Sapphisty The Of Lesbian Sexuality

**Elizabeth Lapovsky Kennedy, Madeline
D. Davis**

Sapphisty The Of Lesbian Sexuality:

Sapphisty Patrick Califia, 1988 This book discusses a broad range of sexual behaviour between women with an emphasis on communication and sharing Includes a chapter on disabled lesbians Explicit descriptions of sex *Horrifying Sex* Ruth Binstock Anolik, 2007-07-16 The Gothic moment in literary history arose in the age of the Enlightenment and the Gothic fascination with the unknown reflects the Enlightenment's response to the limits of reason Traditionally the emblem of the unknown that lurks in the Gothic is the supernatural the monstrous and the inhuman Often overlooked is the observation that Gothic texts are also haunted by figures that represent the mystery of sexuality This collection of essays sharpens that observation and asserts that Gothic anxieties about sexuality are likewise rooted in fear of the unknown represented by sexual practices and desires that either lie hidden or deviate from cultural norms The first three sections refer to popular as well as marginalized Gothic texts to portray the three prototypes of sexual deviance the female sexual Other in *The Fatal Woman* the male sexual Other in *The Satanic Male* and the homosexual Other in *Homosexual Horror* The fourth section covers literary works that celebrate sexual difference and question the idea that the sexually deviant is socially Other

Sexuality and Its Discontents Jeffrey Weeks, 2002-05-03 Few topics evoke so much anxiety and pleasure pain and hope discussion and silence as sexuality Throughout the Christian era it has been a major moral preoccupation Since the eighteenth century it has also been the focus of scientific exploration and political activity But despite this obsessive concern we are still as baffled as our predecessors about the true meaning of sex In this book Jeffrey Weeks unravels the dense web of historical theoretical and political forces that have culminated in the contemporary crisis of sexual meanings and values The book begins with a powerful evocation of our present discontents and their potent signs the rise of the New Right the retreat of progressive forces and a wave of moral panics around sex It argues that this crisis is rooted in a tradition which has ascribed an inflated importance to sexuality whilst claiming a privileged access to truth The author then examines radical debates of recent years and asks whether they contain the potentiality for taking us beyond the existing boundaries of sexuality From this analysis emerges a controversial radical pluralist approach to sexuality built on an acceptance of diversity and choice By linking our present discontents to a clear understanding of the past Jeffrey Weeks presents a rational optimistic and challenging vision of a realizable future **Boots of Leather, Slippers of Gold** Elizabeth Lapovsky

Kennedy, Madeline D. Davis, 2014-05-09 *Boots of Leather Slippers of Gold* traces the evolution of the lesbian community in Buffalo New York from the mid 1930s up to the early 1960s Drawing upon the oral histories of 45 women it is the first comprehensive history of a working class lesbian community These poignant and complex stories show how black and white working class lesbians although living under oppressive circumstances nevertheless became powerful agents of historical change Kennedy and Davis provide a unique insider's perspective on butch fem culture and argue that the roots of gay and lesbian liberation are found specifically in the determined resistance of working class lesbians This 20th anniversary edition

republishes the book for a new generation of readers It includes a new preface in which the authors reflect on where the last 20 years have taken them For anyone interested in lesbian life during the 1940s and 1950s or in the dynamics of butch fem culture this study remains the one that set the highest standard for all oral histories and ethnographies of lesbian communities anywhere

Feminist Thought Rosemarie Tong, Tina Fernandes Botts, 2024-07-19 A classic resource on feminist theory this updated sixth edition of *Feminist Thought A More Comprehensive Introduction* offers a clear comprehensive and incisive introduction to the major traditions of feminist theory This new edition explores in detail the wide spectrum of feminist thought from liberal feminism radical feminism Marxist and socialist feminisms women of color feminisms global postcolonial and transnational feminisms to psychoanalytic feminism care focused and maternal focused feminisms to ecofeminism existentialist poststructural and postmodern feminisms The book also includes an expanded discussion of third wave fourth wave and fifth wave feminisms plus much new material on intersectionality LGBTQ issues gender identities sexual orientations and queer theory Learning tools like end of chapter discussion questions and an enhanced up to date bibliography make *Feminist Thought* an essential resource for students and thinkers who want to understand the theoretical origins and complexities of contemporary feminist debates

