*The Holy Neeshant* Srivastava, 2024-04-22 This is a collection of seven short stories containing memories of my school days in my alma mater Don Bosco Academy which is among the best schools in Patna After having reached an age of maturity we often look backwards and remember our much forgotten childhood and those laborious days of school We remember people things that were simple and had a deep impact on our lives A tear or two is quite enough to re-establish a lost friendship and the days of glory Those lips are sealed and will not utter a word and very soon they will disappear forever While we are still alive we

must dig into our minds and catch all those memories that have been frozen and lie under deep black clouds Only then can we bring happiness into our lives and the lives of our near and dear ones that have been silenced too by the tricks of time Dig deep into your mind if you can someone has you on their mind      *Safe at Home* Debra Jo Cloud,2022-09-14 *Safe at Home* By Debra Jo Cloud After the death of their mother Julie s dad decides to move her and her siblings Jo Beth and Jack across the country from California to Illinois to start life anew in his hometown on the Mississippi Despite her grief and her new surroundings Julie learns to love her new home making friends at school and learning how to skip rocks with her father in the mighty Mississippi However her sister Jo Beth is not getting along so well spending all her time with the boy next door and sneaking out at night to drink with her friends *Safe at Home* tells the story of one family s ability to overcome grief and become closer and stronger than they ever have before      *Who Goes There* Nick Griffiths,2009-11-19 The author of *Dalek I Loved You* charts his travels through England and Wales tracking down locations used in Doctor Who both classic and new Being an odd kind of show Doctor Who s locations too are odd This is no glamorous trip Dungeness Nuclear Power Station anyone A flooded china clay pit in Cornwall As he travels so Nick Griffiths discovers another side to his well trodden country which is no less evocative Then he goes to the pub As in his previous memoir *Dalek I Loved You* the travel writing is backed up by Nick s childhood reminiscences and contemporary musings A companion website offers photographs from the trip a Google map of the locations and details of the nearest pub In this innovative way readers are invited to follow in his footsteps *Who Goes There* isn t just for Who fans it s a very funny book for anyone who fancies a trip off the beaten path Praise for *Dalek I Loved You* A very funny book for anyone who grew up wearing Tom Baker underpants I know I did David Tennant An unadulterated nostalgia fest written with fun wit and love Doctor Who Magazine He conjures up just how mind blowing it was for an ordinary suburban kid to be transported to a realm of danger and rampant sci fi imaginings Financial Times If I am getting carried away it is the fault of Griffiths s awfully charming memoir of boyhood and Doctor Who with its deft evocations of eight year old invincibility and embarrassing school discos as well as arguments about Cybermen vs Autons or Jon Pertwee vs Tom Baker Griffiths s chatty self deprecating style is disarming The Guardian      **I Am from Iceland** Edith Andersen,2010-07-30 This childhood memoir takes place in Iceland a country just below the Arctic Circle It s a story of a girl whose ancestors farmers murderers poets and priests can be traced to the ninth century It s a story about living laughing hurting and growing up Edith the youngest of six was born to an Icelandic mother and a Danish father Her mother said she was a change of life baby her father said she was an old soul Early on in life Edith looked to nature and candy for comfort She found solace in the waves cresting on the Atlantic the northern lights in the winter sky wading over glacier rivers and Esra her very favorite mountain always in view She could smell chocolate meters away Placed in a sanatorium at the age of eight she had to make a new life for herself At twelve she looked destined to repeat sixth grade forever At fourteen she considered joining the monastery At sixteen her parents sent her to England to learn English She learned more This is a story that will
