The Secret Is Out: God's Truth Vs Satan's Doctrine Innocent Nangoma,2020-04-16 Once upon a time a man named Godfrey White took it on himself to read the whole bible to determine its validity Unfortunately he could not understand it This upset Godfrey White because he saw the positive impact it had done on other lives and wanted to know more about this One God so that it could impact his life too Mr White was extremely irritated by the bible because when he read it he felt like it was judging him so he felt unworthy of it Mr White would spend hours on hours during the day trying to figure out what God s love was all about but felt it was too overwhelming to take in He would sometimes read it before bed but found the stories as fictional and boring He did his best to study it and maybe understand who God was but failed to do so Therefore Godfrey White placed the book in his closet where all the other books he had finished reading were He continued on with his life but everyday he would hear a voice calling to him Do you wish to know the truth He was not sure where the voice was coming from so he ignored it But the more he ignored it the louder the voice got Godfrey White soon began to lose his mind because the voice would not go away so one day when he was alone in his room he spoke back to the voice Who is it that is speaking Am I going crazy What is the truth It was at that moment when the voice spoke back to him saying I heard you were searching for me so I called back to you but you ignored me Go to your closet and find that book you have failed to understand and I will guide you to the truth Today the gospel shall be revealed to you and you shall not only receive truth but a relationship with me TheSecretIsOut

Satan's Caravan Grace Conlon,2005-06 Satan s Caravan a Victory over the Adversary is an action packed story of a young boy orphaned on the prairie during the turbulent pioneer movement of the mid 1800 s It is a novel of historical fiction based in part on the Mountain Meadows Massacre of 1857 The boy is befriended by an unlikely hero a middle aged Boston schoolteacher who is running away from tragic events in his own life In joining a wagon train of misfits they are caught up in a daily struggle to survive Along the way the pioneers barely escape the murderous intentions of rogues with their party lose

some members during a flash flood and cope with the constant threat of Indian ambushes culminating in a savage attack and massacre when they reach the territory that is now the state of Utah The Indian attackers in Satan s Caravan as is recorded in history of the region were joined by members of the Mormon Church The author delineates the unsettled state of society which explains how such a massacre might have taken place Satan s Caravan does not propose that this wagon train was the one ambushed in the mountain meadow but rather that the unsavory nature of some western bound pioneers and their behavior toward the earlier settlers may have pushed the situation beyond the limits of human decency

Precious Remedies against Satan's Devices, or, Salve for believers and unbelievers sores, etc Thomas Brooks,1799 *The Satanic Epic* Neil

Forsyth,2009-01-10 The Satan of Paradise Lost has fascinated generations of readers This book attempts to explain how and why Milton s Satan is so seductive It reasserts the importance of Satan against those who would minimize the poem s sympathy for the devil and thereby make Milton orthodox Neil Forsyth argues that William Blake got it right when he called Milton a true poet because he was of the Devils party even though he set out to justify the ways of God to men In seeking to learn why Satan is so alluring Forsyth ranges over diverse topics from the origins of evil and the relevance of witchcraft to the status of the poetic narrator the epic tradition the nature of love between the sexes and seventeenth century astronomy He considers each of these as Milton introduces them as Satanic subjects Satan emerges as the main challenge to Christian belief It is Satan who questions and wonders and denounces He is the great doubter who gives voice to many of the arguments that Christianity has provoked from within and without And by rooting his Satanic reading of Paradise Lost in Biblical and other sources Forsyth retrieves not only an attractive and heroic Satan but a Milton whose heretical energies are

