The Culinarians David S. Shields, 2017-10-26 A first ever history of the nation's foundational culinarians the chefs caterers and restaurateurs who made cooking an art Marcie Cohen Ferris author of The Edible South In this encyclopedic history of the rise of professional cooking in America the 175 biographies include the legendary Julien founder in 1793 of America's first restaurant Boston's Restorator and Louis Diat and Oscar of the Waldorf the men most responsible for keeping the ideal of fine dining alive between the World Wars Though many of the gastronomic pioneers gathered here are less well known their diverse influence on American dining should not be overlooked plus their stories are
