Robert Lowell A Reference Guide:

Robert Lowell, a Reference Guide Steven Gould Axelrod, Helen Deese, 1982 Robert Lowell, a Reference Guide Steven Gould Axelrod, Helen Deese, 1982 **Robert Lowell** Steven Axelrod, Helen Deese, 1986 Robert Lowell is one of the most widely recognised and influential poets of the second half of this century Yet his career is problematical and raises many questions about direction and quality particularly in light of his repeated reorientation of thematic concern and poetic technique Many previous studies of the poet have accounted for these radical differences in Lowell's work by examining the poet's private life but this collection of essays attempts to reassess Lowell's poetry and to restimulate critical thinking about it by focusing on his texts to raise new questions and discussions about the work The twelve essays in this volume by many of the most distinguished scholars in the field offer a chronological review of Robert Lowell's career as a poet The book includes pieces on major works such as Lord Weary's Castle Life Studies For the Union Dead Skunk Hour Notebook the sonnets of 1969-73 as well as four essays devoted to Lowell's last complete and often neglected work Day by Day Employing a variety of methodologies the essays arrive at innovative and often controversial interpretations of Lowell's poems **Robert Lowell**,

The Letters of Robert Lowell Robert Lowell, 2007-03-20 These letters document the evolution of Lowell's work and illuminate another side of his life his deep friendships with other writers his manic depression his marriages to three prose writers and his involvement with the antiwar movement of the 1960s **With Robert Lowell and His Circle** Kathleen Spivack, 2012 In 1959 Kathleen Spivack won a fellowship to study at Boston University with Robert Lowell Her fellow students were Sylvia Plath and Anne Sexton among others Thus began a relationship with the famous poet and his circle that would last to the end of his life in 1977 and beyond Spivack presents a lovingly rendered story of her time among some of the most esteemed artists of a generation Part memoir part loose collection of anecdotes artistic considerations and soulful yet clear-eyed reminiscences of a lost time and place hers is an intimate portrait of the often suffering Lowell the great and near great artists he attracted his teaching methods his private world and the significant legacy he left to his students Through the story of a youthful artist finding her poetic voice among literary giants Spivack thoughtfully considers how poets work She looks at friendships addiction despair perseverance and survival and how social changes altered lives and circumstances This is a beautifully written portrait of friends who loved and lived words and made great beauty together A touching and deeply revealing look into the lives and thoughts of some of the most influential artists of the twentieth century With Robert Lowell and His Circle will appeal to writers students and thoughtful literary readers as well as to scholars **Robert Lowell** Steven Gould Axelrod, 2015-03-08 This major interpretation of the life and art of Robert Lowell exposes the full relationship between the poetry and the personal and national experience to which it is so remarkably connected Steven Axelrod proposes that the key to our understanding of Lowell's poetic achievement lies precisely in this interpenetration of his life and his art Originally published in 1978 The Princeton Legacy Library uses the latest print on demand technology to again

make available previously out of print books from the distinguished backlist of Princeton University Press. These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions. The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905.

The Undergraduate's Companion to American Writers and Their Web Sites Larry G. Hinman, 2000-12-15. An outstanding research guide for undergraduate students of American literature, this best-selling book is essential when it comes to researching American authors. Bracken and Hinman identify and describe the best and most current sources both in print and online for nearly 300 American writers whose works are included in the most frequently used literary anthologies. Students will know exactly what information is available and where to find it.

A Study Guide for Robert Lowell's "The Quaker Graveyard in Nantucket" Gale, Cengage Learning, 2016. A Study Guide for Robert Lowell's *The Quaker Graveyard in Nantucket* excerpted from Gale's acclaimed *Poetry for Students*. This concise study guide includes plot summary, character analysis, author biography, study questions, historical context, suggestions for further reading, and much more. For any literature project, trust *Poetry for Students* for all of your research needs.

