River Stops Here:

The River Stops Here Ted Simon, 2001-06-01 A vivid chapter in the saga of the California water wars The River Stops Here documents state and federal plans to flood the largest most fertile valley in Mendocino County to send water south to Los Angeles The eventual success of Richard Wilson a rancher in Round Valley to stop the project is the heart of this compelling story

The River Stops Here Ted Simon, 2001-06 A rancher's stubborn refusal to be flooded out by the Army Corps of Engineers led him to mount an extraordinary crusade against California's most powerful forces of the time the 60s water lobby He created a new environmental coalition helped save the wild rivers of the north coast and vitally affected the future water policies of the state

The River Ends Here Deacon Ray O'Kelly, 2015-07-27 Freedom and opportunity have always been dear to the hearts of Americans So it was for Caleb McCabe son of a famous Virginia military family Although he abhorred slavery he was disarmed when the radical abolitionist John Brown attacked the federal armory at Harpers Ferry Having witnessed Browns hanging Caleb and others concluded that more abolitionists would exert their demands over the Southern states On April 15 when President Lincoln ordered Virginia to supply troops to take up arms against the South Carolina secessionists who fired on Fort Sumter he and other Virginians found it a hard pill to swallow On April 17 the Virginia Convention voted to secede Accepting a commission with the Confederate Army of Northern Virginia Lieutenant McCabe would change everything His marriage his attitudes toward war and his mental state would be tested more than he could ever have imagined and more than most men could ever be expected to withstand

Stop Here, This is the Place Susan Conley, 2016-04-15 Winky Lewis and Susan Conley, a photographer and a writer in Portland, tried an experiment. At the start of every week for a year, Winky sent Susan a photograph of their children on the street where they live, as neighbors and in other green places in Maine. By the end of that week, Susan sent a tiny story back that talked to the photograph. *Stop Here, This Is the Place* tells the story of a year in which children's arms and legs get longer and traces of babyhood fade, a year that feels interminable to a ten-year-old looking forward and fleeting to that ten-year-old's mother who can always stop here, go back, and remember. This delightfully evocative gift book is a reminder to stop and enjoy the precious time we have with our kids while we have them. Through Susan's recollections of moments from her childhood and the ongoing lives of her children, we're reminded of our own childhoods and of the necessity to stop and pay attention to hold on.
