Shepherd shares how God's Spirit can guide, lead and empower every believer *Spiritual Warfare* Brian Borgman, Robert Ventura, 2014-01-10 Too often Christians today either sensationalize the subject of spiritual warfare by obsessing over demon possession, exorcisms, binding the devil and rebuking demons, or they minimize the idea and are unprepared for the real struggle they face against principalities and powers. Pastors Brian Borgman and Rob Ventura provide a balanced approach that exposes the fictions and superstitions surrounding this vital doctrine and at the same time reveal the unseen realities of this struggle. Basing their battle plan on Ephesians 6:10-20, the authors give an overview of the battle, a guide to the armor God gives us, and instruction regarding the vital wartime disciplines of prayer and proclamation of the Word. By learning to think biblically about this subject, Christians are enabled to deflect the blows of their adversary, fight sin, and live God-glorifying lives as followers of Jesus.

Angels Knofel Staton, Leonard Thompson, 2005 *The Gospel According to Satan* Jared C. Wilson, 2020-01-14 Not every lie sounds untrue. Some lies are repeated so often they seem to be common sense. That's why lies about God are so dangerous. *The Gospel According to Satan* examines eight lies the enemy wants us to believe and provides eight lines of counterattack against them. The lies include: God just wants you to be happy; you only live once; you need to live your truth and just let go; and let God. Jared C. Wilson reveals why these lies appeal to us, shows how they harm us, and provides ways to counteract them. We can renounce Satan's counterfeit gospel, but first we must see it for what it is. Enumerates the major ways the Devil uses his cunning and calculating ways of luring us off the narrow road of God's grace. We will all do well to read this book and confront the lies we are being sold.

Kyle Idleman, senior pastor of Southeast Christian Church and author of *Not a Fan and Don't Give Up*, a unique, compelling and even witty look at the devil's current greatest hits, lies we urgently need to unmask. Sam Allberry, speaker for Ravi Zacharias International Ministries and author of *7 Myths About Singleness* and *Why Does God Care Who I Sleep With?* One of the most thought-provoking writers in the Christian world today. He doesn't just describe the tantalizing falsehoods of our age; he exposes how they've slithered into our hearts.

Matt Smethurst, managing editor at The Gospel Coalition and author of *Before You Open Your Bible* **Biblical Demonology: A Scriptural Survey of Demons and Spirits** Richie Cooley, 2018-03-19 The news regularly carries sad reports of bizarre exorcism rituals where awful abuses have taken place. Moreover, interest in the demonic is growing very quickly throughout popular culture. What does the Bible actually have to say about demons? Come join me as I explore this question from a fundamental Christian perspective. This is the new, updated version.

Standing Strong John MacArthur, Jr., 2012-07-01 Spiritual warfare is a divisive subject for today's church Some Christians focus solely on the immediate world around them living as if there's no spiritual opposition to God's people and His kingdom Others take an aggressive stance where confronting the enemy becomes a constant pursuit in their lives John MacArthur believes the truth is found between these extremes Standing Strong offers a balanced biblically sound approach to spiritual warfare in the life of a believer A trusted and renowned pastor and author MacArthur examines key scriptures to debunk modern fallacies define true spiritual warfare and share what that looks like for believers today Throughout you'll be encouraged and

equipped to stand strong in the face of every spiritual challenge Standing Strong includes a guide for both personal and group study which features discovery questions suggestions for prayer and activities all designed to connect life changing truths with everyday living 2 Peter Harry Uprichard,2022-08-03 Peter s second letter is about growing in Christ amid false teaching so that Christ s character will be reflected in our lives Peter begins by explaining true knowledge of God It is a saving growing fruitful assured and remembered knowledge The source of this true knowledge of God is Scripture Scripture comes from God Men spoke from God carried along by the Holy Spirit Peter next contrasts false knowledge of God with true knowledge of God There are false teachers among the churches Peter addresses whose precursors are the false prophets of the Old Testament Arrogance sensuality and emptiness characterize these false teachers They not only deny the truth but also live immoral lives False knowledge of God leads nowhere but to God s condemnation and to eternal death Peter finally writes of practical knowledge of God He recalls the predictions of the prophets and the commandment of their Lord and Saviour through the apostles Practical knowledge of God produces godly living assures that God fulfils all his promises in Scripture and confirms growth in grace and knowledge of our Lord Jesus Christ All of this is possible through Scripture Let s together see how Peter explains in detail how to grow in Christ amid false teaching **New Dictionary of Christian Ethics & Pastoral Theology** David J. Atkinson,David F. Field,Arthur F. Holmes,Oliver O'Donovan,2013-11-21 Encompassing a wide range of topics from the timely health care and business ethics to the traditional atonement suffering and the kingdom of God this work features an easy to use reference system and eighteen articles that introduce readers to key themes in moral pastoral and practical theology Edited by David J Atkinson and David F Field with consulting editors Arthur Holmes and Oliver O Donovan **The Triumph of Christ in African Perspective** Keith Ferdinando,1999 Between Horror and Hope is a study of Paul s metaphorical language of death in Romans 6 1 11 The scholarly debate focuses on two main issues the origin of the commentatio mortis tradition and its development Dr Sabou argues that the origin of this terminology is original to Paul that it was the apostle s own insight into the meaning of Christ s death a death to sin and his understanding of the identity of Christ in his death as the anointed davidic king which guided him to create this metaphor of dying to sin as a way of describing the relationship of the believer with sin On the development of this language of death the author argues that this language conveys two aspects horror and hope The first is discussed in the context of crucifixion in which Paul explains the believer s death to sin by presenting Christ s death as the death of the anointed davidic king who won the victory over sin and death by rising from the dead Paul affirms that believers are coalesced with what was proclaimed about Christ s death and resurrection thereby allowing him to assert that the releasing of the body from the power of sin is a result of crucifixion This crucifixion is the condemnation inflicted on our past lives in the age inaugurated by Adam s sin and this is such a horrible event that believers have to stay away from sin since sin leads to such punishment In contrast hope is presented in the context of burial The believers burial with Christ points to the fact that they are part of Christ s family and

this is accomplished by the overwhelming action of God by which he pushes us toward the event of Christ's death an act pictured in baptism It is this burial with Christ that allows believers to share with Christ in newness of life
