Prophets Poets

Kathryn F. Kravitz, Diane M. Sharon

Prophets Poets:

Prophets, Poets and Priests Sterling Fishman, 1960 **Prophets, Poets, and Philosophers of the Ancient World** Henry Osborn Taylor, 1919 "The Place is Too Small for Us" R. P. Gordon, 1995 The title of this volume is of course taken from 2 Kgs 6 1 where the prophetic group about Elisha point out that their accommodation is too cramped It seemed an apt comment on the capacity of any proposed volume to house and adequate representation of the work that has recently been done on Israelite prophecy To this I now have to add the all too ironic confession that the so called pre classical prophets including Elisha and his colleagues could not be accommodated in the present volume Let no one complain about being misled by the subtitle when the title is so honest there are thirty six items of varying length and they divide almost equally between journal articles and excerpts from volumes some of these of composite authorship Naturally they represent one individual's selection from within his personal reading and this itself accounts for only a fraction of the vast scholarly output on the prophets whether since 1875 or since 1975 It will be apparent at several places in the volume that I take with great seriousness the study of Near Eastern non Israelite prophecy as background to the Israelite phenomenon so that the first short section The Near Eastern Background was unavoidable Editor's preface *Prophets, Poets and Philosophers of the Ancient World* Henry Osborn Taylor, 1964 Poetry and Prophecy Reuven Shoham, 2021-10-11 The book discusses the image of the prophet and the role of prophecy in Modern Hebrew Poetry The first part of the book presents the prophetic archetypal biographies of prophets heroes and artists in Hebrew and European mythologies It also examines the historical facts which lead to the departure of the prophet from Hebrew literature following the destruction of the second temple Finally it addresses the necessity of reappearance of the prophet in the 18th and 19th centuries in Hebrew thought and literature and provides a short history of that reappearance in Haskala literature The second part focuses upon three major prophets poets Haim N Bialik Avraham Shlonski and Uri Z Greenberg The book may be of interest to scholars of Literature Judaism Philosophy Science of Religion Anthropology Folklore and Rhetoric Bringing the Hidden to Light Kathryn F. Kravitz, Diane M. Sharon, 2007 Geller is Irma Cameron Milstein Professor of Bible at Jewish Theological Seminary Geller's attention to language and interest in applying the methods of literary analysis to the Hebrew Bible are reflected in his work throughout his career He has addressed such topics as The Dynamics of Parallel Verse in Deuteronomy 32 the Language of Imagery in Psalm 114 and the literary uses of Cleft Sentences with Pleonastic Pronoun Combining a historical orientation with deep exegeses of individual texts he has focused on the contribution that the literary approach might make to the study of biblical religion He has developed what he terms a literary theology in which by examining the literary devices in the passage under consideration he has been able to formulate emerging religious ideas that the ancient writers did not express in systematic treatises His method is illustrated in his studies of texts that represent the major religious traditions of the Hebrew Bible these studies have been collected in *Sacred Enigmas* published in 1997 The essays in this volume were

contributed by colleagues friends and students of Stephen A Geller to mark the occasion of his 65th birthday Contributors include Tzvi Abusch Marc Z Brettler Alan Cooper Frank Moore Cross Stephen Garfinkel Edward L Greenstein Robert A Harris S Tamar Kamionkowski Kathryn F Kravitz Anne Lapidus Lerner David Marcus Yochanan Muffs Benjamin Ravid Michael Rosenbaum Raymond P Scheindlin William M Schniedewind Diane M Sharon Benjamin D Sommer Prophets, Poets, Priests, and Kings; the Old Testament Story Frank Washington Jarvis,1974 Poets, Prophets, and Texts in Play Ehud Ben Zvi,Claudia V. Camp,David M. Gunn,Aaron W. Hughes,2015-06-18 In this volume a list of esteemed scholars engage with the literary readings of prophetic and poetic texts in the Hebrew Bible that revolve around sensitivity to the complexity of language the fragility of meaning and the interplay of texts These themes are discussed using a variety of hermeneutical strategies In Part 1 Poets and Poetry some essays address the nature of poetic language itself while others play with themes of love beauty and nature in specific poetic texts The essays in Part 2 Prophets and Prophecy consider prophets and prophecy from a number of interpretive directions moving from internal literary analysis to the reception of these texts and their imagery in a range of ancient and modern contexts Those in Part 3 on the other hand Texts in Play take more recent works from Shakespeare to Tove Jansson s Moomin books for children as their point of departure developing conversations between texts across the centuries that enrich the readings of both the ancient and modern pieces of literature **Poetry and Prophecy** James L. Kugel,1990 *A Dictionary of Quotations from the English Poets* ,1895 The World of Ancient Israel Society for Old Testament Study,1989 Encapsulating as it does research that has been undertaken on the sociological anthropological and political aspects of the history of ancient Israel this important book is designed to follow in the tradition of works in the series sponsored by The Society for Old Testament Study which began with the publication of *The People and the Book* in 1925 *The World of Ancient Israel* is especially concerned to explore in greater depth than comparable studies the areas and degrees of overlap between approaches to the subject of Old Testament research adopted by scholars and students of theology and the social sciences Increasing numbers of scholars have recognised the valuable insights that can be gained from a cross disciplinary approach and it is becoming clear that the early biblical traditions about the formation of the Israelite state must be examined in the light of comparative anthropology if useful historical conclusions are to be drawn from them **Pottery, Poetry, and Prophecy** David Noel Freedman,1980 A collection of articles and essays practically all of which were published during the 1970 s **Prophets & Poets** Grace I. Emmerson,1997 *Prophets Poets* is a commentary to be read alongside the prophetic books and a help for understanding these Scriptures for our own day The volume includes general articles on the Old Testament an introduction to each prophetic book notes on specific passages and a set off section with questions for readers to ponder Appropriate for individual or group study *Prophets Poets* is enhanced by questions that connect the ancient message to contemporary experience **The Spirit of the Hebrew Poetry** Isaac Taylor,1861 **The Spirit of the Hebrew Poetry** ,1862 **The Word of God in Transition** William M. Schniedewind,1995-09-01 The

