sibling rivalry prejudice betrayal and displaced loyalty When the five become reunited bigger battles ensue To return home they must overcome giants that have plagued them throughout their lost experience If victorious the Bunch can return to Mt Hermon with the help of their new forest friends A chapter book for for preteens who love to read In this frame narrative the second book in the Growing Up Aimi Series Aimi is on a peace corps mission in the deepest jungles of India Her first priority is the safety of the children she came to serve Her second is to teach them to love to read Miss A reads a book to the children about an earlier time of mystery when the high tech world threatened her friends and their new school The young people determined to implement an old school approach to meet the challenges of the high tech antics of adults bent on becoming the next unicorn in Silicon Valley All the while the school and children where Miss A is serving face the danger of being lost to the forces of time Remember the impact that teachers and mentors have had on you and your life when parents and children teachers and students read The Heliuna Academy together The questions at the end of each chapter are student teacher parent child and reader group tested Go deeper in the relationships that are important to you Can Aimi and her friends learn why their beloved teachers have gone missing Can they stop the tides of change Only the reader knows I Aimi stood motionless as I peered through the just closed final curtain A few moments ago we put a wrap on the last performance of our unique take on Beauty the Beast We called it The Rose and the Thorn Welcome to Book 3 in the Growing Up Aimi Series Historical fiction Mystery Coming of Age Or all The reader knows I guess the thinking is or was that if our school can twist Roald Dahl s Charlie and the Chocolate Factory to our tastes then Disney s Beauty and the Beast would be fair game as well Or should I say Gabrielle Suzanne Barbot de Villeneuve s Beauty and the Beast She wrote it gee like almost 200 years ago I won t say her name however for fear I say it wrong and Violet gets offended She s like that and will know how to say it Not just because she is from France but can speak French And she does love to point it out to me when I make a mistake Book 1 The Giant Forest Aimi was in the 5th grade Book 2 The Heliuna Academy Aimi was in the 6th grade Book 3 The LoGlas Theater Aimi is now in the 7th grade No magic no time travel no fantastical beasts Just good clean story telling as we watch and grow along with Aimi Wilby [The Heart Series Box Set](#) Mary Whitney,2014-05-21 The three book box set of The Heart Series by Mary Whitney includes Beside your Heart Disclosure of the Heart and Forever Your Heart Beside Your Heart Late one night Nicki Johnson plays with emotional fire and Googles her high school love only to find his name splashed across the British gossip columns Back in his native England Adam Kincaid is successful and dating a woman from an aristocratic family like his own With a career in politics Nicki s no slouch but she knows Adam is living a world away from her life Yet there was a time he was no farther than the next locker Nicki will never forget their year together in high school the year of her sister s death the year her mother checked out Adam helped Nicki through suffocating grief and she led him through coming of age But when is a high school crush something more Disclosure of the Heart Sixteen years is a long time to wait for your true love to reappear and anyway Nicki Johnson couldn t wait for the impossible to happen Hard life lessons have

taught her that fairy tales are children s stories and fate is cruel Burying her hopes she s spent the last sixteen years focused and driven toward her career and it s landed her with a job at the White House with a gem of a boyfriend But when her high school love Adam Kincaid walks into the White House as a BBC reporter Nicki s world is thrown into turmoil as she relives their past Adam has come back for her but has he arrived too late Forever Your Heart I m a journalist Adam Kincaid BBC reporter to be exact so I m not going to bury the lead I m about to see the woman I never got over I know that because I ve been back in America for years now and I still don t date American girls My dad would say I ve come to my senses sticking to my own British patrician kind but that s crap Mum the psychologist would more wisely say it s my unresolved issues around Nicki My teenage years are long behind me yet my guilt over her remains So I ve avoided all things Nicki though the irony is she s the one avoiding me Maybe if we see each other we can both move on Could she ever forgive me Can you forgive yourself when you hurt someone you love But please don t answer yet I ve jumped ahead of the story and as a reporter I should give you more background to get to the root of it all So let me tell you my story Then you can be the judge