Feminist Thought, Student Economy Edition Rosemarie Tong, 2018-10-03 This book provides a clear comprehensive and incisive introduction to the major traditions of feminist theory from liberal feminism radical feminism and Marxist and socialist feminism to care focused feminism psychoanalytic feminism women of color feminisms and ecofeminism

Feminist Legal Theory (Vol. 1) Frances Olsen, 1995-10 A collection of previously published articles

Routledge Revivals: Homosexuality: A Research Guide (1987) Wayne R. Dynes, 2017-02-17 First published in 1987 this book encompasses a broad range interdisciplinary research into homosexuality displaying a full spectrum of points of view and given that the major traditions of modern homosexual research began in Europe is not restricted to works in English In general topics that are densely covered in the literature are presented in this guide selectively with some less studied topics such as Economics and Music fleshed out with signposts to more comprehensive research It seeks to not only mirror existing publications but also to stimulate new work by pinpointing neglected themes and methods This book will be of interest to students of sociology

Indomitable: The Life of Barbara Grier Joanne Passet, 2016-11-01 Whatever else will be said about her and you can bet there will be plenty because Barbara was no stranger to controversy the one thing that is true above all else is that she was the most important person in lesbian publishing in the world Without her boldness and her audacity there might not be the robust lesbian publishing industry there is today Teresa DeCrescenzo Barbara Grier feminist activist publisher and archivist was many things to different people Perhaps most well known as one of the founders of Naiad Press Barbara's unapologetic drive to make sure that lesbians everywhere had access to books with stories that reflected their lives in positive ways was legendary Barbara changed the lives of thousands of women in her lifetime For the first time historian Joanne Passet uncovers the controversial

and often polarizing life of this firebrand editor and publisher with new and never before published letters interviews and other personal material from Grier's own papers Passet takes readers behind the scenes of *The Ladder* offering a rare window onto the isolated and bereft lives lesbians experienced before the feminist movement and during the earliest days of gay political organizing Through extensive letters between Grier and her friend novelist Jane Rule Passet offers a virtual diary of this dramatic and repressive era Passet also looks at Grier's infamous theft of *The Ladder's* mailing list which in turn allowed her to launch and promote Naiad Press the groundbreaking women's publishing company she founded with partner Donna McBride in 1973 Naiad went on to become one of the leaders in gay and lesbian book publishing and for years helped sustain lesbian and feminist bookstores and readers across the country

Feminist Social Thought Diana Tietjens Meyers, 2014-06-03 First published in 1998 *Feminist Social Thought* brings together key articles by prominent feminist thinkers offering students sophisticated treatment of the theoretical topics central to feminist social thought This reader highlights salient concerns in contemporary feminist scholarship and the advances feminist philosophers have made The editor's introduction outlines alternative routes through the text allowing instructors to easily adapt this reader to their particular courses and the interests of their students Each article is prefaced with a short introduction by the editor placing it in context highlighting the principle issues and the conclusions reached Students will find these headnotes helpful when tackling the challenging theoretical issues addressed Representing a spectrum of feminist thinking *Feminist Social Thought* is organized around seven topics constructions of gender theorizing diversity figurations of women subjectivity agency and feminist critique social identity solidarity and political engagement care and its critics and women equality and justice Students will be exposed to a wide variety of feminist philosophy and encouraged to think critically about challenging questions around pivotal subjects including How are gender norms instilled enforced and perpetuated What are the relationships between gender and other socially demarcated positions such as race class and sexual orientation What resources do women have at their disposal for recognizing their subordination and resisting it What goals should feminist politics pursue How can social and legal equality be reconciled with difference

Between the Body and the Flesh Lynda Hart, 1998 In this first book length study of lesbian's m Lynda Hart creates a vivid and compelling counterdiscourse to the erotophobic voices in contemporary cultural debates Focusing on a variety of representations from the boundary shattering work of queer performances to the daring conjunction of childhood sexual abuse and perverse desire in the work of Dorothy Allison *Between the Body and the Flesh* situates s m as a lightning rod that stimulates discussions of censorship in the arts the fetishization of sexual paraphernalia recombinations of class race and sexuality and the politics of psychoanalysis

