Saskias Journey:

Saskia's Journey Theresa Breslin, 2011-02-28 Saskia Granton is intrigued by an invitation to visit her reclusive great aunt Alessandra who lives on the Scottish coast It s a chance to rediscover her lifelong love of the sea and to forget if only for a few weeks the boring career her parents have mapped out for her Swept immediately into the rhythm of life in a fishing community Saskia slowly begins to realize how little she really knows about her roots Somehow she needs to understand the past if she is to find the direction she needs for her future a future that may or may not include her new friend Ben Just as the sea gives up its bounty so too her great aunt must reveal the secrets of the past the terrible toll of lives lost and the very personal tragedy that left Alessandra herself so isolated Only then can Saskia break free **Saskias** Ian Berry, 2014-06-17 Richie continues to come to terms with being Saskia and the two Saskias continue to come to terms with being the SuperTwins Their friendship with James and Lydia Robinson continues to grow especially when James enlists their aid in a charity project This friendship becomes somewhat strained when the Saskias have to reveal their secret to the Robinsons But James forgives them somewhat when he gets a knighthood after their help with his affairs Saskia celebrates a birthday with an amazing birthday outing that far exceeds the expectations of all her friends and herself But this stands her in good stead when the other Saskia s school end of term production is at risk of failure Both Saskias try to help wherever they can several people being rather happier after their assistance Their trip to Florida sees them protect many people but at great personal cost to themselves *Saskia* Ian Berry, 2014-06-17 Richie is falling he s certain to be killed as he hits the bottom of the quarry he s tumbled over the edge of His life is saved by the intervention of a disembodied being he eventually comes to call a Guardian of Reality But there s a snag The voice gives him super powers so he isn t hurt by the fall Trouble is it isn t super powers like Superman it s super powers like Supergirl which comes as a bit of a shock as you might imagine Richie decides to put up with being a girl having super powers does have the odd advantage He calls himself Saskia and everything is fine until he meets the real Saskia Saskia Hunt is a real thirteen year old girl while Richie is only a pretend thirteen years old The two Saskias quickly become firm friends A friendship that survives Richie having to explain to Saskia about not actually being a girl At this point Saskia is apparently so upset that the Voice that fiddled with Richie changes her as well now there are two super girls Despite the difference in age and even in gender the two girls Richie in his form as Saskia remain best friends Now the fun begins as Saskia Chandler has to learn how to be a girl Almost the first thing that happens is a full formal evening event that sees her stuffed into a long frock and required to be a girl in front of a whole crowd of people Quite apart from this crash course in being a young girl Saskia Chandler finds that she and Saskia Hunt need to use their super powers to aid others as well as themselves They never actually discover why they ve been changed to be more than human but get the occasional inkling as the Voice gets them to do things it can t apparently do for itself This includes being shuttled around in time and space and saving the whole world twice *The Vanishing (Spoonloos)* Christina Brennan, 2025-03-10 At the 1989

Sydney Film Festival George Sluizer's little known independent film *Spoorloos* *The Vanishing* was an unexpected hit winning the festival's audience award and gaining accolades at other international film festivals *The Vanishing* has earned a reputation as a psychological thriller that shocked audiences with its unexpected twist ending This is the first book length study to examine *The Vanishing* as a film that complements and broadens generic expectations of psychological horror cinema It delves into *The Vanishing*'s production history including Sluizer's adaptation of the film screenplay from the novella *The Golden Egg* 1984 by Dutch author Tim Krabb Beyond exploring Sluizer's filmmaking style and *The Vanishing*'s place in Dutch cinema this book analyses how the film's plot themes and symbolic imagery connect it to topics prevalent in prominent sub genres of horror cinema including the serial killer sub genre that rose to prominence in the late 1980s Its themes are also echoed in contemporary films associated with arthouse cinema which are variously dubbed post horror and elevated horror The book will illuminate *The Vanishing*'s close associations with modern day cinema arguing that its particular type of psychological horror has consistently resonated with audiences in the decades since its release

The Company She Keeps Hey, Valerie, 1997-01-01 This lively and revealing study explores a sociologically invisible but important social relationship girls friendships It uncovers often suppressed school girl cultures at times representing in their most condensed and dramatic form issues of intimacy secrecy and struggle Most women have memories of and most mothers of young daughters become re immersed in these all consuming but little understood passions This taken for granted ordinary relationship is examined using girls notes talk diaries and interviews gathered by observing girls groups within city schools An important and previously ignored question is addressed by examining how girls intimacy is structured through class gender sexuality and race especially its paradoxical role in maintaining and challenging compulsory heterosexuality In this way a series of case studies analyses how girls variously come to understand and construct difference In addition this detailed analysis of girls friendship contributes to our understanding of how girls simultaneously survive their schools their families their relations and subordination to boys and men Valerie Hey returns the reader to the terrain of loss and recollection of girls pleasure and pain in their friendship and asserts the claims of the social through identifying how this is written into the cultural forms of girls relationships with each other Students of women's studies education sociology and social psychology will find this book to be an invaluable exploration of how every day obvious experience is played out as forms of subjectivity and power

