Superficial R. A. Sully,2000-05 Originally I wanted to call this book Prostitution and Gambling in the Animal Kingdom or Selective Listening for Litigation Purposes but I discovered that Clifford Geertz was working on a study with a similar title to the former and Alan Dershowitz had already implicitly written the latter Also I decided that Superficial is not really a book because it s superficial and books should be profound In this which isn t a book there are no chapters no sections no paragraphs no murders and very few sentences Thus by no stretch of my unimpaired imagination is it a book However it is many pages assembled as temporally accurate as possible which convey the thoughts of fourteen of the fifteen guests at Jamie Schliessman s cocktail party
