Disciples in the Making Tricia L. Park Ph.D. R.N., 2025-05-20 An impactful study in Christian discipleship that highlights relevant psychological factors that can help or hinder believers walk with God and with others **Disciples in the Making** is useful for anyone who wants to grow closer to God and be more effective in discipleship Each chapter includes Bible based commentary on the spiritual and psychological qualities of outstanding disciples of Christ prayer points declarations key points and study questions **Disciples in the Making** illuminates the road to becoming an active and vibrant disciple of Christ and points out pitfalls along the way *Thinking Like Jesus* Dr. Ray Guarendi, 2018-07-30 How do I handle difficult family members What do I do if I can't control my emotions When do I correct others and when do I hold my tongue Too often we are late in realizing that we mishandled a situation causing both resentment and frustration But what if you could approach every situation with the mind of Christ Distilled from his decades of experience as a clinical psychologist and a practicing Catholic Dr Ray Guarendi popular radio and TV host offers here dozens of bite sized reflections that combine sound spiritual advice with the best of modern psychology Dr Ray will help you address countless daily problems and create a plan of action for your most common troubles With his trademark frankness and humor Dr Ray tackles all the topics that too often bring confusion and heartache including What to do when you're easily offended Common excuses parents make for bad behavior in their children and themselves The difference between speaking your mind and losing your emotions The fine line

between being a confident evangelist and being a jerk What you should do when emotions overwhelm you How to hold your children to high standards without causing resentment The difference between making an excuse and justifying an action How to tell people you're angry without being nasty about it What true humility is and isn't Thinking Like Jesus is more than a self-help book It will place you firmly into the mindset of a disciple of Christ so you can focus your attention on God and ultimately what it will take to spend eternity with Him in heaven **Being Mindful, Being Christian** Joanna

Collicutt, Roger Bretherton, Jennifer Brickman, 2016-11-18 Given the rapid spread of mindfulness programmes for issues as wide ranging as depression pain employee engagement and character development this book is aimed at the numerous Christians who are wondering what to make of all this Ultimately it will allow questioning Christians to get to grips with mindfulness in a way that is both discerning and sympathetic By offering background information about being mindful the book will allow readers to disconnect mindfulness from the background of Buddhism in which it is frequently framed This then allows them to decide the extent to which they wish to learn and practice mindfulness without feeling the need to embrace Eastern philosophy in its entirety In addition by profiling the rich Christian tradition of mindful like practice it offers a distinctively Jesus centred approach to non judgemental awareness and then applies this beneficially to many different areas of faith On putting the book down the reader will be encouraged not to be fearful of the widespread teaching of mindfulness emboldened to discern the point at which they politely part company with Eastern meditative practices and equipped to use all that is good in the practice of mindfulness to develop their relationship with Jesus and with others

ESOTERIC ASTROLOGY - VOL. 8 Dr. Douglas M. Baker, 2016-07-29 Introduction to ESOTERIC ASTROLOGY VOL 8 THE SOUL'S PURPOSE CASES 17-33 By Dr Douglas M Baker This very important work is based on an analysis of the horoscope placing emphasis on the Rising Sign as it expresses the Soul's Purpose and its nuances Thus the universal approach is yet maintained but brought to bear on the specific or existential features of the individual's horoscope Via 17 detailed analyses in this volume the earnest student or professional astrologer is given in depth information regarding Karma previous lives chakras myth objects for meditation the Ray of the Soul and of course the Soul's purpose for the personality Vol 7 treats cases 1-16 The introductory section explains Symbols and Methods used Planetary Rulers Chart Interpretation Permutations in Basic Symbols Compound Complexes The Rising Sign House Cusps Sun Earth Opposition Astrological Parsing Literal Parsing Aspects Use of Angular Aspects Planet Sign House Influences Intercepted Signs Retrograde Planets Karmic Indications in the Horoscope Whilst esoteric astrology is primarily concerned with the hegemony of the soul as it progressively asserts itself in the life of the individual it is also capable of providing the personality with direction and useful advice When we are dealing with Man on the Path a far far more accurate an interpretation of his situation its potentials and limitations for expression is given here by using the esoteric rulers of the Signs of the Zodiac as demonstrated in esoteric astrology The development of the computer has made the horoscope available to the millions and it is but a matter of time