Chicago Ian Berry, 2014-06-17 The Saskias are always on standby to do things only a couple of super girls can accomplish rescuing people and preventing disasters as the SuperTwins But they still have their ordinary lives to live as two young girls at least one of them is Moving house and sorting out all Richie's stuff breaks the last link between Richie and Saskia Now there is only Saskia forever Chicago is where the girls are sent to fix a problem with a stalled building project which also sees them using their super powers for themselves for a change as they visit Niagara Falls Their guide and mentor they call simply Voice sends them back to 1973 to fix something that would have had profound

effects beyond the 50th Century The same Voice is apparently happy to shunt them around in time when both the Saskias and the SuperTwins need to appear together particularly at the funeral of a policewoman Saskia is affected quite badly when she is unable to prevent Beth getting shot Despite watching one of Saskia Hunt's school friends getting married both Saskias realise they won't go down that road themselves they now have evidence to suppose they are still there and together after another thirty thousand years

Recovery Road Trip Patti Clark,2025-07-30 Part recovery journal part travel log Recovery Road Trip follows one woman's solo road trip through America after her alcoholic father's death Through chance encounters she creates inspiration for those seeking to overcome addiction and find their path Meg thought giving up alcohol would lead her to a life of comfort wisdom and happiness Years later she still hasn't gotten there What is it that she's missing When her father a raging alcoholic himself dies Meg an only child has to fly to California from her home in New Zealand to clean up the mess that was his life Once done left with her father's car and a few thousand dollars she decides to take some time for herself embark on a solo trip across the US that she dubs her Recovery Road Trip She has no idea that this one decision will change her world forever As Meg travels from state to state making new friends and having meaningful encounters with strangers she discovers the person she buried long ago as well as the freedom and creativity she once found elusive and finally begins to feel that sense of serenity and joy she's been seeking Part recovery journal part travel log and part woman's search for self Recovery Road Trip takes readers on an odyssey across America and into a recovering women's exploration for meaning

The Naked Truth of Unexplained Infertility Saskia Röell,2023-06-13 Saskia has identified a profound connection between subconscious fear negative beliefs and unexplained infertility She has chosen to share them to inspire women who have almost given up hope She has written this book to explain how to achieve a mind body connection that can result in successful conception The book explores unspoken fears related to conception how to reverse negative thinking how to build safety in the body and the importance of a personal connection to your womb The book also covers advanced techniques such as talking to your unborn baby Saskia's process for recovering from miscarriage she has had three how to share the conception journey with your partner and the importance of motherhood as part of your larger soul's purpose In The Naked Truth of Unexplained Infertility you will discover surprising stories about fears behaviors and attitudes that can negatively impact fertility The book explores new territory in the fertility journey and explains the number one reason for unexplained infertility assuming that there is no underlying physical issue The stories show the many different ways that Saskia's work can bring about the joy of conception for women diagnosed with unexplained infertility

The Twins Ian Berry,2014-06-17 The Saskias Saskia Chandler and Saskia Hunt lead double lives Quite apart from being ordinary young girls holding down ordinary jobs they are also the super powerful SuperTwins and the jobs they manage to hold down while being the twins are decidedly not ordinary Impossible things for the Air Force and fixing problems with tangled timelines in the past are all in a day's work for Kyra and Katya This ability to travel in time with a little help from Voice their disembodied

