Roadside Japan:

The complete camper guide for Japan YouGuide Ltd, **Japanese Landscapes** Cotton Mather, Pradyumna P. Karan, Shigeru Iijima, 2021-10-21 From the busy streets of Tokyo to the secluded shores of Kyushu from the volcanoes of Hokkaido to the temples of Kyoto the treasured landscapes of Japan are brought to life in this concise visual guide Drawing upon years of observation Cotton Mather P P Karan and Shigeru Iijima explore the complex interaction of culture time and space in the evolution of landscapes in Japan The authors begin with a discussion of the landscape s general characteristics including paucity of idle land scarcity of level land and its meticulous organization and immaculate nature They then apply those characteristics to such favorite subjects as home gardens sculpted plants and flower arrangements but also to more mundane matters such as roadside shoulders utility lines and walled urban areas This unique blending of physical and social sciences with humanities perspectives offers a unified analysis of the Japanese landscape *Japan in the 21st Century* Pradyumna Karan, 2010-09-12 The ancient civilization of Japan with its Shinto shrines and Buddhist temples is also closely associated with all that is new and modern Looking outward Japan sees what it has become since Hiroshima the world s second largest economy a source of fury and wonder a power without arms Looking inward Japan sees old ways shaken and new ones developing at a hectic pace Japan in the Twenty first Century offers compelling insights into the current realities of the country and investigates the crucial political economic demographic and environmental challenges that face the nation A combination of text maps and photographs provides an essential understanding of Japan s geography cultural heritage demography economic and political development and of many other important issues Pradyumna P Karan explores the obstacles and opportunities that will shape Japan and affect the world community in the coming years He highlights strategies and policies that will facilitate economic and political change and stimulate the development of effective institutions for long term sustainable prosperity and economic vitality Unique field reports drawn from direct observations of events and places in Japan illuminate Japanese traditions and sensibilities The first full length English language textbook on Japan s geography culture politics and economy to appear in nearly four decades Japan in the Twenty first Century will be a vital resource for researchers academics general readers and students of Japan Pradyumna P Karan professor of geography and Japan studies at the University of Kentucky is the author or editor of numerous books on Asian geography and culture including *The Japanese City* and *Japan in the Bluegrass* **The Menace of Japan** Frederick McCormick, 1917 *P-Z* Library of Congress. Office for Subject Cataloging Policy, 1990 *The Politics of Street Trees* Jan Woudstra, Camilla Allen, 2022-03-17 This book focuses on the politics of street trees and the institutions actors and processes that govern their planning planting and maintenance This is an innovative approach which is particularly important in the context of mounting environmental and societal challenges and reveals a huge amount about the nature of modern life social change and political conflict The work first provides different historical perspectives on street trees and politics celebrating diversity in different

cultures A second section discusses street tree values policy and management addressing more contemporary issues of their significance and contribution to our environment both physically and philosophically It explores cultural idiosyncrasies and those from the point of view of political economy particularly challenging the neo liberal perspectives that continue to dominate political narratives The final section provides case studies of community engagement civil action and governance International case studies bring together contrasting approaches in areas with diverging political directions or intentions the constraints of laws and the importance of people power By pursuing an interdisciplinary approach this book produces an information base for academics practitioners politicians and activists alike thus contributing to a fairer political debate that helps to promote more democratic environments that are sustainable equitable comfortable and healthier **Faith and**

Power in Japanese Buddhist Art, 1600-2005 Patricia J. Graham,2007-09-30 **Faith and Power in Japanese Buddhist Art** explores the transformation of Buddhism from the premodern to the contemporary era in Japan and the central role its visual culture has played in this transformation Although Buddhism is generally regarded as peripheral to modern Japanese society this book demonstrates otherwise Its chapters elucidate the thread of change over time in the practice of Buddhism as revealed in temple worship halls and other sites of devotion and in imagery representing the religion s most popular deities and religious practices It also introduces the work of modern and contemporary artists who are not generally associated with institutional Buddhism and its canonical visual requirements but whose faith inspires their art The author makes a persuasive argument that the neglect of these materials by scholars results from erroneous presumptions about the aesthetic superiority of early Japanese Buddhist artifacts and an asserted decline in the institutional power of the religion after the sixteenth century She demonstrates that recent works constitute a significant contribution to the history of Japanese art and architecture providing evidence of Buddhism s compelling presence at all levels of Japanese society and its evolution in response to the needs of new generations of supporters **The Lady of LA** Sunny Blue,2024-09-16

The Chinese Ladys of Los Angeles by Sunny Blue is about 25 Chinese American women from different countries who come to the United States to pursue the American dream They learn and grow in the midst of confusion and suffering refine their personalities in the midst of moral and legal conflicts and walk out of their own paths in the pursuit of love and money *Transactions of the*

Asiatic Society of Japan ,1927 Jack'S Japonica Jack Nakamoto,2011-01-19 This book is dedicated to the late Principal Tatsue Sato 1891 1983 and his wife Hanako for having spent fifty years teaching Japanese language insisting us second generation Japanese Canadians the Nisei to be good Canadian citizens When the Pearl Harbor attack took place December 7 1941 he immediately called to assembly about a thousand students to declare firmly to stand loyal and faithful to Canada This occurred while I was in England serving with the Canadian army He was later awarded the Order of Canada in 1978 for his enriching Canadian society by the introduction of the best elements of Japanese culture And the school where he had taught still running today was designated a historic site by Vancouver British Columbia on June 25 2000 JTN ,1993 **The**
