

The background is a solid red color. Scattered across the upper half are several abstract, dark, teardrop-shaped fragments. In the lower-left quadrant, a white square is the origin of four white lines that extend diagonally towards the bottom right. Along these lines and in the surrounding space are various dark geometric shapes: triangles, a five-pointed star, and a square. In the lower-right area, there are more white fragments, including a small 'Y' shape and a small square.

ROBERT CREELEY
The Poet's Workshop

edited by Carroll F. Terrell

Robert Creeley The Poets Workshop

John Wilson

Robert Creeley The Poets Workshop:

Robert Creeley Carroll Franklin Terrell, 1984 **Robert Creeley's Life and Work** John Wilson, 1987 A critical retrospective of Creeley's work from 1952 to 1982 **Robert Creeley and the Genius of the American Common Place** Tom Clark, Robert Creeley, 1993-11 An interactive biographical essay culled from conversations between Robert Creeley and poet Tom Clark **Poet's Prose** Stephen Fredman, 1990-11-30 Poet's Prose is devoted exclusively to American prose poetry and has been recognised as a pioneering study in contemporary American poetry **Understanding the Black Mountain Poets** Edward Halsey Foster, 1995 An experimental school of poetry its leading proponents Robert Creeley, Edward Dorn, and Robert Duncan Willard Fox, 1989 Form, Power, and Person in Robert Creeley's Life and Work Stephen Fredman, Steve McCaffery, 2010-03-15 By any measure international reputation influence upon fellow writers and later generations number of books published scholarly and critical attention Robert Creeley 1926 2005 is a literary giant an outstanding irreplaceable poet For many decades readers have remarked upon the almost harrowing emotional nakedness of Creeley's writing In the years since his death it may be that the disappearance of the writer allows that nakedness to be observed more readily and without embarrassment Written by the foremost critics of his poetry Form Power and Person in Robert Creeley's Life and Work is the first book to treat Creeley's career as a whole Masterfully edited by Stephen Fredman and Steve McCaffery the essays in this collection have been gathered into three parts Those in Form consider a variety of characteristic formal qualities that differentiate Creeley from his contemporaries In Power writers reflect on the pressure exerted by emotions gender issues and politics in Creeley's life and work In Person Creeley's unique artistic and psychological project of constructing a person reflected in his correspondence teaching interviews collaborations and meditations on the concept of experience is excavated While engaging these three major topics the authors remain as Creeley does intent upon the ways such issues appear in language for Creeley's nakedness is most conspicuously displayed in his intimate relationship with words Contributors Charles Altieri Rachel Blau DuPlessis Stephen Fredman Benjamin Friedlander Alan Golding Michael Davidson Steve McCaffery Peter Middleton Marjorie Perloff Peter Quartermain Libbie Rifkin American Poets and Poetry Jeffrey Gray, Mary McAleer Balkun, James McCorkle, 2015-03-10 The ethnically diverse scope broad chronological coverage and mix of biographical critical historical political and cultural entries make this the most useful and exciting poetry reference of its kind for students today American poetry springs up out of all walks of life its poems are maternal as well as paternal stuff'd with the stuff that is coarse and stuff'd with the stuff that is fine as Walt Whitman wrote adding Of every hue and caste am I of every rank and religion Written for high school and undergraduate students this two volume encyclopedia covers U S poetry from the Colonial era to the present offering full treatments of hundreds of key poets of the American canon What sets this reference apart is that it also discusses events movements schools and poetic approaches placing poets in their social historical political cultural and critical contexts and showing how

their works mirror the eras in which they were written Readers will learn about surrealism ekphrastic poetry pastoral elegy the Black Mountain poets and language poetry There are long and rich entries on modernism and postmodernism as well as entries related to the formal and technical dimensions of American poetry Particular attention is paid to women poets and poets from various ethnic groups Poets such as Amiri Baraka Nathaniel Mackey Natasha Trethewey and Tracy Smith are featured The encyclopedia also contains entries on a wide selection of Latino and Native American poets and substantial coverage of the avant garde and experimental movements and provides sidebars that illuminate key points

Poetics and Precarity Myung Mi Kim, Cristanne Miller, 2018-05-01 Poets and critics address the potential of language to address the increasing level of discord and precarity in the twenty first century At a time when wars acts of terrorism and ecological degradation have intensified and isolationism misogyny and ethnic divisiveness have been given distinctively more powerful voice in public discourse language itself often seems to have failed The poets and critics in this book argue that language has the potential to address this increasing level of discord and precarity and they negotiate ways to understand poetics or the role of the poetic in relation to language the body politic the human body breath the bodies of the natural environment and the body of form Poetry makes urgent issues audible and poetics helps to theorize those issues into critical consciousness Poetry also functions as a cry to protest late capitalist imperialism misogyny racism climate change and all the debilitating conditions of everyday life Hubs of concern merge and diverge precarity takes differently gendered historied embodied geopolitical manifestations The contributors articulate a poetics that renders what has not yet been crystallized as discourse into fields of force They also acknowledge the beauties of sound poetry and music and celebrate the power of community marking the surge of energy that can occur at a particular place at a particular moment Ultimately Poetics and Precarity fosters further conversations that will imagine the concerns of poetics as a continuously emerging field

The Art of Twentieth-Century American Poetry Charles Altieri, 2008-04-15 Written by a leading critic this invigorating introduction to modernist American poetry conveys the excitement that can be generated by a careful reading of modernist poems Encourages readers to identify with the modernists sense of the revolutionary possibilities of their art Embraces four generations of modernist American poets up through to the 1980s Gives readers a sense of the ambitions the disillusionments and the continuities of modernist poetry Includes close readings of particular poems which show how readers can use these works to connect with what concerns them