The Cambridge Companion to Elizabeth Bishop Angus Cleghorn, Jonathan Ellis, 2014-02-17. Elizabeth Bishop is increasingly recognized as one of the twentieth century's most important and original poets. Initially celebrated for the minute detail of her descriptions, what John Ashbery memorably called her "thinginess," Bishop's reputation has risen dramatically since her death, in part due to the publication of new work including letters, stories, and visual art, as well as a controversial volume of uncollected poems, drafts, and fragments. This Companion engages with key debates surrounding the interpretation and reception of Bishop's writing in relation to questions of biography, the natural world, and politics. Individual chapters focus on texts such as *North and South*, *Questions of Travel*, and *Geography III*, while offering fresh readings of the significance of Nova Scotia, Massachusetts, and Brazil to Bishop's life and work. This volume explores the full range of Bishop's artistic achievements and the extent to which the posthumous publications have contributed to her enduring popularity.

Robert Lowell in a New Century Thomas Austenfeld, 2019. New essays providing fresh insights into the great 20th-century American poet Lowell, his writings, and his struggles.

The Architecture of Address Jake Adam York, 2004-05. *The Architecture of Address* traces the evolution of an American species of lyric capable of public pronouncement without polemic. Beginning with Whitman, Jake Adam York seeks to describe a kind of poem wherein the most ambitious poets, including Hart Crane and Robert Lowell, occupy and reconstruct important public spaces. This study argues that American poets become civic actors when their poems imagine and reconstruct the conceptual architecture of the monument.

American Poetry since 1945 Eleanor Spencer-Regan, 2017-09-16. This book features a collection of essays on some of the key poets of post-war America, written by leading scholars in the field. All the essays have been newly commissioned to take account of the diverse movements in American poetry since 1945 and also to reflect retrospectively on

some of the major talents that have shaped its development In the aftermath of the Second World War American poets took stock of their own tumultuous past but faced the future with radically new artistic ideals and commitments More than ever before American poetry spoke with its own distinctive accents and declared its own dreams and desires This is the era of confessionalism beat poetry protest poetry and avant garde postmodernism This book explores the work of John Berryman Robert Lowell Elizabeth Bishop Adrienne Rich and Sylvia Plath as well as contemporary African American poets and new poetic voices emerging in the 21st century This New Casebook introduces the major American poets of the post war generation evaluates their achievements in the light of changing critical opinion and offers lively incisive readings of some of the most challenging and enthralling poetry of the modern era *Walford's Guide to Reference Material: Generalia, language and literature, the arts* Albert John Walford, Marilyn Mullan, Priscilla Schlicke, Library Association, 1996 From its first edition the purpose of Walford has been to identify and evaluate the widest possible range of reference materials No rigid definition of reference is applied In addition to the expected bibliographies indexes dictionaries encyclopaedias and directories a number of important textbooks and manuals of general practice are included While the majority of the items are books Walford is a guide to reference material Thus periodical articles microforms online and CD ROM sources are all represented In this volume a particular effort has been made to improve coverage of the latter two categories **The Critical Response to Robert Lowell** Steven G. Axelrod, 1999-06-30 From the publication of his first major volume in 1946 *Lord Weary's Castle* to a few years before his death in 1977 Robert Lowell held sway as the premier English language poet of his time *Lord Weary's Castle* seemed to push poetic language and cultural critique in exciting new directions yet they were directions sanctioned by the New Criticism of his time In 1959 Lowell's *Life Studies* dramatically broke the very traditions he had previously revitalized During the 1960s his works elaborated his new poetic mode and engaged with personal political and historical issues But with the 1973 publication of his poetic trilogy *History For Lizzie and Harriet* and *The Dolphin* his reputation suffered Though his final work the autobiographical *Day by Day* published shortly before his death in 1977 was favorably received critics continued to attack him in the decades that followed Thus Lowell's reputation as this volume makes clear has fluctuated and at the close of the twentieth century there is still no critical consensus about any aspect of his work This book provides a representative sample of the critical discourse concerning Lowell's poetry drama and prose and shows that discourse at its most varied and vital An introductory essay surveys the response to Lowell's writings The first three sections then track Lowell's volumes chronologically Most of his books receive one or two reviews followed by several scholarly essays arranged in the order of their publication Along with the reprinted articles are two essays written specifically for this volume The fourth section presents several broad overviews of Lowell and his works and an extensive bibliography of primary and secondary sources concludes the book The volume also contains an essay by Lowell himself in which he reflects on his career **Shades of Authority** Stephen James, 2007-10-01 What is the relationship between poetry