before the same computers begin to sieve out the real from the unreal In the end however the real is only discovered within and the fullest exposition of esoteric astrology gives the keys to such discoveries within and their correlation to wide and more universal principles To ignore the individual horoscope is to leave astrology esoteric or exoteric with feet of clay What this writing represents is a wiser and more psychosynthetic interpretation of the horoscope Thus providing the interpreter views the horoscope from a point of higher synthesis the most accurate interpretation of a personality matter may be gauged from particular astrological aspects Bailey herself or the Tibetan Master through her gave the key to the psychosynthetic approach by allocating esoteric rulerships to the Signs for Man on the Path and a further set of rulers called hierarchical which apply to those disciples who are initiate and engaged in the work of the Hierarchy of this planet as It implements the Divine Plan for the Earth

Missional Discipleship After Christendom Andrew R. Hardy,Dan Yarnell,2018-03-14 It is not a changing culture reduced resources or a rescinding Christian memory that creates the greatest challenges for the church in the West It is the lack of a clear commitment to the intentional authentic and contextual expressions of missional disciple making which will shape current and future generations of followers of Jesus to express the values of the Kingdom today This book offers stimulating historical biblical and theological reflections on discipleship and considers some of the possibilities and opportunities afforded to us by our post Christian context Missional discipleship allows the missio Dei to shape us in our engagement our practices and sustain us in the lifelong journey of becoming and developing disciples that follow Jesus today

Centering Discipleship E. K. Strawser,2023-04-26 The church often lacks maturity and missional impact because discipleship is at its periphery To get discipleship to the center leaders need a locally rooted culturally contextual discipleship pathway This gutsy practice based guidebook is for leaders doing the hard work turning spectators into missional mature followers of Jesus

Theosophical Quarterly ,1916 Seeking the Lost, Keeping Them, Making Them Disciples Dr. Benoit Petit-Homme,2018-08-27 Seeking the Lost Keeping Them Making Them Disciples By Dr Benoit Petit Homme God bless Dr

Benoit Petit Homme for all the work he has done in putting this book together I believe that any church or leader who will follow these biblically grounded principles will see beautiful results in changed lives for the kingdom

Teresa L Reeve PhD
Associate Dean Seventh day Adventist Theological Seminary Associate Professor of New Testament Contexts Andrews University United States of America

Dr Benoit Petit Homme's contribution to the discipleship crisis is a compelling re-examination of scripture church history and 21st century pastoral experience Practical and convincing his straightforward style brings real solutions to the evangelistic Achilles heels of attrition He reminds us of what has been forgotten and calls us back to our relational roots

Pr Ron Kelly Senior Pastor Village Seventh day Adventist Church Berrien Springs Michigan United States of America

Seeking the Lost Keeping Them Making Them Disciples by Dr Benoit Petit Homme is a handy Christ based discipleship resource that will contribute to the mission of training and equipping church ministry leaders in the evangelistic work of reaping retaining and nurturing new believing Christians This is a must read for church officers pastors and ministry directors in the Christian church

Ron C Smith PhD D Min President Southern Union Conference of SDA Every year many thousands of people hear the Good News of Jesus Christ and choose to be baptized and join a church community Unfortunately it is also true that every year many new converts leave a church relatively shortly after joining The specific reasons that each person leaves the church could fill a book by themselves but they all boil down to one thing a lack of focus on the part of the church community on turning converts into disciples of our Savior A disciple of Christ does more than attend church services A disciple is an active member of the church community A disciple is a witness to others A disciple seeks to grow the church by seeking to lead everyone they meet to Christ

Dr Benoit Petit Homme is a committed disciple of Christ and after extensive study of exactly why new converts leave the church he has developed a process by which any church can make disciples All it takes is a little extra work a bit of encouragement and an unwavering faith in the Lord

Rules for Spiritual Initiation Zachary Lansdowne, 1990-05-01 Zachary Lansdowne author of earlier books on the Ageless Wisdom reveals the esoteric significance of fourteen symbolic rules that were originally published by Alice A Bailey He shows that the symbols in each rule have both an outer and inner meaning The outer meaning describes an objective in character building and the inner meaning describes a stage in the process of meditation The initial sequence of seven rules provides elementary instructions for the path of probation leading to the first spiritual initiation and the next sequence provides advanced instructions for the path of discipleship leading to the second and third initiations Lansdowne also discusses the close relationship between these rules and the typology of the seven rays The end result is an easy to understand guidebook to the various stages of the spiritual path