guide and mentor comes in useful when they become involved with the security services and an assassination attempt Throughout all this they attempt to lead normal lives although Saskia Chandler is decidedly not a normal girl The girls eventually come to the conclusion that far from being Richie as she began her life she s always been Saskia which appears a little odd but makes perfect sense to them **Ermentrude's Knot** Candi J. D. Holme,2013-02 When Ermentrude a young Gothic woman leaves home to gain her independence she enters a world of perilous events romance and adventure Caught between her love of exploring Middle Earth and the love for her family Ermentrude struggles with the dangers of life around 175 C E Ermentrude is faced with difficult decisions that will determine her future *The Saskiad* Brian Hall,2021-02-23 A novel wise in the complexities of adolescence and the human heart The Washington Post Longing to escape the rundown commune outside of Ithaca New York where she lives with her organic farmer mother assorted half siblings and a cow named Marilyn the precociously well read Saskia White twelve imagines herself as the noble contemporary of Odysseus Marco Polo and Horatio Hornblower But Saskia s elaborate fantasies are soon upstaged by her real life long lost father who leads Saskia and her best friend Jane on a camping trip that turns into an epic adventure of love sex and lies Saskia is as unforgettable as her own heroes a young girl whose story resonates with a rare and joyous sense of life and discovery **The Apartment** Greg Baxter,2013-12-03 A powerful and elegant debut novel about love memory exile and war One snowy December morning in an old European city an American man leaves his shabby hotel to meet a local woman who has agreed to help him search for an apartment to rent The Apartment follows the couple across a blurry illogical and frozen city into a past the man is hoping to forget and leaves them at the doorstep of an uncertain future their cityscape punctuated by the man s lingering memories of time spent in Iraq and the life he abandoned in the United States Contained within the details of this day is a complex meditation on America s relationship with the rest of the world an unflinching glimpse at the permanence of guilt and despair and an exploration into our desire to cure violence with violence A novel about how our relationships to others and most importantly to ourselves alters how we see the world The Apartment perfectly captures the peculiarity and excitement of being a stranger in a strange city Written in an affecting and intimate tone that gradually expands in scope intensity poetry and drama Greg Baxter s clear eyed first novel tells the intriguing story of these two people on this single day Both beguiling and raw in its observations and language The Apartment is a crisp novel with enormous range that offers profound and unexpected wisdom **Art and the Artist in Society** Jane Elizabeth Alberdeston,Elsa Luciano Feal,José Jiménez-Justiniano,2013-07-16 Art and Artist in Society is a compilation of essays that examine the nexus between artists the art they create and society These essays consider how art has changed its form and role both to accommodate newer trends and to fully participate in society Divided into six thematic sections the book examines the works of a diverse group of artists working in a range of art forms such as writers Milan Kundera and Judith Ortiz Cofer filmmakers Humberto Sol s and Walter Salles performers photographer Daniel Joseph Mart nez and feminist activists Suzanne Lacy and Leslie Labowitz The

analyses of the work of these artists and other artists offer readers an opportunity to explore a number of important issues in art today such as the representation of the Other the exploration of alternative sources of knowledge and the construction of the self For the array of works it analyzes this book offers fascinating insights into the art and the artists of the 20th and 21st centuries **Rio** Ian Berry,2014-06-17 Rio is a schoolgirl a schoolgirl who can hear what other people are thinking This can lead her into all sorts of situations such as doing jobs for the Air Force and preventing stuff being blown up by bombs It can also lead her into a whole lot of trouble when together with her best friend Jennie she gets kidnapped and very nearly killed Luckily she has friends in high places at least when they fly The SuperTwins are needed several times to extract her from the problems she gets into She gets to find out all kinds of secrets one of which is just about the biggest secret of them all a secret which leads her into the strangest adventure of all

BACK PLENTY Charity Ian Berry,2014-06-17 What do you do if you want your Charity Ball to go without a hitch You get Saskia and Saskia to organise it for you The Ball itself will go without a hitch probably but getting there is far from straightforward Yet another person discovers that the Saskias and the SuperTwins are the same people but her response to the revelation surprises the girls Sir James gets himself into a spot of bother but is easily extracted by the twins who then have to work quite hard to preserve their secret Saskia discovers she has a maternal instinct despite not really being a girl which gives her a lot to think about Having super powers AND being able to move in time proves useful when the plant next door is devastated by a huge explosion the girls end up doing the whole day twice Moving in time is getting to be routine as the girls are shifted back to 1757 to fix a problem with the timeline A visit to the Russian plant sees Saskia changing to be James in case he gets shot which is fine until this actually happens and Saskia doesn't have super powers while she's being James The girls are getting used to moving in time but encounter a problem when time itself goes screwy and they get shunted sideways into a reality that has no future and no real past

America Ian Berry,2014-07-02 The Saskias Saskia Chandler and Saskia Hunt are off on holiday to America But before they go they have a few things to attend to both as the SuperTwins Kyra and Katya and as themselves Saskia Chandler discovers she needs to use the knowledge and experience gained when she was still Richie and worked in IT to unravel a mystery involving robberies from ATM machines Saskia Hunt seems to have come to terms with just exactly who Saskia Chandler actually is now it's just up to Saskia Chandler to come to terms with that for herself The Twins find themselves shunted backwards and forwards in time sometimes only a little way sometimes hundreds of years and once into a timeline that has no beginning and no end Despite trips to the Moon and to Houston this time with Rio to assist them eventually they get to go on their holiday But they find they still need to use their super powers as they get dragged back to Britain to prevent the whole of South East England becoming an uninhabitable wasteland Perhaps the strangest thing of all happens in Chicago when they meet two men who were deadly enemies in the nineteen twenties But there's a problem they have no means of returning to their own time
