Kennedy](#) The Editors of TIME,2018-05-11 He was a man of seeming contradictions Born to great wealth Bobby Kennedy made common cause with the least fortunate Initially viewed as ruthless over time he became deeply concerned with the plight of others and he struggled to find realistic political solutions to their problems He loved a crusade and in his early years in public life he opposed communism corrupt labor union leaders and organized crime Later he found larger more complex targets to address racism poverty institutional indifference Most important he challenged all of us to join him not simply in imagining a better world for all but in doing the difficult everyday work of making those visions reality Fifty years after Bobby Kennedy s assassination celebrate his legacy with this special edition TIME Robert F Kennedy *Robert Kennedy* James Hilty,2000-04 For most of his life Robert Kennedy stood in the shadow cast by his older brother John only after President Kennedy s assassination did the public gain a complete sense of Robert Bobby we called him as a committed advocate for social justice and a savvy politician in his own right In this comprehensive biography James W Hilty offers a detailed and nuanced account of how Robert was transformed from a seemingly unpromising youngster unlikely to match the accomplishments of his older brothers to the forceful man who ran the family business orchestrating the Kennedy quest for political power **Mutual Contempt: Lyndon Johnson, Robert Kennedy, and the Feud that Defined a Decade** Jeff Shesol,1998-10-17 Mutual Contempt is at once a fascinating study in character and an illuminating meditation on the role character can play in shaping history Michiko Kakutani New York Times Lyndon Johnson and Robert Kennedy loathed each other Their antagonism propelled by clashing personalities contrasting views and a deep abiding animosity would drive them to a bitterness so deep that even civil conversation was often impossible Played out against the backdrop of the turbulent 1960s theirs was a monumental political battle that would shape federal policy fracture the Democratic party and have a lasting effect on the politics of our times Drawing on previously unexamined recordings and documents as well as memoirs biographies and scores of personal interviews Jeff Shesol weaves the threads of this epic story into a compelling narrative that reflects the impact of LBJ and RFK s tumultuous relationship on politics civil rights the war on poverty and the war in Vietnam As Publishers Weekly noted This is indispensable reading for both experts on the period and newcomers to the history of that decade An exhaustive and fascinating history Shesol s grasp