and power Should poetry be considered a mode of authority or an impotent medium And why is it that the modern poets most commonly regarded as authoritative are precisely those whose works wrestle with a sense of artistic inadequacy Such questions lie at the heart of this study prompting fresh insights into three of the most important poets of recent decades Robert Lowell Geoffrey Hill and Seamus Heaney Through attentive close reading and the tracing of dominant motifs in each writer s works James shows how their responsiveness to matters of political and cultural import lends weight to the idea of poetry as authoritative utterance as a medium for speaking of and to the world in a persuasive memorable manner And yet as James demonstrates each poet is exercised by an awareness of his own cultural marginality even by a sense of the limitations and liabilities of language itself Encyclopedia of American Poetry: The Twentieth Century Eric L. Haralson,2014-01-21

The Encyclopedia of American Poetry The Twentieth Century contains over 400 entries that treat a broad range of individual poets and poems along with many articles devoted to topics schools or periods of American verse in the century Entries fall into three main categories poet entries which provide biographical and cultural contexts for the author s career entries on individual works which offer closer explication of the most resonant poems in the 20th century canon and topical entries which offer analyses of a given period of literary production school thematically constructed category or other verse tradition that historically has been in dialogue with the poetry of the United States **A User's Guide to the Millennium** J. G. Ballard,1997-04-15 A collection of novelist s non fiction writings spanning more than thirty years addresses topics including the arts science literature popular culture and his own life **American Poets and Poetry** Jeffrey Gray,Mary McAleer Balkun,James McCorkle,2015-03-10 The ethnically diverse scope broad chronological coverage and mix of biographical critical historical political and cultural entries make this the most useful and exciting poetry reference of its kind for students today American poetry springs up out of all walks of life its poems are maternal as well as paternal stuff d with the stuff that is coarse and stuff d with the stuff that is fine as Walt Whitman wrote adding Of every hue and caste am I of every rank and religion Written for high school and undergraduate students this two volume encyclopedia covers U S poetry from the Colonial era to the present offering full treatments of hundreds of key poets of the American canon What sets this reference apart is that it also discusses events movements schools and poetic approaches placing poets in their social historical political cultural and critical contexts and showing how their works mirror the eras in which they were written Readers will learn about surrealism ekphrastic poetry pastoral elegy the Black Mountain poets and language poetry There are long and rich entries on modernism and postmodernism as well as entries related to the formal and technical dimensions of American poetry Particular attention is paid to women poets and poets from various ethnic groups Poets such as Amiri Baraka Nathaniel Mackey Natasha Trethewey and Tracy Smith are featured The encyclopedia also contains entries on a wide selection of Latino and Native American poets and substantial coverage of the avant garde and experimental movements and provides sidebars that illuminate key points **North American Players of Shakespeare** Michael W. Shurgot,2007 This is

a collection of interviews of twenty one actors from Shakespeare theaters and festivals across North America from the Oregon Shakespeare Festival in Ashland to the Chicago Shakespeare Theatre and the Stratford Shakespeare Festival in Ontario The interviews celebrate the variety in education training and approaches to acting conducted by recognized performance scholars Thus this book combines scholarly expertise with actors insights to produce unique views on contemporary Shakespearean performances in the United States and Canada and fills an important niche in performance criticism Michael W Shurgot is Professor of Humanities at South Puget Sound Community College

Eventually, you will extremely discover a new experience and exploit by spending more cash. still when? realize you receive that you require to get those all needs as soon as having significantly cash? Why dont you attempt to get something basic in the beginning? Thats something that will guide you to comprehend even more something like the globe, experience, some places, similar to history, amusement, and a lot more?

It is your entirely own mature to piece of legislation reviewing habit. in the midst of guides you could enjoy now is **Robert Lowell A Reference Guide** below.
