is a literary exploration of the city's past and present. In over eighty selections Portland is revealed through histories, memoirs, autobiographies, short stories, novels, and news reports. This single volume gives voice to women and men, the colonizers and the colonized, white, Hispanic, African American, Asian American, and Indian storytellers, and lower middle and upper classes. In his introduction John Trombold considers the history of writing about a place that has nourished a provocative and errant literary tradition for over 150 years. In the preface Peter Donahue considers the influence of region, particularly Portland's urbanity and its hybrid population, on literature. Included here are the voices of Carl Abbott, Kathryn Hall Bogle, Beverly Cleary, Robin Cody, Lawson Fusao Inada, Rudyard Kipling, Ursula K. Le Guin, Joaquin Miller, Sandy Polishuk, Gary Snyder, Kim Stafford, Elizabeth Woody, and many more.

Going Places Robert Burgin, 2013-01-08. Successfully navigate the rich world of travel narratives and identify fiction and nonfiction read-alikes with this detailed and expertly constructed guide. Just as savvy travelers make use of guidebooks to help navigate the hundreds of countries around the globe, smart librarians need a guidebook that makes sense of the world of travel narratives. *Going Places: A Reader's Guide to Travel Narratives* meets that demand, helping librarians assist patrons in finding the nonfiction books that most interest them. It will also serve to help users better understand the genre and their own reading interests. The book examines the subgenres of the travel narrative genre in its seven chapters, categorizing and describing approximately 600 titles according to genres and broad reading interests and identifying hundreds of other fiction and nonfiction titles as read-alikes and related reads by shared key topics. The author has also identified award-winning titles and spotlighted further resources on travel lit, making this work an ideal guide for readers, advisors, as well as a book general readers will enjoy browsing.

Covers the culture, politics, and environment of the American West through periods of migration, settlement, and modernization. Discusses Native Americans and their conflicts and integration with American settlers.

Writing BLUE HIGHWAYS William Least Heat-Moon, 2014-05-13. Winner, Distinguished Literary Achievement, Missouri Humanities Council, 2015. The story behind the writing of the best-selling *Blue Highways* is as fascinating as the epic trip itself. More than thirty years after his 14,000-mile, 38-state journey, William Least Heat-Moon reflects on the four years he spent capturing the lessons of the road trip on paper, the stops and starts in his composition process, the numerous drafts and painstaking revisions, the depressing string of rejections by publishers, the strains on his personal relationships, and many other aspects of the toil that went into writing his first book. Along the way, he traces the hard lessons learned and offers guidance to aspiring and experienced writers alike. Far from being a technical manual, *Writing Blue Highways: The Story of How a Book Happened* is an adventure story of its own, a journey of exploration into the myriad routes of heart and mind that led to the making of a book from the first, sorry, and now vanished paragraph to the last.

words that came not from a graphite pencil but from a letterpress in Tennessee Readers will not find a collection of abstract formulations and rules for writing rather this book gracefully incorporates examples from Heat Moon's own experience As he explains This story might be termed an inadvertent autobiography written not by the traveler who took Ghost Dancing in 1978 over the byroads of America but by a man only listening to him That blue roadman hasn't been seen in more than a third of a century and over the last many weeks as I sketched in these pages I've regretted his inevitable departure Filtered as the struggles of the blue roadman are through the awareness of someone more than thirty years older with a half dozen subsequent books to his credit the story of how his first book happened is all the more resonant for readers who may not themselves be writers but who are interested in the tricky balance of intuitive creation and self discipline required for any artistic endeavor

An Osage Journey to Europe, 1827-1830, 2013-11-18 In 1827 six Osage people four men and two women traveled to Europe escorted by three Americans Their visit was big news in France where three short publications about the travelers appeared almost immediately Virtually lost since the 1830s all three accounts are gathered translated and annotated here for the first time in English Among the earliest writings devoted to Osage history and culture these works provide unique insights into Osage life and especially into European perceptions of American Indians William Least Heat Moon's introduction poignantly tells of people leaving one alien nation the United States to visit an even more alien culture an ocean away In France the Osages found themselves lionized as noble savages They went to the theater rode in a hot air balloon and even had an audience with the king of France Many Europeans ogled them as if they were exhibits in a freak show As the entourage moved through Belgium Holland Germany Switzerland and Italy interest in the Osages declined Soon they were reduced to begging in the suburbs of Paris without the means to return home Translated by Heat Moon and James K Wallace the three featured texts are surprisingly accurate as basic descriptions of Osage history geography and lifeways The French authors influenced by racist and sexist expectations misinterpreted some of the behaviors they describe But they also dismiss rumors of cannibalism among the Osages and observe that the behavior of some whites was not conducive to giving the Indians a favorable opinion of white morality An Osage Journey to Europe 1827 1839 offers scholars and general readers both a compelling story and a singular glimpse into nineteenth century cultural exchange
