Saskatchewan A Celebration:

Homesteading in the Last Best West Elaine Melby Ayre, 2022-03-30 THE AUTHOR TOOK HER GRANDFATHER JB HANSEN S memoir written before his death in the mid sixties and by augmenting it with a variety of interesting primary sources and her own personal comments she brings new life to the realities of southeastern Saskatchewan homesteading in the Rural Municipality of Souris Valley 7 in the first half of the twentieth century This will give readers of today a better understanding of everyday life in those homesteading days Many examples show changes in the forms of travel cost of living farming methods food preparation and daily activities all to help us understand this history and serve to inspire us in dealing with the problems of our day Their personal stories show they found ways to thrive and have good times in spite of the challenges of the times

Peel's Bibliography of the Canadian Prairies to 1953 Ernest Boyce Ingles, Bruce Braden Peel, Norman Merrill Distad, 2003-01-01 The Prairie Provinces cover Alberta Saskatchewan and Manitoba , *Halloween and Other Festivals of Death and Life* Jack Santino, 2025-03-14 Why do we celebrate Halloween No one gets the day off and unlike all other major holidays it has no religious or governmental affiliation A survivor of our pre Christian agrarian roots it has become one of the most popular and widely celebrated festivals on the contemporary American calendar Jack Santino has put together the first collection of essays to examine the evolution of Halloween from its Celtic origins through its adaptation into modern culture Using a wide variety of perspectives and approaches the thirteen essayists examine customs communities and material culture to reveal how Halloween has manifested itself throughout all aspects of our society to become not just a marginal survivor of a dying tradition but a thriving contemporary post industrial festival Its steadily increasing popularity despite overcommercialization and criticism is attributed to its powerful symbolism that employs both pre Christian images and concepts from popular culture to appeal to groups of all ages orientations and backgrounds However the essays in this volume also suggest that there is something ironic and unsettling about the immense popularity of a holiday whose main images are of death evil and the grotesque Halloween and other Festivals of Death and Life is a unique contribution that questions our concepts of religiosity and spirituality while contributing to our understanding of Halloween as a rich and diverse reflection of our society s past present and future identity

Prairie Fairies Valerie J. Korinek, 2018-06-26
Prairie Fairies draws upon a wealth of oral archival and cultural histories to recover the experiences of queer urban and rural people in the prairies Focusing on five major urban centres Winnipeg Saskatoon Regina Edmonton and Calgary Prairie Fairies explores the regional experiences and activism of queer men and women by looking at the community centres newsletters magazines and organizations that they created from 1930 to 1985 Challenging the preconceived narratives of queer history Valerie J Korinek argues that the LGBTIQ community has a long history in the prairie west and that its history previously marginalized or omitted deserves attention Korinek pays tribute to the prairie activists and actors who were responsible for creating spaces for socializing politicizing and organizing this community both in cities and rural areas Far from the stereotype of the isolated insular Canadian prairies of small towns and farming communities populated by faithful farm families Prairie Fairies historicizes the transformation of prairie cities and ultimately the region itself into a predominantly urban and diverse place
