Robert Browning and His World Maisie Ward, 1969 **Robert Browning and His World** Maisie Ward, **Robert Browning's Asolando** Richard S. Kennedy, 1993 Originating in a series of lectures he gave at the New York Browning Society in the spring of 1990 Kennedy's English emeritus Temple U study fuses biography and critical commentary to provide an account of Browning's 1812-1889 last years and his last volume of poems Annotation copyright by Book News Inc Portland OR *Robert Browning and His World* Maisie Ward, 1969 *Browning's Later Poetry, 1871-1889* Clyde de L. Ryals, 2019-06-30 Maintaining that Browning's later work has been underestimated Professor Ryals gives close sophisticated readings of the individual poems covering each of the published volumes from *Balaustion's Adventure through Asolando* He emphasizes the overall structure of a poem and the manner in which themes and ideas are presented The later Browning is portrayed as a poet intent upon discovering forms that would give shape and meaning to thought and experience **Robert Browning** Stefan Hawlin, 2012-09-10 Accessibly written throughout this guidebook covers biographical details information on the historical and social contexts of Browning's work an overview of the full range of his work and a survey of the major critical debates surrounding him and his work Elizabeth Barrett Browning Dorothy Mermin, 1989-06-15 Elizabeth Barrett Browning 1806-61 was the first major woman poet in the English literary tradition Her significance has been obscured in this century by her erasure from most literary histories and her exclusion from academic anthologies Dorothy Mermin's critical and biographical study argues for Barrett Browning's originative role in both the Victorian poetic tradition and the development of women's literature Barrett Browning's place at the wellhead of a new female tradition remains the single most important fact about her in terms of literary history and it was central to her self-consciousness as a poet Mermin's study shows that Barrett Browning's anomalous situation was constantly present to her imagination and that questions of gender shaped almost everything she wrote Mermin argues that Barrett Browning's poetry covertly inspects and dismantles the barriers set in her path by gender and that in her major works *Sonnets from the Portuguese* *Aurora Leigh* her best political poems *A Musical Instrument* difficulty is turned into triumph incorporating the author's femininity her situation as a woman poet and her increasingly substantial fame Mermin skillfully interweaves biography and close readings of the poems to show precisely how Barrett Browning's life as a woman writer is a part of the essential meaning of her art Both her personal and her literary achievements are exceptionally well documented especially for her formative years Mermin makes extensive use of the poet's early essays a diary covering most of her twenty-sixth year and the enormous number of letters that have survived Ranging from her earliest ambitions through her long periods of discouragement and illness to her happy married life with Robert Browning this comprehensive study of Elizabeth Barrett Browning is essential reading for students of the Victorian period English literature and women's studies **Persian Presence in Victorian Poetry** Taher-Kermani Reza Taher-Kermani, 2020-03-18 A study of the wealth of meanings that Persia real or imagined held for Victorian

poetry Takes a broad interdisciplinary approach to a significant strand in the Oriental texture of Victorian poetry Contributes to a growing body of research on the process of cultural exchange between the West and the Orient Provides the first systematic index of nineteenth century Persianised poems Offers a distinctive mix of history and literature dealing with an array of texts ranging from ancient Greece to nineteenth century British travel writings The Persian Presence in Victorian Poetry surveys the variety of ways in which Persia and the multitude of ideological historical cultural and political notions that it embodied were received circulated and appropriated Providing the first systematic index of nineteenth century poems that were in any way involved with Persia the book explores its presence across a broad range of works incorporating literary historical and cultural material The Browning Newsletter ,1971 **Reading Henry James** George Monteiro, 2016-04-27 Henry James 1843 1916 has been championed as an historian of social conscience and attacked as a spokesman for social privilege His Americanness has been questioned by nativists and defended by Brahmins Critics took issue with his lucidly complex style It s not that he bites off more than he can chew but that he chews more than he bites off a contemporary complained Although he was an acknowledged master in his final years James narrow readership has dwindled in the century since his death This book examines allusions sources and affinities in James vast body of work to interpret his literary intentions Chapters provide close analysis of Daisy Miller The American The Beast in the Jungle and The Wings of the Dove His fascination with poet Robert Browning is discussed along with his complicated relationship with Marian Clover Adams and her husband Henry who was the author of The Education of Henry Adams Instructors considering this book for use in a course may request an examination copy here
