AVOIDING SATANIC TRAPS

Satan Trap

Elder William D. Holmes

Satan Trap:

God's Man/Satan's Trap Edward Russell Skane, 1984 *Learning to Stand Against the Attacks of Satan* Kenneth D. Reed Sr, 2012-08 Satan has caused some believers to lower their standards and to place limitations on life by influencing them to think they can't do any better. This book was written to be your weapon of resources to learn to stand against the attacks of Satan. Jesus states in John 10:10 that the thief cometh not but for to steal and to kill and to destroy. And to counter that Jesus says I am come that they might have life and that they might have it more abundantly. Satan doesn't want to see you living in abundance and he doesn't want to see you walking upright with the Lord. He comes to steal your riches, kill your inheritance and destroy your faith in God. But you can walk in the abundant life God intended. You can fight and win. It's time to gather your weapons. Your greatest arsenal is to stand on the true word of God.

The Satan Trap Martin Ebon, 1976 A young woman seeks counsel from a medium and becomes a victim of the guru syndrome, total dependence upon the psychic that leads to terrifying consequences when she tries to break away. Another trying to advance mind control finds horror and degradation in a Manson-like coven. A seemingly innocent Ouija board experiment leads to possession by an unknown destructive entity. These experiences are not movie scenarios or sensational newspaper headlines but documented cases of people whose innocent fascination with psychic phenomena led them into a world where they discovered too late they had become victims of menacing forces beyond their control. In this collection of twenty-five articles, some of which originally appeared in such journals as *Tomorrow*, *Spiritual Frontiers* and *Psychic* magazine, leading parapsychologists, psychiatrists and psychologists, researchers and writers tell from direct personal experience of the terrifying dangers of overinvolvement with the occult. Here these widely recognized authorities warn of the all too real hold that extrasensory perception, automatism, reincarnation, telepathy, psychokinesis and out of body experiences can come to exert over people who have too carelessly or too eagerly become involved with psychic cults. In recent years, increasing numbers of people have been lured into paralyzing encounters with the occult. *The Satan Trap* reveals the omnipotence of psychic forces and the very real perils of unsupervised experimentation with them, front and back flaps.

The Traps That Satan Laid Danica Ked, 2017-09-29 Have you ever fallen into a trap laid by the devil? The truth is that all of us have at some point fallen victim to the devil's schemes, so how can we better protect ourselves? How can we recognise the temptations and deceit of Satan so that we can be prepared to ward off his advances and stand courageous and faithful with God? The Traps that Satan Laid: Overcoming the Devil and Other Demons with the Power of Jesus Christ will help you understand how to recognize some of the traps laid by Satan and it shows how one woman had fallen into his traps time after time again, that is until God personally rescued her and set her free. Christianity in Crisis Hank Hanegraaff,2012-06-18 Nearly two decades ago Hank Hanegraaff s award winning *Christianity in Crisis* alerted the world to the dangers of a cultic movement within Christianity that threatened to undermine the very foundation of biblical faith But in the 21st century there are new dangers new teachers who threaten to do more damage than the last These are not obscure teachers that Hanegraaff unmasks We know their names We have seen their faces sat in their churches and heard them shamelessly preach and promote the false pretexts of a give to get gospel They are virtual rock stars who command the attention of presidential candidates and media moguls Through make believe miracles urban legends counterfeit Christs and twisted theological reasoning they peddle an occult brand of metaphysics that continues to shipwreck the faith of millions around the globe God cannot do anything in this earthly realm unless we give Him permission Keep saying it I have equality with God talk yourself into it Being poor is a sin The Jews were not rejecting Jesus as Messiah it was Jesus who was refusing to be the Messiah to the Jews You create your own world the same way God creates His He speaks and things happen you speak and they happen *Christianity in Crisis* 21st Century exposes darkness to light pointing us back to a Christianity centered in Christ From the Preface Having lost the ability to think biblically postmodern Christians are being transformed from cultural change agents and initiators into cultural conformists and imitators Pop culture beckons and postmodern Christians have taken the bait As a result the biblical model of faith has given way to an increasingly bizarre array of fads and formulas
