

John Nash were. — He says, & I believe, that
I have seen the old song, that goes by his name, song, & I
say none of it, & remembering only two or three words of
it viz. the 1st & 2^d vs, with some scraps which I have
immemorably heard them in the following form. —

1785 } There was three lumps in the cap,
Three lumps both great & high;
And they bore from a soldier's coat,
That John Barclay was dead.
They're him a plough, plough'd him down,
Put steel upon his head,
And they bore from a soldier's coat,
That John Barclay was dead.
But the spring him it came on,
And shivers began to fall,
John Barclay got up again,
And you might hear 'em all.

As tomorrow it comes on,
Send the good "Bird" message,
If his heart will, send it with delicate flowers
That not one word should have a wrong.

The laborer I came on,
And he gave me a part;
The hungry people's longing hand
Shall be fed to the full.
The wife's children were more,
He fed into age,
And then he was giving to pass
To feed the daily wage.

They took a book away they & they
And set him down at home.
They let him fast upon a seat
Like a virgin for pregnancy.

They had been down upon his back
and would be down full soon.
They having him up before the door.
And would be down soon & so on.

They fold up a dark brown jet
 With water to the brain
 They're heated in a vapor bath by steam
 Have let him drink a potion.
 They're thrown in with out upon the floor
 A weak brain fainter on;
 And fall no figure of life appears
 They let it live to fear.

They might see a sparkling stream
The image of his tears;
But the Miller is a poor wretch of all
Who he ^{could} give him better or less flowers.

And they have to see the very heart of the
land heart of the land & the heart
of the land the most & more they should
their joy did more abundant.

John Barthow was a House hold.
 & will inherit.
 So if you do not left his share
 & don't make inheritance of it

Robert Burns Common Place
