

Sargent And Italy

**Lauren Braun-Strumfels, Maddalena
Marinari, Daniele Fiorentino**

Sargent And Italy:

Sargent and Italy Jane Dini, 2003 This illustrated catalogue evokes the romantic fascination with Italy that glimmers in the work of John Singer Sargent Born in Florence to American parents living abroad Sargent retained a deep and lifelong connection to Italy He found Venice particularly alluring and the city well suited to the medium in which he worked most often as one of the finest watercolorists of all time Sargent s work ranging from dramatically painted genre scenes of Italian peasants to portraits of other Anglo American expatriates and tourists including Henry James and Edith Wharton is beautifully presented in this lavish volume BOOK JACKET *Sargent and Italy* ,2008 *SCULPTORS, PAINTERS AND ITALY* Sirpa Salenius, 2009-10-21 The essays in *Sculptors Painters and Italy Italian Influence on Nineteenth Century American Art* examine the influence of Italy in the works of nineteenth century American sculptors and painters The focus is on their experience in Italy their relationship with local workmen their contact with Italian artists such as the Tuscan Macchiaioli and the impact of their Italian experience on the formation of American art The papers in the volume discuss such artists as Horatio Greenough Thomas Cole Hiram Powers Henry Kirke Brown Elihu Vedder Edmonia Lewis and John Singer Sargent The essays are written by scholars from American universities and museums and they appear in the following order Elise Madeleine Ciregna An Example in the Right Direction Horatio Greenough s Life and Work in Italy John F McGuigan Jr A Painter s Paradise Thomas Cole and His Transformative Experience in Florence 1831 1832 Rebecca Reynolds No Ordinary Hands Hiram Powers Artistic and Professionally Related Family Karen Lemmey I would just as soon be in Albany as Florence Henry Kirke Brown and the American Expatriate Colonies in Italy 1842 1846 Mary K McGuigan A Garden of Lost Opportunities Elihu Vedder in Florence 1857 1860 Marilyn Richardson Friends and Colleagues Edmonia Lewis and Her Italian Circle and Kathleen Lawrence John Singer Sargent Italy and the American Paradox *The Rise of Americanism in Italy, 1888-1919* Luca Cottini, 2025-04-01 The late nineteenth and early twentieth centuries marked a pivotal time for the United States as the nation emerged as a political and industrial powerhouse and fashioned its new value system Amid waves of emigration and evolving cultural exchanges Italy s relationship with America became a complex tapestry of admiration critique and adaptation This study of Italy s Americanism explores social debates within Italy regarding emigration the development of a Columbian narrative European reactions to the Spanish American War the impact of American products on Italian society and former US president Woodrow Wilson s military intervention and political propaganda during the First World War It highlights discussions among Italians about the implications of emigration contrasting prevailing negative views with a counter narrative from Italian journalists scholars and missionaries who visited the United States The negotiation of US imports and their incorporation into the Italian national context document the formation of a distinct American subculture and the early phases of the nation s Americanization The *Rise of Americanism in Italy* provides a unique perspective to assess the early stages of America s soft expansion as the flow of departing and returning emigrants made Italy a favourable terrain

for commercial penetration in Europe transforming an export ideology into a complex network of transatlantic relations

Great Britain, France, Italy and Germany in a Postwar World, 1945-1950 Josef Becker, Franz Knipping, 2011-11-02
No detailed description available for Great Britain France Italy and Germany in a Postwar World 1945 1950 Italy in the American Imagination Ian J. Bickerton, 2023-10-04 It is almost impossible to imagine the United States without making reference to Italy There is scarcely any aspect of American culture untouched by Italy its history art architecture fashion film music the mafia or even more viscerally its food Italy occupies a space of near mythical proportion in the American imagination When many Americans think of or dream about and imagine the good life how and where they would like to live they think most often of Italy the beauty the life style the romance the excitement and sense of adventure that Italy offers By looking at the fluid and multi dimensional imaginative interactions Americans have with Italian culture and society this comprehensive and robust volume offers a new and novel way of exploring the influence of Italy upon the United States University of New South Wales historian Ian James Bickerton argues that if we wish to understand the United States and how Americans define themselves and their nation it is vital to examine how they imagine themselves and he demonstrates that throughout U S history one of the most powerful stimulants shaping the imaginary world of Americans has been Italy

