Spaghetti Westerns Aliza S. Wong, 2018-12-15 Since the silent days of cinema Westerns have been one of the most popular genres not just in the United States but around the world International filmmakers have been so taken by westerns that many directors have produced versions of their own despite lacking access to the American West Nowhere has the Western been more embraced outside of the United States than Italy In the 1960s as Hollywood heroes like John Wayne and Randolph Scott were aging Italian filmmakers were revitalizing the western securing younger American actors for their productions and also making stars of homegrown talent Movies directed and produced by Italians have been branded spaghetti westerns a genre that boasts several hundred films In *Spaghetti Westerns A Viewer's Guide* Aliza S Wong identifies the most significant westerns all italiana produced as well as the individuals who significantly contributed to the genre The author profiles such American actors as Clint Eastwood Eli Wallach and Lee Van Cleef composers including Ennio Morricone and Carlo Rustichelli and of course directors like Sergio Corbucci and Sergio Leone The most memorable movies of the genre are also examined including *Compañeros* *Django* *A Fistful of Dollars* *The Good the Bad and the Ugly* and *They Call Me Trinity* In addition to citing pivotal films and filmmakers this volume also highlights other relevant aspects of the genre including popular shooting locations subgenres like the Zapata western and the films and filmmakers who were inspired by the spaghetti western including Quentin Tarantino Richard Rodriguez and Takashi Miike An introduction to a unique homage of American cinema *Spaghetti Westerns A Viewer's Guide* allows fans and scholars alike to learn more about a genre that continues to fascinate audiences *Spaghetti Westerns--the Good, the Bad and the Violent* Thomas Weisser, 2014-03-11

Spaghetti Westerns mostly produced in Italy or by Italians but made throughout Europe were bleaker rougher grittier imitations of Hollywood Westerns focusing on heroes only slightly less evil than the villains After a main filmography covering 558 *Spaghetti Westerns* another section provides filmographies of personnel actors and actresses directors musical composers scriptwriters cinematographers Appendices provide lists of the popular *Django* films and the *Sartana* films a listing of U S made *Spaghetti Western* lookalikes top ten and twenty lists and a list of the genre's worst **10,000 Ways to Die** Alex Cox, 2009-09-01 40 years ago as a graduate student I wrote a book about *Spaghetti Westerns* called *10 000 Ways to Die* It's an embarrassing tome when I look at it now full of half assed semiotics and other attenuated academic nonsense In the intervening period I have had the interesting experience of being a film director So now when I watch these films I'm looking at them from a different perspective A professional perspective maybe I'm thinking about what the filmmakers intended how they did that shot how the director felt when his film was recut by the studio and he was creatively and financially screwed *10 000 Ways to Die* is an entirely new book about an under studied subject the *Spaghetti Western* from a director's POV Not only have these films stood the test of time some of them are very high art Alex Cox *Italian Film* John Stewart, 1994 An encyclopedic reference and filmography to the nearly 5 000 people involved in the Italian film making

industry since 1896 Each entry provides a brief biography and an account of what films each person worked in and in what capacity An annotated title index includes a listing of both the Italian and English language title versions Annotation c

The Manly Movie Guide David Everitt, Harold Schechter, 1997 In the search for quality entertainment a man must be heavily armed against the snobbery and derision of a Leonard Maltin or a Janet Maslin Here at last is a movie reference guide that doesn't look down its nose at action films but actually celebrates the genre Based on rock hard decades of macho wisdom The Manly Movie Guide is your ticket to movies that shoot first and ask if it makes sense later Yet this masterful compendium goes way beyond Arnold Sly and Bruce While it does list hundreds of your favorite films and categories The Manly Movie Guide is far more than just a collection of capsulized reviews Like the brawniest heroes this book has wit sensitivity and a real brainy heart Not to mention the guts to use them all with extreme prejudice Part movie reference part pop culture guide part humor and part homage The Manly Movie Guide is a must for film fans of every gender and testosterone level

Actors of the Spaghetti Westerns James Prickett, 2012-01-20 Musical accompaniment were jazzed up renditions that basically fit the art form like a glove with a stylish beat that usually pounded out the action as the story unfolded The music set the mood and the audiences followed Most of these films would never reach America during the era even though they were generally aimed at the American film goers The Actors who went to Italy and got involved in these lucrative new genre spinoffs all enjoyed star status recognition and glow of the limelight that came with it These are the Actors were talking about here
