supporters the book focuses on the lives of supporters and voters in order to better understand the processes of democracy It goes on to discuss what the political behaviour of young Komeito supporters tell us about the role of religious organizations such as Soka Gakkai in Japanese politics Unlike most other books on politics in Japan which tend to concentrate on political elites this book provides extremely valuable insights into political culture at the grassroots level

Japanese Religions and Globalization Ugo Dessì,2013-03-05 This book analyzes the variety of ways through which Japanese religions Buddhism Shint and new religious movements contribute to the dynamics of accelerated globalization in recent decades It looks at how Japanese religions provide material to cultural global flows thus acting as carriers of globalization and how they respond to these flows by shaping new global identities The book highlights how paradoxically these processes of religious hybridization may be closely intertwined with the promotion of cultural chauvinism It shows how on the one hand religion in Japan is engaged in border negotiation with global subsystems such as politics secular education and science and how on the other hand it tries to find new legitimation by addressing pressing global problems such as war the environmental crisis and economic disparities left unsolved by the dominant subsystems A significant contribution to advancing an understanding of modern Japanese religious life this book is of interest to academics working in the fields of Japanese Studies Asian history and religion and the sociology of religion

Proselytization Revisited Rosalind I. J. Hackett,2014-12-05 The act of converting people to certain beliefs or values is highly controversial in today's postcolonial multicultural world Proselytization has been viewed by some as an aggressive act of political domination Proselytization Revisited offers a comprehensive overview of the many arguments for and against proselytization in different regions and contexts Proselytization is examined in the context of rights talk globalisation and culture wars The volume brings together essays demonstrating the global significance of proselytization ranging from Christians in India to Turkish Islamic Movements and the Wiccan use of modern media technologies The cross cultural and multidisciplinary nature of this collection of essays provides a fresh perspective and the book will be of value to

readers interested in the dynamic interaction of beliefs ideas and cultures **Religion in Japanese Daily Life** David C. Lewis, 2017-09-22 Are Japanese people religious and if so in what ways David Lewis addresses this question from the perspective of ordinary Japanese people in the context of their life cycles and explores why they engage in religious activities He not only discusses how Japanese people engage in different religious practices as they encounter new events in their lives but also analyses the attitudes and motivations behind their behaviour Activities such as fortune telling religious rites in the workplace ancestral rites and visits to shrines and temples are actually engaged in by many people who view themselves as non religious but express their motivations in terms other than the conventional religious ones This book outlines the religious options available and assesses why people choose particular religious activities at various times in their lives or in specific circumstances The author challenges some widespread assumptions about religion in urban and industrial contexts and also shows how some of the underlying motivations behind Japanese behaviour are expressed both in religious and non religious forms

Prophets Of Peace Pacifism And Cultural Identity In Japans New Religions Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Prophets Of Peace Pacifism And Cultural Identity In Japans New Religions free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Prophets Of Peace Pacifism And Cultural Identity In Japans New Religions free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Prophets Of Peace Pacifism And Cultural Identity In Japans New Religions free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Prophets Of Peace Pacifism And Cultural Identity In Japans New

Religions. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Prophets Of Peace Pacifism And Cultural Identity In Japans New Religions any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Prophets Of Peace Pacifism And Cultural Identity In Japans New Religions Books

What is a Prophets Of Peace Pacifism And Cultural Identity In Japans New Religions PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Prophets Of Peace Pacifism And Cultural Identity In Japans New Religions PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Prophets Of Peace Pacifism And Cultural Identity In Japans New Religions PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Prophets Of Peace Pacifism And Cultural Identity In Japans New Religions PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Prophets Of Peace Pacifism And Cultural Identity In Japans New Religions PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors

like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
