Kristin Lowrey wasn't accustomed to widowhood yet but she was all too familiar with being at the beck and call of her three grown children and their children. Now though she had finally summoned the courage to start over again a new job a new look and a whole new life far from her native Augusta Georgia all the way to California. Getting away was hard enough but having an accident en route and ending up on a ranch in New Mexico was nearly disastrous. Especially when her all too welcoming host turned out to be a divorced doctor with an irresistibly appealing bedside manner. She and Christopher Harrison had a lot in common. And it wasn't so very far from New Mexico to California. Maybe they could even go there together if Kirstin could just learn to let go of the past. Was it time to take a chance on a brand new future time to love again.