Managing Migration in Italy and the United States Lauren Braun-Strumfels, Maddalena Marinari, Daniele Fiorentino, 2023-12-31 Managing Migration in Italy and the United States shows how the development of gatekeeping in the United States and Italy laid the groundwork for immigration restriction worldwide at the turn of the twentieth century The volume brings together European and American scholars many for the first time effectively crossing national and disciplinary boundaries Using archives on both sides of the Atlantic the authors explore the rise of immigration restriction and the attendant growth of the bureaucracy to regulate migration through the lens of migration studies transnational history and diplomatic and international history The essays contribute to recent scholarship on the global repercussions of immigration restriction and the complex web of interactions created by limits on mobility Managing Migration brings to light Italy s important role in the establishment of international border controls promoted by the United States and expands the chronology of restriction from its origins to the present **Lloyd's Register of Shipping 1886** Lloyd's Register

Foundation, 1886-01-01 The Lloyd s Register of Shipping records the details of merchant vessels over 100 gross tonnes which are self propelled and sea going regardless of classification Before the time only those vessels classed by Lloyd s Register were listed Vessels are listed alphabetically by their current name Italy Italy, 2002 *The Lure of Italy* Theodore E. Stebbins, 1992 This in depth study includes 319 illustrations of which 113 are reproduced in full color many of works that have not previously been published Theodore E Stebbins Jr John Moors Cabot Curator of American Paintings at the Museum of Fine Arts Boston and Professor of Art History at Boston University provides a broad overview of the American perception of Italy and the unique role that Italy played in the formation of American art Further insights into this new area in the study

and appreciation of American art are offered in four essays by such leading art historians as William H Gerdts City University of New York Erica E Hirshler Museum of Fine Arts Boston Fred S Licht Peggy Guggenheim Museum Venice and Boston University and William L Vance Boston University Individual commentaries on each of the paintings sculpture and watercolors have been written by the curatorial staff of the Museum of Fine Arts Boston **Lloyd's Register of British and Foreign Shipping** ,1890 Library of Congress Subject Headings Library of Congress. Britain, Italy and the Origins of the Cold War E. Pedaliu,2003-10-23 Effie G H Pedaliu analyzes the British Labour government s contribution to the postwar reconstruction of Italy The book focuses on five areas the punishment of war criminality the reconstruction of the Italian armed forces the Italian elections of April 1948 and Italy s institutional role in western security arrangements and on European integrative bodies It reveals that British policy towards Italy was underpinned not only by power politics but also by moral and ideological considerations **The Foreign Office's War, 1939-41** Keith Neilson,2022 Provides a forceful corrective to the idea that Britain stood alone until the invasion of the Soviet Union and the attack on Pearl Harbor brought about the Grand Alliance Based on extensive archival research the book demonstrates that 1939 to 1941 was a period of intensive diplomatic activity by the British Foreign Office designed to ensure that Britain s potential enemies especially Soviet Russia Italy and Japan remained neutral and that its most desirable potential ally the United States remained as friendly as possible until it could be persuaded to join in the conflict The book highlights the importance of diplomacy towards neutrals for British policy considers the complexities of the situation tying together issues such as blockade and the disposition of British forces in various theatres explores decision making within the British government examining how the diplomatic considerations of the Foreign Office played into wider debates amongst ministers and senior civil servants and discusses the various courses towards neutrals including alternatives advocated within the Foreign Office Overall the book provides a rich highly nuanced view of British policy in this crucial period