Osho Rajaneesh and His Disciples Harry Aveling, 1999 Osho Never Born Never Died Only visited this Planet Earth between December 11 1931 January 19 1990 As this final inscription suggests Osho Rajneesh was a paradox an individual with no claims to being an individual a Master with thousands of disciples who refused to be a Master He has variously been seen as the god that failed the most dangerous man since Jesus Christ and the Buddha

for the future This book brings together some of the best short writings in English on Osho and neo Sannyasa Some of the pieces are celebratory some inquisitive but uncommitted some scholarly and some frankly sceptical The book is divided into four parts dealing with Osho himself his Community Meditation and Therapy and the Decline and Renewal of his movement with a postscript on the present commune Together the papers provide a full picture of a complex man and a vibrant if turbulent religious movement 'Angels Called To War' Andrew Coates,2022-10-01 An epic tale set in the time of today The story draws upon lives of yesteryear and the adventures traverse dimensions Reluctant heroes must suspend their personal desires and channel their efforts in a timeless battle with the hidden dark foe Average men and women must rise to the challenge of the fight and don armour and weaponry of might and mind they battle enemies hidden and seen Finally they must overcome personal limitations to alter the fate of our world 'Disciples Together' Walton Roger,2015-04-21 Discipleship is one of the key words used in the churches today and there are many initiatives in the mainstream churches to enable people to grow as disciples of Christ '**The Disciples' Call**' Christopher Jamison, OSB,2013-12-05 There is currently no shared language of vocation among Catholics in the developed post modern world of Europe and North America The decline in practice of the faith and a weakened understanding of Church teaching has led to reduced numbers of people entering into marriage religious life and priesthood Uniquely this book traces the development of vocation from scriptural patristic roots through Thomism and the Reformation to engage with the modern vocational crisis How are these two approaches compatible The universal call to holiness is expressed in Lumen Gentium has been read by some as meaning that any vocational choice has the same value as any other such choice is some sense of a higher calling part of the Catholic theology of vocation or not Some claim that the single life is a vocation on a par with marriage and religious life what kind of a theology of vocation leads to that conclusion And is the secular use of the word vocation to describe certain profession helpful or misleading in the context of Catholic theology '**Disciples of Liberty**' Lawrence S. Little,2000 Further it examines the attitudes of ordinary elders and laypersons showing that they closely followed current events and demonstrating that AME leadership also was exercised from the bottom up A century ago the AME Church recognized that prejudice at home was also a reflection of imperialism abroad By focusing on the theme of liberty Little s study offers new insights into that era and shows how African Americans developed a stand on universal human rights and self determination

BOOK JACKET '**Reid and his French Disciples**' James W. Manns,1994-01-01 The book opens with the most detailed account yet of Thomas Reid s expressionist aesthetic theory integrating it thoroughly into his metaphysical epistemological and metaphilosophical viewpoints each of which is examined closely in its turn The book then traces out the influence which Reid an eighteenth century Scottish thinker exercised on nineteenth century French philosophy an influence which proves considerable Victor Cousin the most significant philosophical figure in post Napoleonic France was profoundly impressed by Reid s thinking The author demonstrates the depth and extent of his dependence in epistemological metaphysical and

aesthetic matters He then pursues Cousin s hence Reid s legacy through three succeeding generations of French academics and intellectuals focusing throughout on the development of the expressionist aesthetic Principal among these heritors are Th odore Jouffroy Charles L v que and Sully Prudhomme **Becoming a Disciple-Making Church** Neil T.

Anderson,2016-01-26 Proven Methods for Turning Believers into Disciples What does it mean to grow a convert into a disciple And how do we help our people get there Neil Anderson s Freedom in Christ ministry has been walking individuals through these steps for over a quarter century Now he turns his attention to pastors and church leaders teaching them how to help their people resolve personal and spiritual conflicts including everything from difficult marriages to unrepentant sin to church disputes Before someone can mature spiritually they must be established alive and free in Christ through genuine repentance and faith in God This means churches must resolve their people s conflicts as the first step to discipleship rather than referring them to professional counselors We as believers have the answers for mental and emotional problems and through this ministry of reconciliation true discipleship happens
