Fire Col. James W. Booth, 2011-09-28 This book is the factual story of the development of armed helicopters in the US Army and their first employment in combat The story is dramatically told by the courageous men who lived it flying daily into enemy infested areas facing murderous fire from automatic and anti aircraft weapons In late 1961 the US Government deployed five Transportation Helicopter Companies H 21 lift ships to South Vietnam to increase the mobility of South Vietnamese ground forces The Viet Cong quickly recognized that the H 21s were unarmed and began shooting at them endangering the lives of American crewmen A helicopter company equipped with 25 UH 1 helicopters had been cobbled together on Okinawa by the Commander US Army Pacific Believing the company was soon to be deployed to Vietnam the men assigned to the unit armed its helicopters by scrounging weapons systems left over from WW II and Korea stored in Army Air Force depots in Okinawa Machine guns and 2 75 inch rockets were jury rigged onto the UH 1s Officially designated the Utility Tactical Helicopter Company but widely known as the UTT the company deployed to Saigon in September 1962 After some jurisdictional squabbles with the Air Force over roles and missions UTT began combat operations in October It quickly became widely known for professionalism and the courage of its crew members Such was its fame that for years South Vietnamese military personnel called all armed helicopters UTT Unfortunately over its years in RVN the Company endured frequent designation changes UTT 68th 197th 334th Armed Helicopter Company Why remains a mystery even today The Companys legacy is strong and endures today Armed helicopters are a major component of US Army combat forces The current Army Apache program over 600 is a direct descendent Additionally the Marines and Navy have strong armed helicopter programs as does every major military power in the world Ironically it all began with a small group of courageous men mounting scavenged weapons mostly outmoded on helicopters originally designed for medical evacuation This is their story **The Tabernacle of David** Stendal, Russell M., 2022-08-01 What exactly does the tabernacle of David represent In the new covenant there is only one mediator between God and man this is the Lord Jesus Christ the living Word of God and he is presently seated upon a heavenly throne high above all things Psalm 138 2 The ark of the covenant is a representation of Jesus Christ and of how our reconciliation with God the Father is made possible The tabernacle of David depicts the

heavenly realm touching the earth and is a living prophetic parable of how we may come into a direct and personal relationship with God Through Jesus Christ and without intermediary clergy or religious legalistic ritual we may become registered as citizens of heaven Hebrews 12 18 24 The once and for all blood sacrifice at Calvary was required in order to put the new covenant into effect However the fullness of what is represented by the tabernacle of David with the ark as its sole piece of furniture will be restored at the second coming In that day I will raise up the tabernacle of David that is fallen and close up its breeches and I will raise up its ruins and I will build it as in the days of old Amos 9 11 12 Acts 15 16 When God decided to cut off the corrupt house of Eli he said And I will raise me up a faithful priest that shall do according to that which is in my heart and in my mind and I will build him a sure house and he shall walk before my anointed Heb Messiah for ever 1 Samuel 2 35 The faithful priest for whom God would build a sure house could not have been Samuel The fact that he shall walk before God s anointed Messiah forever means that this does not refer directly to Jesus Christ The only sure house that can be seen that fits this bill is the house of David 1 Samuel 17 which continued in God s favor until the birth of Jesus Christ And in Christ the royal priesthood 1 Peter 2 9 of the order of Melchisedec Psalm 110 4 continues forever this even includes us if we are in Christ Revelation 1 6 And in mercy shall the throne be established and he shall sit on it in the tabernacle of David judging and seeking judgment and hastening righteousness Isaiah 16 5 What is the prophetic numerology found in the Psalms Anyone who knows the author or has read one of his previous books knows that in addition to emphasizing a personal relationship with God the Father he is focused on the Day of the Lord with a deep concern that Christians regard End Times prophecy with utmost concern and soberness It is within this context that he directs the reader s attention to the prophetic numbers within the Psalms that once decoded according to their trajectory through the Scriptures unlock the stunning messianic narrative that will soon take place here on the earth Amidst ever increasing feelings of social isolation and the realities of political division and unrest as well as the impending and potentially disastrous outcomes of man made crises facing the earth people are looking for answers to their fears and inner longing to feel secure connected and satisfied in their daily lives While many attempt to control things politically others are looking for answers through esoteric means such as prophecies numerology tarot cards and even witchcraft Although David obviously didn t face the difficulties unique to our time he definitely felt socially isolated dwelled in political unrest and faced many possibilities for disaster His answer was to ask God to protect him and direct his every footstep which ultimately met his every need and eventually led him to dwell in peace and security to a ripe old age
