

The background of the book cover is a painting of a river scene. In the foreground, a person is fishing from a rocky bank. The river flows towards the background, surrounded by trees with vibrant autumn foliage in shades of orange, red, and yellow. The overall style is that of a classic landscape painting.

River Home An Anglers Explorations:

The River Home Jerry Dennis, 2014-01-30 In this remarkable collection of essays and stories winner of the Best Book of the Year Award from the Outdoor Writers Association of America Jerry Dennis demonstrates why he has emerged as one of America's finest writers on nature and the outdoors In prose that has drawn comparisons with John Voelker Sigurd Olson and Aldo Leopold Dennis celebrates the simple pleasures and complex challenges of family life the allure of giant trout the sacredness of secret places and such wonders as bad weather quirky fishing companions and the occasional naked angler Ranging from northern Michigan to Iceland Chile and the fabled rivers of the American West *The River Home* is a passionate record of a life lived fully crafted with clarity insight and good humor by a writer gifted with an instinct for what matters PRAISE This bright and sharply written book is a guide to a life lived consciously a prerequisite and bonus of the sport done well Lisa Faye Kaplan USA Today Collections of essays about the outdoors and fishing crowd the shelves but Dennis's fresh writing and marvelous insights merit special attention This fine collection will appeal to fans of Hal Borland W D Wetherell and Nick Lyons as well as to those who enjoy the essays of fiction writers William Tappan and Thomas McGuane Booklist Even if you've never pulled on a pair of waders you should read this funny and wise book about fly fishing and a lot more Georgia Times Union In this book Dennis elevates the typical outdoor essay usually a mere recollection of adventures while hunting fishing camping canoeing or pursuing other outdoor activities He has transcended the typical by blending in elements of nature writing observation research speculation about the world in which the sportsman places himself The Oakland Press

Flyfisher's Guide to Michigan Osborn, Jon , 2018-10-30 Michigan is one of the best states in the nation for flyfishing and Jon Osborn's all new Flyfisher's Guide to Michigan details the outstanding fishing opportunities like no other guidebook on the market The author covers the hot spots and lesser known fisheries with personal experiences historical overviews effective techniques for both warmwater and coldwater species and resident and anadromous species stocking data appropriate gear and flies access points nearby fly shops approximate float times and much more Photographer Hunter Brumels provides the visuals that paint the full picture of the fishing in this incredible state With bonus coverage of nearby watering holes anglers will have everything they need for many memorable days From mainstays like the Au Sable Pere Marquette Muskegon and Manistee rivers to hidden gems like the Rabbit and Red Cedar rivers Osborn has put in the river time so that you can get down to business Many more forks and tributaries are covered including trout steelhead salmon bass and pike fisheries This book comes standard with Wilderness Adventures Press precise and detailed full color maps with GPS coordinates for all access points boat ramps and parking areas along with access roads public land and more As Lefty once said If someone can't find locations from these maps they need to stay home Whether you're a veteran fly angler or new to the sport get an edge with this all new guidebook Fishing Digest Dennis Thornton, 2011-02-28 Don't cast this one aside Anglers now have the ultimate fishing reference providing complete coverage of new gear tackle and equipment from the

fishing industry and a directory of more than 1 400 leading fishing guides and charters Provides fishing license fees and regulations for each state to help enthusiasts eliminate confusion when traveling This comprehensive catalog lists rods reels depth finders tackle boxes boats trailers and other vital equipment available for fresh water salt and deep sea fishing It includes essential information for the traveling angler such as top fishing resorts state and national parks and tourism resources for every state Also included are contact information and brand names for every major manufacturer in the fishing and boating industries Entertaining and information packed articles report on salmon fishing busting bass on the pro tour saltwater success Great Lakes trolling Canadian getaways recipes fly tying secrets and more **Adventurous Exploration**

Along Great Rivers Amrahs Hseham,2024-01-28 The narrative embarks on a global odyssey weaving together tales of intrepid adventurers and explorers who have navigated the mighty waters of iconic rivers From the mighty Amazon to the winding Nile each chapter unfolds as a riveting expedition providing readers with a front row seat to the awe inspiring beauty and challenges encountered along the way The book captures the essence of rivers as more than mere bodies of water they are living arteries that carry the lifeblood of diverse ecosystems and human civilizations Each chapter delves into the unique characteristics of the rivers exploring the ecosystems they sustain the cultures that have thrived along their banks and the historical significance they hold One of the distinctive features of the book is its emphasis on the spirit of adventure The explorers and adventurers profiled in its pages embark on journeys that go beyond the geographical they seek to unravel the stories etched into the landscapes encounter the people who call these riverbanks home and confront the untamed forces of nature **Deep Trout** William Washabaugh,2020-05-26 On the surface fishing is all about casting catching and