Chronicler distinguishes between traditional prophets and inspired messengers and thereby highlights a radical transition in the meaning of the word of God which takes place in the post exilic period The Chronicler summarizes his perspective in 2 Chron 36 16 saying that Israel rejected his prophets the messengers of God and his word i e Torah This distinction is reflected in the forms and functions of prophetic speech in the books of Chronicles Thus the prophets speak to the king and the inspired messengers e g priests levites speak to the people The prophets interpret narrative events for the king they explain how God acts The inspired messengers exhort the people admonishing them how they should act The prophets speeches usually do not use any kind of inspiration formula but the inspired messengers speeches are prefaced with possession formulas These possession formulas are not typical of classical prophecy and mark the rise of a new kind of prophecy namely the inspired interpretation of texts These inspired messengers are thus forerunners of the inspired interpreters of scripture in Qumran early Christianity and Judaism

Prophet of Community Eugene Lunn, 2023-11-10
Gustav Landauer literary critic mystical philosopher and left wing activists was Germany s major anarchist thinker at the beginning of the twentieth century In this full scale intellectual biography Lunn depicts the evolution of Landauer s social thought a rich terrain within which to examine afresh some intellectual crosscurrents of the Wilhelminian era Landauer s work in the various circles and movements of his social milieu after 1900 including anarchist youth movement expressionist and Zionist groups reveal a convergence of volkisch and communitarian ideas with libertarian forms of socialist democracy The study of this kind of romantic socialism in revolt against both industrial modernity and authoritarian government highlights the inadequacy of viewing volkisch themes exclusively in terms of Nazi roots What emerges from this study is the appeal of antiauthoritarian and communitarian ideas for middle class Left intellectuals dissatisfied with the official Social Democratic Party In the light of the tragic failures of democratic and socialist forces to gain middle class support during the Weimar Republic and of the Nazis antidemocratic uses of Gemeinschaft this earlier search for a communitarian democracy gains in importance This title is part of UC Press s Voices Revived program which commemorates University of California Press s mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1973

Prophecy, Poetry and Hosea Gerald Morris, 1996-05-01 The books of the Latter Prophets have traditionally been treated as persuasive speeches and interpreted according to their rhetoric At the same time interpreters recognize the poetic form of much prophecy This study takes up the notion of the prophet as poet focusing on word play in Hosea and on the lyrical plot of that book the case is made for treating Hosea as a stark full length poem of inexhaustible power

The Spasmodic Poets Lori A. Paige, 2022-10-28 Few stories capture the unique interplay of critical theory mass media and public taste better than the story of the Spasmodics These earnest youthful and largely self educated neo Romantics hoped to become prophets who would influence literary society on a grand scale From about 1850 to 1860 the

Spasmodics successfully cast a long shadow over virtually every serious discussion of Victorian poetry. Many mid nineteenth century writers including Tennyson, both Brownings and Matthew Arnold were either adherents or outspoken detractors of the Spasmodic School. This work documents in appropriate social contexts the trajectory of the Spasmodic School in both its original incarnation and subsequent appraisals. Examining the various personalities and aesthetic principles that fashioned the movement, the author does not champion any particular critical stance or verdict. The scholarly apparatus cites a number of competing Victorianist interpretations, approaches and judgments with varying degrees of expertise.

Historical Dictionary of Prophets in Islam and Judaism Scott B. Noegel, Brannon M. Wheeler, 2002-09-26 Both traditions recognize and draw theological and historical lessons from some of the same narrative sources but this is the first comparative resource to provide interdisciplinary coverage of the history and textual sources associated with prophets and prophecy. This thorough treatment of a difficult and increasingly controversial subject area will encourage and cultivate knowledge and understanding. Entries are drawn from five main fields: 1. Ancient Near Eastern Studies 2. Bible and Biblical Studies 3. Judaism and Jewish Studies 4. The Quran and Quranic Studies 5. Islam and Islamic Studies. Noegel and Wheeler treat each entry as a compilation of relevant data culled from these different traditions in order to take the reader beyond the expected parameters of research. Originally envisioned as an initial resource for students of comparative religion, the extensive chronology, bibliography, list of acronyms and the overall accessibility of the passages make the Dictionary suitable for a much wider audience.

Immerse yourself in heartwarming tales of love and emotion with Explore Love with is touching creation, Tender Moments: **Prophets Poets** .
