City of Health, Fields of Disease Martin Wallen,2017-03-02 The Romantic Era witnessed a series of conflicts concerning definitions of health and disease In this book Martin Wallen discusses those conflicts and the cultural values that drove them The six chapters progress from the mainstream rejuvenation of the Socratic values by Wordsworth and Coleridge to the radical alternatives offered by the Scottish theorist John Brown and the speculative German philosopher F W J Schelling Wallen shows how actual definitions of health and disease changed at the turn of the nineteenth century and provides an analysis of the metaphorical uses to which romantic thinkers put these different definitions in their attempts to value or devalue competing concepts of individuality poetic expression and history Key to the redefinition of these concepts was the use of the rhetoric of medicine to add value to those statements considered desirable and to undermine those targeted for elimination from public discourse By juxtaposing the well known critical works of Wordsworth and Coleridge with lesser known works such as Schelling s Yearbooks of Medicine and Thomas Beddoes medical treatises Wallen illuminates the central role medicine played in redefining the human being s relationship to society and nature part of the cultural revolution that began in the nineteenth century **City Maps Cordoba Argentina** James mcFee,2017-03-27 City Maps Cordoba

Browne,Christian Frost,Ray Lucas,2018-10-26 Historically the urban festival served as an occasion for affirming shared convictions and identities in the life of the city Whether religious or civic in nature these events provided tangible expressions of social cultural political and religious cohesion often reaffirming a particular shared ethos within diverse urban landscapes Architecture has long served as a key aspect of this process exhibiting continuity in the flux of these representations through the parading of elaborate ceremonial floats the construction of temporary buildings the dressing of existing urban space the alternative occupations of the everyday and the construction of new buildings and spaces which then become a part of the background fabric of the city This book examines how festivals can be used as a lens to examine the relationship between city and citizen and questions whether this is fixed through time or has been transformed as a response to changes in the modern urban condition Architecture Festival and the City looks at the multilayered nature of a diverse selection of festivals and the way they incorporate both orderly authoritative and disorderly subversive components The aim is to reveal how the civic nature of urban space is utilised through festival to represent ideas of belonging and identity Recent political and social gatherings also raise questions about the relationship of these events to ritual and whether traditional practices can serve as meaningful references in the twenty first century New York City Fishing & Floating Guide Book Jim Maccracken,2017-01-01 New York City all 5 Boroughs County New York Fishing Floating Guide Book Over 965 full 8 x 11 sized pages of information with maps and aerial photographs available Fishing information is included for ALL of the county s public ponds and lakes listing types of fish for each pond or lake average sizes and exact locations with GPS coordinates and directions Also included is fishing information for most of the streams and rivers including access points and public areas with road contact and crossing points and also includes fish types and average sizes NEW NEW Now with a complete set of 22 full sized U S G S Topographical Maps for the entire county that normally cost from 12 00 to 14 00 each but are included on the disk for FREE These maps are complete full sized 7 5 minute series quadrangle maps in 1 24 000 scale maps Contains complete information on For all of the Five Boroughs of New York City for both fresh and salt water and includes Freshwater Lakes and Ponds and Rivers Bronx County Bronx River Cochranton Park Lake Crotona Park Lake Van Cortland Park Lake Manhattan Central Park Lakes and Ponds Hudson River Kings County Prospect Park Lake Queens County Baisley Park Pond Kissena Park Lake Oakland Lake Saltwater Fishing Locations for The Hudson River Long Island Sound The East River Staten Island and Lower and Upper Bay Brooklyn and Upper Bay Jamaica Bay and the smaller bays east of Brooklyn and The Atlantic Ocean around New York City with a coplete set of NOAA Nautical Charts supplies with the book in a folder and opened with pdf reader programs Bronx County Saltwater Public Access Areas Northwest to east Manhattan Saltwater Hudson River Access Areas North to south Manhattan Saltwater Harlem and East River Access Areas North to south Queens Saltwater Long Island Sound Access Areas East to wast Queens County Saltwater East River Access Areas North to south Kings County Saltwater East River Access Areas North to south Staten Island