Social Perspectives in Lesbian and Gay Studies Peter M. Nardi, Beth E. Schneider, 2013-09-13 This comprehensive reader brings a social science perspective to an area hitherto dominated by the humanities Through it students will be able to follow the story of how sociology has come to engage with gay and lesbian issues from the 1950s to the present from the earliest

research on the underground worlds of gay men to the emergence of queer theory in the 1990s Bringing together classic readings and the best work of younger scholars from all parts of the English speaking world this reader will be an invaluable resource for courses at undergraduate and graduate level in all areas of the sociology of sexuality and gender Separate sections cover theoretical foundations identity and community making institutions and social change challenges for the future Each section begins with an introduction giving readers a brief guide to the readings in that section contextualises them and relates them to one another and the book ends with an afterword by Ken Plummer summing up the present state of play and looking forward to the future

Feminizing Theory Rhea Ashley Hoskin, 2021-09-09 The term femme originates from 1940s Western working class lesbian bar culture wherein femme referred to a feminine lesbian who was typically in a relationship with a butch lesbian Expanding from this original meaning femme has since emerged as a form of femininity reclaimed by queer and culturally marginalized folks Importantly femme has also evolved into a theoretical framework Femme theory argues that femme constitutes a missing piece in queer and feminist discourses of femininity Attending to this gap femme theory centres queer femininities as a means of pushing against the deeply embedded masculinist orientation of queer and gender theory Thus femme theory offers tools to shift the way researchers and readers understand femininity as well as systems of gender and power more broadly This book is an introduction to femme theory showcasing how femme can be used as a theoretical framework across a variety of contexts and disciplines such as Film from countries including Canada China Guyana and the USA Femme theory asks readers to reconsider how femininity is conceptualized revealing some of the many taken for granted assumptions that are embedded within cultural discourses of gender sexuality and power The chapters in this book were originally published as a special issue of the Journal of Lesbian Studies

Women and Sex Therapy Ellen Cole, Esther D Rothblum, 2014-03-18 Outstanding feminist scholars present seldom discussed women's views of sexuality In the past there has been little feminist discussion among sexuality professionals and between feminist therapists and sex therapists The valuable ideas expressed by the contributors to this book are aimed at increasing the possibilities for all therapists and counselors to discuss with their clients the nature of sexuality and in particular what women feel about sex Professionals provide remarkable perspectives on issues that concern all women orgasm the double standard new reproductive options intimacy bisexuality and more

The Good News of the Body Lisa Isherwood, 2000 God has assumed a significant role in the sex lives of believers It is God who decrees which types of sexual expression are permitted and which forbidden Through the Church a patriarchal sexual landscape has been enacted to control sexual bodies which exerts its influence even in our secular culture The Good News of the Body is a wide ranging anthology on feminist sexual theology Noting that Jesus while being declared divine took human form the volume questions what happens when the flesh rather than the Word is placed at the center of theological reflection What happens when women's bodies form the incarnational starting point for sexual politics and theology Contributors including Rosemary Ruether Mary Hunt and Melissa

Raphael examine such topics as the possibility of a Roman Catholic approach to sexuality bringing together the three aspects of Christian love of eros philia and agape Jewish sexual and mystical teaching the de sexing of the disabled erotic celibacy human sexuality and the concept of the goddess and the sometimes surprisingly similar conclusions about contraception reached by feminists and popes

Barbara Hammer in the Seventies Krystyna Mazur,2025-01-13 Barbara Hammer in the Seventies Or What a Body Can Do addresses the intersection of experimental film lesbian sexuality and the women s movement in Hammer s early films Grounded in an embodied sexual and gendered positionality these films interrogate the politics of visibility and identity and perform a discontinuous repertoire of lesbian images that resist the medium of film s established constraints and the decade s broader systems of signification Hammer s films offer a critique of the dominant discourse that privileges the discreteness and self sufficiency of the individualistic human subject By performing the lesbian body in its environment in erotic and communal relation to other bodies and staging the relation of human bodies with the materiality of non human beings and objects they create a site of intervention into the humanist project as it informs film studies feminism and queer theory This rereading of Hammer s work offers an important contribution to conversations between feminism and queer studies In remembering the feminist origins of queer studies it recenters political and ethical questions such as the fundamental relationality of the subject the subject s dependency on others and the resulting ethical responsibility for and towards the other

