Robert Louis Stevenson Cassell Biographies Series:

Robert Louis Stevenson James Pope-Hennessy, 1989
Ltd, 1895 *Cassell's New Biographical Dictionary*, 1892
arranged by H. Morley. [5 vols., issued in 48 pt.]. Cassell Ltd, 1892 Cassell's new biographical dictionary. Popular ed Cassell
Cassell's library of English literature, selected, ed. and
Combe, 1894 *Robert Louis Stevenson* David S. Robb, 2015 The select works of George Combe George
The book consists of a series of discussions of the prose fiction
of Robert Louis Stevenson from his first book *New Arabian Nights* to the last short novel published in his lifetime *The Ebb*
Tide All his best known novels are covered as well as a selection of his lesser known works The focus is on the works
themselves rather than on Stevenson's admittedly fascinating life which is touched on only so as to provide a context for his
writing It is arranged by the dates when the works were written rather than when they were published so as to provide an
outline sketch of his career as a writer The emphasis is on the diversity and energy of Stevenson's creativity without seeking
to overemphasize distinctions frequently applied to him in the past such as that between his stories for boys and books
apparently written for adults The Biography of a Locomotive Engine Henry Frith, 1891 *The public school chemistry*
John Hendry Anderson, 1895 *The Origins of Transmedia Storytelling in Early Twentieth Century Adaptation* Alexis
Weedon, 2021-06-18 This book explores the significance of professional writers and their role in developing British
storytelling in the 1920s and 1930s and their influence on the poetics of today's transmedia storytelling Modern techniques
can be traced back to the early twentieth century when film radio and television provided professional writers with new
formats and revenue streams for their fiction The book explores the contribution of four British authors household names in
their day who adapted work for film television and radio Although celebrities between the wars Clemence Dane G B Stern
Hugh Walpole and A E W Mason have fallen from view The popular playwright Dane witty novelist Stern and raconteur
Walpole have been marginalised for being German Jewish female or gay and Mason's contribution to film has been
overlooked also It argues that these and other vocational authors should be reassessed for their contribution to new media
forms of storytelling The book makes a significant contribution in the fields of media studies adaptation studies and the
literary middlebrow *The Athenaeum*, 1887
