Along the Chesapeake Susan Schmidt, 2006-04 As Schmidt circles the Bay counterclockwise from Jamestown she explores Smith's encounters with Native Americans and the Bay's ecological changes over the past hundred years On each river and creek she quotes Smith's journals on matching wits with Powhatan meeting Pocahontas surviving thunderstorms ambush and a stingray's barb Anchored on wild creeks Schmidt observes swans and dragonflies lightning and sunsets in port she interviews colorful characters and working watermen about blue crabs and oysters *Icy Winters on the Chesapeake Bay: A History* James L. Foster, 2021 Sailing on the Chesapeake Bay's myriad inlets in summer it is hard to imagine that come January icebreakers might be plowing the waters you cruised in July When portions of the Great Shellfish Bay are iced up the flow of commerce is impeded At the turn of the 19th century with the center of the new nation's government established in its arms a frozen Bay meant that the United States emergence to a status on par with the foremost nations of the world might be painfully slow Throughout the 20th century years of extreme cold continued to halt navigation and fishing James Foster chronicles the disasters large and small which come with the coldest of winters **Moses and the Monster and Miss**

Anne Carole C. Marks, 2024-03-18 This engaging history presents the extraordinary lives of Patty Cannon Anna Ella Carroll and Harriet Tubman three dangerous women who grew up in early nineteenth century Maryland and were vigorously enmeshed in the social and political maelstrom of antebellum America The monstrous Patty Cannon was a reputed thief murderer and leader of a ruthless gang who kidnapped free blacks and sold them back into slavery whereas Miss Anna Ella Carroll a relatively genteel unmarried slaveholder foisted herself into state and national politics by exerting influence on legislators and conspiring with Governor Thomas Holliday Hicks to keep Maryland in the Union when many state legislators

clamored to join the Confederacy And of course Harriet Tubman slave rescuer abolitionist and later women s suffragist was both hailed as the Moses of her people and hunted as an outlaw with a price on her head worth at least ten thousand dollars All three women lived for a time in close proximity on the Eastern Shore of Maryland an isolated region that thrived on tobacco and then lost it procured slaves and then lost them and produced strong minded women and then condemned them Though they never actually met and their backgrounds and beliefs differed drastically these women s lives converged through their active experiences of the conflict over slavery in Maryland and beyond the uncertainties of economic transformation the struggles in the legal foundation of slavery and most of all the growing dispute in gender relations in America Throughout this book Carole C Marks gleans historical fact and sociological insight from the persistent myths and exaggerations that color the women s legacies and she investigates the common roots and motivations of three remarkable figures who bucked the era s expectations for women She also considers how each woman s public identity reflected changing ideas of domesticity and the public sphere spirituality and legal rights and limitations Cannon Carroll and Tubman each in her own way passionately fought for the future of Maryland and the United States and from these unique vantage points Moses and the Monster and Miss Anne portrays the intersecting and conflicting forces of race economics and gender that threatened to rend a nation apart Investigating Women David Skene-Melvin,1995-12-01 As well as the fifteen investigating women in the book Skene Melvin s introduction describes hundreds of female sleuths and their creators in an in depth analysis of women detective fiction by Canadians **Encyclopedia of Maryland** Nancy Capace,1999-01-01 Gathers information about Maryland s geography history government and constitution and identifies modern and historic places throughout the state **Masters of the Big House** William Kauffman Scarborough,2006-04-01 William Kauffman Scarborough has produced a work of incomparable scope and depth offering the challenge to see afresh one of the most powerful groups in American history the wealthiest southern planters who owned 250 or more slaves in the census years of 1850 and 1860 The identification and tabulation in every slaveholding state of these lords of economic social and political influence reveals a highly learned class of men who set the tone for southern society while also involving themselves in the wider world of capitalism Scarborough examines the demographics of elite families the educational philosophy and religiosity of the nabobs gender relations in the Big House slave management methods responses to secession and adjustment to the travails of Reconstruction and an alien postwar world **Colonial America and the War for Independence** US Army Military History Research Collection,Joyce L. Eakin,1976
