## **Rk Narayan And His Social Perspectives:**

*R.K. Narayan and His Social Perspective* S. R. Ramteke, 1998 R K Narayan And His Social Perspective Deals With The Caste Ridden Hindu Society Which Narayan Presents In His Novels His Characters Are Fatalists With Explicit Faith In The Invisible The Book Presents Their Half Hearted Attempts At Self Assertion However Their So Called Sentimentalism Does Not Bear Fruit And They Fall Back To Their Former Position Accepting Defeat In Life The Book Brings Out Vividly Narayan's Attitude To Life His Firm Grip Of Hindu Ethos Of Which He Is The Product And His Failure To Come Out Of It Though The West Wind Has Blown Much Of Its Dust However Detached He Sounds Himself To The Readers His True Spirit Finds Vivid Expression In The Book At Any Rate R K Narayan Is A Thoroughly Indian Novelist Par Excellence And The Aspect Is Hardly To Be Overlooked RK Narayan's India: A Perspective Dr. Kanika K Arya, 2022-12-16 R K Narayan is a writer whose stories

have enamoured my soul whether it was the rendition of stories on the audio visual medium or the books that filled my hands and mind with treasures of common and mystical These stories are created in the simple yet magical world of Malgudi which has a wealth of peculiar characters straight out of a town or village in India these common folk and their idiosyncrasies amuse and connect us with them in an incomprehensible way We can analyse ourselves and our imperfections through reading their stories These stories are a mirror to human frailties thus inspiring us to live rather than always trying to become better version of ourselves Ambition glamour development technology competition to grow big and do big is what has never touched Narayan stories his characters live unperturbed in simple villages simply enjoying every morsel and every conversation that comes their way Indian myths and folklore form the bedrock of his stories Simply told yet holding didactic messages through symbolic connect to mythology and Vedic and Puranic texts A Narayan story is a sneak peek into the unpretentious common folk and their life and ambitions wish the writer was presenting another story to us where how social media and digitization affects the amusing world of Malgudi would have been a treat to read This book is an endeavour from my side to write about the contribution of Narayan to Indian English Literature and attempting a commentary upon some of his remarkable works **Social Perspectives in R.K. Narayan's Novels** Krishna Kant Singh, 2002-01-01 R K Narayan is perhaps the most celebrated novelist among his contemporaries His novels present the poetry of common people in brilliant way He differs from his counterparts in terms of theme and style both His uniqueness is visible in his technical perfection The present book deals with Narayan's presentation of various kinds of human relationships in a particular social perspective and also shows how human relationships are important and play vital role in their shaping **THEMATIC CONCERNS IN THE NOVELS OF R. K. NARAYAN** Dr. Nawkhare Nitin Ramchandra, 2021-05-06 The book is basically a thematic study of R K Narayan's novels and a reference to his short stories has been made only in passing The major themes that emerge from Narayan's novels are love and marriage or man woman relationship family relationships under scoring the father son relationship socio cultural and political scene of the country during the last fifty years and the Hindu ethos highlighting