Sapphistries Leila J Rupp,2009-10-28 A lyrical and meticulously researched mapping of the ways in which diverse societies have shaped female same sex sexuality across time and geography From the ancient poet Sappho to tombois in contemporary Indonesia women throughout history and around the globe have desired loved and had sex with other women In beautiful prose Sapphistries tells their stories capturing the multitude of ways that diverse societies have shaped female same sex sexuality across time and place Leila J Rupp reveals how from the time of the very earliest societies the possibility of love between women has been known even when it is feared ignored or denied We hear women in the sex segregated spaces of convents and harems whispering words of love We see women beginning to find each other on the streets of London and Amsterdam in the aristocratic circles of Paris in the factories of Shanghai We find women s desire and love for women meeting the light of day as Japanese schoolgirls fall in love and lesbian bars and clubs spread from 1920s Berlin to 1950s Buffalo And we encounter a world of difference in the twenty first century as transnational concepts and lesbian identities meet local understandings of how two women might love each other Giving voice to words from the mouths and pens of women and from men s prohibitions reports literature art imaginings pornography and court cases Rupp also creatively employs fiction to imagine possibilities when there is no historical evidence Sapphistries combines lyrical narrative with meticulous historical research providing an eminently readable and uniquely sweeping story of desire love and sex between women around the globe from the beginning of time to the present

Sexuality and Medicine E.E. Shelp,2012-12-06 It may be unnecessary to some to publish a text on sexuality in 1986 since

the popular press speaks of the sexual revolution as if it were over and was possibly a mistake. Some people characterize society as too sexually obsessed and there is an undercurrent of desire for a return to a supposedly simpler and happier time when sex was not openly discussed, displayed, taught or even presumed. Indeed, we are experiencing something of a backlash against open sexuality and sexual liberation. For example, during the 60s and 70s, tolerance of homosexual persons and homosexuality increased. Of late, there has been a conservative backlash against gay rights laws. Sexual intercourse before marriage, which had been considered healthy and good, has been of late characterized as promiscuous. In fact, numerous articles have appeared about the growing popularity of sexual abstinence. There is a renewed vigor in the fight against sex education in the schools and an anti pornography battle being waged by those on the right and those on the left who organize under the guise of such worthy goals as deterring child abuse and rape, but who are basically uncomfortable with diverse expressions of sexuality. One would hope that such trends and the ignorance about sex and sexuality that they reflect would not touch medical professionals.

That Dr **Japanstudien. Band 16/2004** Andrea Germer, 2004. Die Beiträge zum diesjährigen Schwerpunktthema Grenzgänge: Die Konstruktion kollektiver Identitäten in Japan zeigen in Form von Fallstudien im Verein mit theoretischen Überlegungen zum Diskurs über Differenz, Homogenität und Divergenz eine Möglichkeit auf den Topos von der japanischen Gruppenorientiertheit der und ein zentrales Argument in der Nihonjinron Debatte bildet neu zu beleuchten. Zwar vermögen die sich vornehmlich mit marginalisierten gesellschaftlichen Gruppen befassenden Beiträge nicht alle Aspekte der Fragestellung abzudecken, die sich ja auch beispielsweise auf die Interdependenz mehrerer Gruppen bezieht. Oftmals aber konnten durch Schwerpunktthemen eines Jahrbuchs Anstöße zu weiterer Forschung gegeben werden, die dann bisweilen in späteren Ausgaben der Japanstudien dokumentiert wurden. Möge auch dieses Thema seine Fruchtbarkeit längerfristig unter Beweis stellen.

The Gender Politics of HIV/AIDS in Women Nancy Goldstein, Jennifer L. Manlowe, 1997-06. From their posts at the center of the pandemic in the laboratory, the academy, clinics, and community-based organizations, experts such as Evelyn Hammonds, Risa Denenberg, Michelle Murrain, and Paul Farmer criticize blind spots in the recognition and treatment of HIV in women and articulate accessible and practical solutions to specific areas of difficulty.