communing with nature but on a deeper level the sport is filled with mysteries and contradictions Why do people fish How does a desire to return to nature go hand in hand with high tech gadgetry How is it possible to see other people s fishing as despoiling nature but not one s own What does the long and complex history of the sport reveal Like so much else in life what fishing says about society and the people in it both past and present is hidden from view and almost never discussed This book is a considered foray into the leisure sport of fishing by an avid fisherman who is also a professional anthropologist Those who enjoy the sport tend to extol its naturalness fishing enables them to commune with nature at its most primeval However if it s called natural it s probably a great spot to trawl for clues as to how people manage larger cosmic issues Call it natural the author quips and the anthropologists will come Is fishing an uncomplicated activity or is it deeply meaningful What does it say about culture Is the recent resurgence of interest in the sport simply a reflection of more disposable incomes and more leisure time What is the connection between fishing and Santa Claus fishing and flamenco And finally what is the best way to kiss a trout Unlike most books on fishing which focus on the tale or on how to this book shows that there is much more lurking beneath the surface than fish *The Bird in the Waterfall* Jerry Dennis,2014-09-23 There is nothing in the universe like water It is unique and beautiful and without it there could be no life on earth Little wonder then

that people have always expressed such awe delight and reverence for it The Bird in the Waterfall is a celebration of the wonders of water and the creatures that live in it While exploring waterfalls and artesian springs ocean waves and tidal bores whirligig beetles and torrent ducks author Jerry Dennis and artist Glenn Wolff address age old aquatic mysteries Why do rivers meander What are the sources of hot springs and geysers What causes tsunamis and rogue waves Why is water blue and sometimes green black yellow or red Why do we gather to watch falling water and crashing surf Why do we toss coins into fountains At the heart of The Bird in the Waterfall is a profound appreciation for the magic music and poetry of water and a passionate appeal for the protection of this most precious of the earth s resources PRAISE A passionate appreciation for the magic music and poetry of water and an appeal for the protection of this most precious of the earth s resources Natural Resources and Wildlife Magazine Jerry Dennis is one of today s most readable and informative nature essayists and his latest book The Bird in the Waterfall is a marvelous look at the natural history of oceans rivers and lakes It ought to be required reading for anyone who loves the outdoors angling surfing beachcombing or birding Buffalo News The Bird in the Waterfall is truly science for everyone When you have finished reading it you will not only know more but you may become as charmed with water as Dennis is Earth Magazine I can t think of anyone I know angler conservationist scientific reader curious kid who wouldn t enjoy and learn from this unusual book And from endpaper to endpaper it s a visual delight too Fly Rod and Reel Magazine Nature writer Dennis conveys his deep feelings for all aspects of the aquatic realm and parlays his fascination with the dynamics of bodies of water into a richly informative description of how lakes and rivers support myriad lifeforms Booklist

Steinbeck's Imaginarium Robert DeMott,2022-11-15 In Steinbeck s Imaginarium Robert DeMott delves into the imaginative creative and sometimes neglected aspects of John Steinbeck s writing DeMott positions Steinbeck as a prophetic voice for today as much as he was for the Depression era 1930s as the essays explore the often unknown or unacknowledged elements of Steinbeck s artistic career that deserve closer attention He writes about the determining scientific influences such as quantum physics and ecology in Cannery Row and considers Steinbeck s addiction to writing through the lens of the extensive obsessive full length journals that he kept while writing three of his best known novels The Grapes of Wrath The Wayward Bus and East of Eden DeMott insists that these monumental works of fiction all comprise important statements on his creative process and his theory of fiction writing DeMott further blends his personal experience as a lifelong angler with a reading of several neglected fishing episodes in Steinbeck s work Collectively the chapters illuminate John Steinbeck as a fully conscious self aware literate experimental novelist whose talents will continue to warrant study and admiration for years to come

State Highways in Marquette County, Michigan , Great Lakes and Midwest Catalog Partners Book Distributing,2007 Canoeing Michigan Rivers Jerry Dennis,Craig Date,2001 The bible for Michigan canoists has been updated and revised Includes all new maps and up to date data and descriptions for 45 blue ribbon Michigan rivers The wealth of canoeing adventures ranges from placid family floats to blood curdling whitewater runs