renunciations as an ideal of the Hindu way of life For the first time the major themes of Narayans novels have been clearly worked out and the identity of Malgudi has been convincingly established by the author R.K. Narayan's Fictional World of "Malgudi": An Overview on Postcolonialism Dr. Afsar Nawaboddin Shaikh,2018-05 English language was transplanted in India by the British rulers who ruled country more than 150 years People believed that English is a language of Britishers and hence it must go with them But to learn English language does not mean that people would evolve a slave mentality In the present scenario English language with its great literary heritage is no longer a language of particular country or a race It has become global lingua franca It is a medium of an international mutual contact among the natives of all over the world It has thrown open a vast panorama of world wide scientific literary cultural and political world of knowledge **THE ART OF CHARACTERISATION** Anju Pathak ,2024-11-28 R K Narayan was a renowned Indian writer who lived from 1906 2001 and was known for his humorous and insightful portrayals of everyday life in the fictional town of Malgudi in South India While his work is not overtly feminist his stories often offer nuanced perspectives on gender roles and relationships Narayan s female characters are complex and multifaceted defying stereotypes of submissive and passive women For instance in his novel The Dark Room Savitri the protagonist refuses to be constrained by societal expectations of a traditional wife and mother She resents her husband s controlling behaviour and strives for self expression and independence even if it means defying her husband s wishes However it is important to note that Narayan s portrayal of gender roles and power dynamics in Indian society reflects the cultural norms and values of the time in which he was writing In The Guide Narayan explores the theme of female desire and agency through Rosie a dancer who pursues her passion despite societal stigma and disapproval Despite the obstacles she faces as a divorced woman Rosie asserts her independence and follows her dreams challenging the patriarchal norms of her society Feminist Perspective in Githa Hariharan's Novels Dr. Shehjad Siddiqui,2015-01-27 I have gone through Dr Rajesh Latane and Dr Shehjad Siddiqui book entitled Feminist Perspective in Githa Hariharan s Novels the book consisted Seventh Chapters the first chapter presents The rise and development of feminism has been sharply focused Further a brief profile of life and works of Githa Hariharan is also put forth A round up review of major novels crafted by Githa Hariharan is neatly presented Besides literary influence on Githa Hariharan has also been given Second to sixth chapters writer deal with the feminist perspective of Githa Hariharan novels like in The Thousand Faces of Night The Ghosts of Vasu Master When Dreams Travel In Times of Siege and Fugitive Histories The author has also significantly pointed out Githa Hariharan s use of myth fable parable fantasy tradition modernity etc as fictional techniques in an effective way Besides the novelist s discussion on Women s Issues is vividly presented through the technique of third person narration The book has really presented the novelist s works affected by the otherness and opposition The study also investigates Githa Hariharan s use of meta fiction inter text and magic realism unique features of post colonial novel just to bring the feminist discourse in the forefront A book is really acknowledged when it become a source material for the future

researchers and comparatists Dr Latane and Dr Shehjad's book has that potential I heartily wish a good reception to the book *The Aesthetics of Sensuality* N. V. Raveendran, 2000 N V Raveendran has used stylistics here as a means of exploring and explaining the poetics of sensuality thereby bridging the gap between language and linguistics on the one hand and poetry and stylistics on the other he thus bypasses the usual charge against linguistic stylistics that it puts the cart before the horse and uses language features only to validate and valorize perceptions based on immediate personal responses this attempt is bound to be of value to scholars as well as students of poetry of Indian English poetry in particular Dr K Ayyappa Panicker **New Perspectives on Indian English Writings** Malti Agarwal, 2007 New Perspectives on Indian English Writings is a collection of thirty-eight research papers on various fictionists dramatists and poets of Indian origin these papers contributed by scholars and teachers of repute study in depth the major works of the pioneers as well as emerging Indian authors writing in English the writers included in this volume are Kamala Markandaya Jhumpa Lahiri Shashi Deshpande Nayantara Sahgal Girish Karnad Manju Kapur Bharati Mukherjee R K Narayan Salman Rushdie Arundhati Roy Gita Mehta Kamala Das Nissim Ezekiel Ruth Praver Jhabvala and many others the wide range of the authors covered in this volume makes it useful for researchers teachers and postgraduate students studying in various universities of India *Exploring Caste and Sexuality in Indian English Writing* Lucky Issar, 2024-01-16 Exploring Caste and Sexuality in Indian English Writing Outcast Subcultures examines the ways in which caste intersects and shapes matters of desire gender religion and language It demonstrates how postcolonial upper caste theorists and fiction writers obscure caste and when they do discuss it they seem to reinforce it Dominant brahminic discourse discusses issues concerning women's rights equality justice and neocolonialism but ignores caste based discrimination and exclusion and the practice of untouchability which are everyday occurrences in Indian life To understand the brahminic obsession with caste and sexuality this book examines the works of Arundhati Roy V S Naipaul R K Narayan and M K Gandhi making a compelling argument that the freedom of choice in matters of sexuality was not unknown in medieval and ancient India If the urban elite pursues desire freely today so did the upper caste men and women of Vatsyana's time Unlike the upper caste elite caste regulated ordinary people or Dalits then just as it regulates them now which suggests how the brahminic elite in different epochs creates non normative spaces for itself without giving up caste order
