

ROBERT LOUIS
STEVENSON

Man and Writer

A Critical Biography

J. A. Stewart

"There are two distinct duties incumbent on any man who enters on the business of writing: truth to the fact and a good spirit in the treatment."

It must always be just to tell what is false: and it can never be safe to suppress what is true.

I am not afraid of the truth... but I am afraid of parts of it impermissibly withheld. Partiality is immorality.

If you are so seriously pained by the misconduct of your subject and so passionately delighted with his virtues, you will always be an excellent gossamer, but a somewhat questionable biographer."
