Hart Crane and Yvor Winters Thomas Parkinson, 2023-11-15 Hart Crane and Yvor Winters Their Literary Correspondence delves into the profound yet contrasting relationship between two towering figures in 20th century American poetry Hart Crane known for his bold emotionally charged poetry and turbulent life and Yvor Winters a disciplined poet and critic might seem like antithetical figures the bohemian versus the scholar the restless creative versus the stable family man Yet their correspondence reveals a deeper connection through shared passion for poetry mutual respect for each other's work and a significant exchange of ideas This book explores their relationship spanning Crane's effusive gratitude for Winters's critiques of *The Bridge* to the tensions that ultimately fractured their bond Crane's letters preserved by Winters offer an invaluable glimpse into his evolving poetics and his creative process as well as the ways in which Winters influenced and challenged him The book situates this correspondence within the broader literary context of their time illustrating how their dialogue reflects larger trends and tensions in American poetry Crane's visionary and often chaotic approach contrasts sharply with Winters's insistence on precision and restraint illuminating their divergent poetic philosophies Despite their differences both men were deeply committed to their craft pushing the boundaries of American poetry in their own ways Crane's vivid risk-taking style often verged on collapse but offered moments of breathtaking brilliance while Winters's disciplined ethical poetry exuded intellectual rigor and formal mastery By juxtaposing their lives letters and works the book not only enriches our understanding of these two remarkable poets but also sheds light on the complex interplay of personality ideology and artistry that shapes poetic expression This title is part of UC Press's Voices Revived program which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1978 The Bloomsbury Handbook of Modernist Archives Jamie Callison, Matthew Feldman, Anna Svendsen, Erik Tønning, 2024-06-13 Providing a

Kenneth Burke in Greenwich Village Jack Selzer, 1996-12-01 Capturing the lively modernist milieu of Kenneth Burke's early career in Greenwich Village where Burke arrived in 1915 fresh from high school in Pittsburgh this book discovers him as an intellectual apprentice conversing with the moderns Burke found himself in the midst of an avant garde peopled by Malcolm Cowley Marianne Moore Jean Toomer Katherine Anne Porter William Carlos Williams Allen Tate Hart Crane Alfred Stieglitz and a host of other fascinating figures Burke himself who died in 1993 at the age of 96 has been hailed as America's most brilliant and suggestive critic and the most significant theorist of rhetoric since Cicero Many schools of thought have claimed him as their own but Burke has defied classification and indeed has often been considered a solitary eccentric genius immune to intellectual fashions But Burke's formative work of the 1920s when he first defined himself and his work in the context of the modernist conversation has gone relatively unexamined Here we see Burke living and working with the crowd of poets painters and dramatists affiliated with Others magazine Stieglitz's 291 gallery and Eugene O'Neill's Provincetown Players the leftists associated with the magazines The Masses and Seven Arts the Dadaists and the modernist writers working on literary journals like The Dial where Burke in his capacity as an associate editor saw T.S. Eliot's The Wasteland into print for the first time and provided other editorial services for Thomas Mann e.e. cummings Ezra Pound and many other writers of note Burke also met the iconoclasts of the older generation represented by Theodore Dreiser and H.L. Mencken the New Humanists and the literary nationalists who founded Contact and The New Republic Jack Selzer shows how Burke's own early poems fiction and essays emerged from and contributed to the modernist conversation in Greenwich Village He draws on a wonderfully rich array of letters between Burke and his modernist friends and on the memoirs of his associates to create a vibrant portrait of the young Burke's transformation from aesthete to social critic *Encyclopedia of American Poetry: The Twentieth Century* Eric L. On Becoming Cuban Louis A. Pérez Jr., 2012-09-01 With this masterful work Louis A Perez Jr transforms the way we view Cuba and its relationship with the United States *On Becoming Cuban* is a sweeping cultural history of the sustained encounter between the peoples of the two countries and of the ways that this encounter helped shape Cubans identity nationality and sense of modernity from the early 1850s until the revolution of 1959 Using an enormous range of Cuban and U S sources from archival records and oral interviews to popular magazines novels and motion pictures Perez reveals a powerful web of everyday bilateral connections between the United States and Cuba and
