she wanted to honor him by the family wearing those colors since he would not be here to walk her down the aisle My father felt like this was his time to shine He didn t have to shine that much to make us go viral We were embarrassed We had just seen Kobe and his daughter buried the day before I was grateful for the tribute they gave to all nine lives that were lost Everyone was watching at the airport We were delayed due to the fog After watching the funeral no one complained about the fog again I flew all the way from St Louis I couldn t miss my uncle s funeral Who would have thought the world would shut down five weeks later I say God is trying to tell us all something With me being six months pregnant and bleeding for five of those six months I believed it would be a double funeral God said You both shall live yet the devil was trying to take me out I believe in my heart that this book will show you that no matter your skin color we are the same Even if your faith is paper thin this book is for you Religion shouldn t be anyone s cup of tea Even in the COVID pandemic Jesus has never left us nor forsaken us His blood is why we breathe Now that s love That should be our cup of tea Not religion

bitter and angry could God really have a master plan for my life and my children God used me to show my children that despite the struggles of this life s journey if you trust and believe in God you will receive VICTORY at the end of your journey However you must stay focused on the Lord remain faithful and be patient If you take a stand wait on the Lord and allow your choices and decisions to be pleasing to the Lord you will come out victoriously **Removing Rebellion's Roots** Olan Stubbs,2025-04-18 All people deal with intrusive thoughts at times All of us have some practices in our lives we are not proud of Many would call these struggles sins Why are there thoughts and deeds we hate yet that recur so often in our lives The Bible teaches there is a real supernatural source behind these thoughts and deeds Satan is real but so is God God s word has all the truth and power we need to set us free from the influence of sin and Satan Satan will use the events of our personal lives to convince us that lies are true He is very convincing He will lie to us about God about ourselves about the gospel and about all of life He roots his lies in enough truth to make them very believable Discerning them is not always easy Satan is very crafty shrewd and subtle God s word and Spirit are able to give us all that we need to take each sinful thought captive Further God supplies the truth that must replace Satan s lies God s truth is the foundation for a holy life God s truth is the pure substance we need to replace the roots of our sinful practices **The Wrath of the Lamb!** Stanley O.
