**Removing Rebellion's Roots** Olan Stubbs, 2025-04-18 All people deal with intrusive thoughts at times All of us have some practices in our lives we are not proud of Many would call these struggles sins Why are there thoughts and deeds we hate yet that recur so often in our lives The Bible teaches there is a real supernatural source behind these thoughts and deeds Satan is real but so is God God's word has all the truth and power we need to set us free from the influence of sin and Satan Satan will use the events of our personal lives to convince us that lies are true He is very convincing He will lie to us about God about ourselves about the gospel and about all of life He roots his lies in enough truth to make them very believable Discerning them is not always easy Satan is very crafty shrewd and subtle God's word and Spirit are able to give us all that we need to take each sinful thought captive Further God supplies the truth that must replace Satan's lies God's truth is the foundation for a holy life God's truth is the pure substance we need to replace the roots of our sinful practices

**The Unshakeable Truth** Dr. Steven Catalano, 2019-10-28 The Unshakable Truth is a nondenominational Christian guide to inner peace based on true biblical facts A system of cross referencing is used to quote multiple scriptures to provide the believer with the truth in God's instruction from His written Word With divine inspiration I clarify all the confusion to the questions asked Was Jesus Christ the Son of God Is there really the Trinity Is there only one God As Christians today are we expected to live under the Ten Commandments or abide in the blood covenant of Jesus Christ crucified Do Christians of today live by sight or faith What does it mean to live in faith love and blood and fear Is there really a history and message of the cross or is it just a shocking

holy thing I have answered these questions and more through biblical facts and revelation from God I can tell you that God does have a prescribed order for Christian living today and that God spoke to Jesus and that there is only one God and none like God

**Edgelands: A Collection of Monstrous Geographies** Erin Vander Wall, 2019-01-04 This volume was first published by Inter Disciplinary Press in 2016 We are captivated by the monstrous The monstrous encapsulates a variety of emotions actions behaviors and responses In general usage it draws attention to the physicality of bodies the fear and repulsion that have so often driven societal response and the marginal status of those defined by such terms Monstrous geographies draw on the unease and uncanniness at the core of the monstrous while shifting the consideration from bodies to places and spaces away from corporeality and toward the sites or landscapes within which bodies move away from the monstrous form of a creature like the Yeti and toward the environment in which the Yeti thrives an environment that must be monstrous to produce and sustain such a being Considering such geographies allows for a nuanced understanding of the places both real and imagined subtle and fantastic that make up our world

**Short Life** Michael Edward Nichols, 2020-08-04 The theme of Short Life is the brevity of life developed through several transparent stories from the life of Michael Edward Nichols Most people want to live a meaningful life but many end up living mundane routine lives that seem to have no purpose Many want to live well but lack the motivation to get started Short Life aims to awaken every person to realize their time on earth is short and give practical tips on how to redeem the time the Lord has given those on earth Michael Edward Nichols discovered the truth that focusing on one's own death can teach them how to live Since the quality of his life has been dramatically impacted by the realization that life is very short Michael's goal is to be a catalyst for transformation in other people's lives from inside out Part one of Short Life focuses on inner thoughts and attitudes Part two concentrates more on outward behavior and relationships The counter cultural premise of Short Life challenges readers to actually think about his or her death as much as possible Surprisingly rather than causing one to become morbid or depressed thinking about one's own death actually unleashes the power to live an authentic full life
