Rediscovery Of The Old Testament:

Toward Rediscovering the Old Testament Walter C. Kaiser, Jr.,1991 Understanding the Old Testament is the crucial problem for the Christian The three parts of this book the Old Testament and scholarship the Old Testament and theology and The Old Testament and life present issues rarely discussed by Christians as well as models and solutions for age old dilemmas

The Rediscovery of the Old Testament H H Rowley,2012-02-23 A reprint of a classic exposition of the understanding of the Old Testament Rowley brings the Old Testament back to the forefront of Scholarship and finds rich meaning in much of what has previously been buried Increasingly men are turning their thoughts to the deeper message of the Old Testament and finding richer meaning in the light of all work that has been done The Old Testament need not to be buried beneath the weight of scholarship but may rather stand on the foundation of scholarship sustained by it and firmly upheld before men from the Preface

The Re-discovery of the Old Testament Harold Henry Rowley,1969 **The Rediscovery of the Bible** William Neil,1954 **Rediscovery of the Old Testament** H. H. Rowley,1987-11 The importance of the Old Testament restated by a leading scholar [Re-Discovery of the Old Testament \(Classic Reprint\)](#) Harold Henry Rowley,2018-01-25 Excerpt from Re Discovery of the Old Testament For Biblical quotations I have kept largely to familiar words though I have frequently modified the translation to some extent for reasons which are not stated since they would distract the general reader In no case has a change been introduced for a priori or dogmatic reasons but only where philological or textual support could be provided to justify the change It is a deep grief to me that while this book has been in the press Principal H Wheeler Robinson has passed from our midst I have left the Dedication unchanged I have to thank Professor A R Johnson for his help in reading the proofs and for his stimulating friendship which has yielded many suggestions embodied in this book I have also to thank Professor T W Manson for reading my work in proof and for many other kindnesses About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works *Getting Involved with God* Ellen F. Davis,2001-01-25 This is a book about getting and staying involved with God what it takes what it costs what it looks and feels like why anyone would want to do it anyway It is at the same time a book about reading the Old Testament as a source of Good News and guidance for our life with God The key piece of Good News that the Old Testament communicates over and over again is that God is involved with us deeply and irrevocably so from the Introduction With sound scholarship and her own vivid translations from the Hebrew Old Testament professor Ellen Davis teaches us a spiritually engaged method of reading scripture Beginning with the psalms whose frank

prayers can be a model for our own Davis reflects on the stories of the patriarchs and the pastoral wisdom of the book of Job Proverbs Ecclesiastes and the Song of Songs in helping us cultivate those habits of the heart that lead to a rich relationship with God *Reading the Old Testament with the Ancient Church (Evangelical Ressourcement)* Ronald E. Heine, 2007-09-01 The contemporary church dismisses Christianity's foundational Scriptures at its own peril However the teachings of the Old Testament are less and less at the center of congregational preaching and conversation The early church fathers visionaries such as Augustine Origen and Tertullian embraced the Hebrew Scriptures allowing the Old Testament to play a central role in the formation of their beliefs As today's Christians struggle to relate to concepts such as the Jewish law and the prophets pastors and laypersons benefit from looking through the lenses of these thoughtful pioneers This latest volume in the Evangelical Ressourcement series helps the Old Covenant to come alive **The Rediscovery of America** Edward J. Erler, Ken Masugi, 2019-02-08 Harry V Jaffa 1918-2015 one of the profoundest political thinkers of his time is known most prominently for his pathbreaking work on Abraham Lincoln Jaffa who taught for 50 years at the Claremont Colleges and was a Distinguished Fellow of the Claremont Institute sought to produce a revolution in political philosophy by applying Strauss's controversial thinking about natural right Scripture and human greatness to American politics In these 10 essays beginning in the 1980s Jaffa rediscovered the moral and intellectual complexity of statesmanship in particular that of Lincoln and the American founders The essays reveal the profundity of the Declaration of Independence in observations both theoretical e.g. Aristotle and Aquinas and practical e.g. campus radicalism Jaffa takes aim at the interpretations of America made by some of Leo Strauss's students chastising their imputation of radically liberal theorizing to the Declaration and their ignorance of the meaning of all men are created equal The Declaration's radicalism lies rather in its synthesis of ancient political philosophy and Scriptural authority on the good human life Jaffa is particularly critical of Allan Bloom and in previously unpublished essays Irving Kristol and Harvey Mansfield for their errors about America Jaffa's essays recover political philosophy in its political and philosophic dimensions so that it can be a continuing guide for our politics today *The Old Testament* Peter C. Craigie, 2019-04-15 This volume is an authoritative easy to read introduction to the literature history and theology of the Old Testament Sympathetic to all viewpoints The Old Testament places at one's fingertips a single source of comprehensive information along with maps charts and illustrations carefully designed to deepen the beginning student's understanding and insight **Old Testament Survey** William Sanford LaSor, David Allan Hubbard, Frederic William Bush, 1996-09-03 McKenna and William B Nelson Jr **The God of the Old Testament** R. W. L. Moberly, 2020-11-17 Walter Moberly is a top Old Testament theologian known for his creative accessible and provocative writing His Old Testament Theology has been well received This book written in a similar vein combines biblical criticism with constructive theology and engages both Jewish and Christian interpretations Moberly offers robust readings of eight pivotal Old Testament passages that unpack the nature of God in Christian Scripture demonstrating a Christian approach to reading the Old Testament that holds together the

priorities of both scholarship and faith **“The” Re-discovery of the Old Testament** Harold Henry Rowley,1969
