his lover **Offbeat Tracks in Maharashtra** Milind Gunaji, 2010 I am impressed Maharashtra couldn't have been exemplified more enticingly. You've sprung a winner. Just an appraisal transports you into the realms of nature and emits a blissful oneness with its beauty and wonder so much so that one is enthralled enough to envisage traversing through the rugged terrain and reveling in the rich heritage our beloved Maharashtra has been endowed with. Thank you Milind for giving us the opportunity to share your romance with nature. You have my blessings and kudos. Amitabh Bachchan I must admire the wonderful effort put in by well-known personality Milind Gunaji in putting together this praiseworthy venture in the form of a travel guide. Maharashtra is the state I belong to and hold very close to my heart. It has always been my desire to explore it in greater detail and visit all the places which lend to its heritage. However, due to my various work commitments, this desire of mine has remained largely unfulfilled. However, through this book, I will find the opportunity of fulfilling this desire at least through its pages which have been put together by Milind. I applaud him for his very detailed work for which he has found time despite having a busy career. Indeed, there could be no better gift that he could have given his home state, our beloved Maharashtra. My congratulations to Milind and the entire team behind the release of this book. Lata Mangeshkar Milind has sprung one more surprise on me. I knew him as an actor, then learnt about his photography, now about his writing, which is of a very distinct quality. Poets collect images of nature in words and verses, painters do it with paints on canvas, but Milind has done a unique collection of landscapes and historical spots of Maharashtra. To share it with wanderers of poetic temperament, he has noted down the routes and characteristics of each spot. The book in itself is a unique tour for the tourist. Gulzar, poet and lyricist, I have known Milind as an actor, indeed as an extraordinarily sincere and intense one. I also knew about his trips to unknown destinations in remote parts of Maharashtra. He also has a fine eye for visuals reflected in his photographs. Milind Gunaji is truly the wandering spirit of Maharashtra. Govind Nihalani, Film Director. Milind Gunaji is an excellent actor. And we are dear friends bonded by our love for nature. I roam the jungles photographing wild animals. But Milind goes off the beaten track and gives us an altogether new picture of a state that the famous Marathi poet Ram Ganesh Gadkari. Govindagray described as a land of rugged landscapes and pious associations. He is verily an ambassador for Maharashtra tourism. Uddhav Thackeray, Executive President. Shiv Sena. The more I travel all over the world, the more I realize how unique India truly is. **Offbeat Trails in Maharashtra** by Milind Gunaji documents this diversity which is India's greatest strength. His keen eye as a photographer unravels the mystery and the splendour of Maharashtra. Shabana Azmi, Actress and activist. I feel overall this is a very interesting book, very well compiled. Jagdish Maali, Film maker and photographer **Afoot & Afloat North Puget Sound** Marge Mueller, Ted Mueller, 2006.