Forever Judy Browne, 2016-06-25 This book was given birth in the spirit realm after many years of spiritual battle with satanists who cursed me and thought my destiny was over The Holy Spirit prompted me to study the significance and meaning of colours and numbers in the Bible and how to use them in spiritual warfare This book exposes the activities of colour therapy by satanists marine agents false prophets and prophetesses who lead innocent souls to worship Satan through colours On their altars their priests wear red black and white outfits to worship Satan These are the spiritual colours of Satan Recognize and discover the power of queen of heaven and queen of the coast and the destructive power that these principalities have on Christian churches today these enemy of the cross have destroyed so many great destinies This book outlines how to discern spirits how one hears from God how to recognize the false teachings in religious churches and how to pray and destroy their demonic influence on ones life Discover how satanists false prophets and prophetess go into evil covenant relationships with church members and partners of their congregation Through these evil covenants evil soul ties are established by satanist and these satanists are able to manipulate and control souls forever This book will enable the reader to pray against all forms of evil covenants and evil soul ties and with the prayers in this book overcome Satan and his demons and proclaim Satan has fallen under my feet forever **Satan's Realm** Edgar C. Blum, 1899 **The Expulsion of**

Adam and Eve from Heaven According to The Devil Bedrettin Simsek, 2020-11-27 An extraordinary story of how God created the universe according to the devil A unique example of literary archaeology by Bedrettin Simsek which can only be compared to the Gospel of Judas A different ironic take on the world's oldest story which tells us about the secret life of the devil in a satirical tone A novel that recreates the stylized unmistakable tone of the Gnostics adorned with metaphors presenting the richness of images in an economical language Not only does it have deep meanings but it can also be funny The story of Adam and Eve has been told countless times by different authors It was all like a repetition of what was said in the holy books But this time the roles are changed the role of Jesus is taken by the devil who imitates his style speaks just like him performs miracles but somehow cannot be crucified Like Judas Iscariot who wanted to regain his reputation in the newly discovered Gospel of Judas the Devil who is always accused but never allowed to defend himself presents us with his own Bible in this work He tells us the truth from his own perspective and shows the courage to go against God and say No that's not what happened this is what happened In this way while it becomes clear after centuries why God placed a prohibition and

why this prohibition was violated the devil himself answers the questions left unanswered by the holy books and the prophets For those who miss true literature of intellectual value **Uncovering the Devil's Hiding-Places** Ron Craig,2019-06-17 Many erroneous concepts and practices inhabit this old world and even the church world This book exposes a lot of them And of course if it is erroneous then the devil is behind it for he is a liar and the father of lies and liars Which makes this book a very timely work God is the same as He has always been so is the devil so is lost mankind so is religion The outward appearances may be different in these modern times but underneath the devil lost man and even religion are basically the same as they have been in every generation The main truth this book emphasizes is that Satan is a diabolical character but a shrewd one requiring that he hide behind people institutions ideas and concepts that come across as genuine and on the up and up Why would Satan have to hide his actions and purposes if they were the right kind of actions and purposes The reader may be surprised and perhaps even shocked at some of the places the devil hides behind Read and find out Satan's Devices exposed Samuel WEIR,1868 **Wisdom Versus Satan on the Stage of Time. [A Poem.]** By "Elijah, the Prophet," Etc ,1871 *Precious Remedies Against Satan's Devices* Thomas Brooks,1735 **A Divine Revelation of Satan's Deceptions** Mary K. Baxter,2015-06-15 In 1976 Jesus took Mary K Baxter on a spiritual journey for thirty nights to witness the torments of hell charging her to reveal the terrible reality of God s judgment and to relate the urgent message of salvation through Jesus Christ Mary wrote about her journey to hell in her best selling book A Divine Revelation of Hell which has sold more than 1 3 million copies After those thirty nights Jesus told Mary I will close up your mind and you will not remember some of the things I have shown and told you But I will reopen your mind and bring back your understanding in the latter days Then I will open up your remembrance Recently God has brought back to Mary s remembrance many of those experiences because these revelations are particularly for our day A Divine Revelation of Satan s Deceptions contains new images of hell that Mary has not related in her other books as well as crucial insights into the deceptions Satan uses to destroy people and the tactics he employs to defeat believers God has given His people anointings gifts and resources to build His kingdom that Satan has stolen and is holding captive in hell This book reveals how we can use various keys to the kingdom to restore these blessings and to destroy the powers of darkness Our choice is between allowing Satan to deceive and rob us or claiming our spiritual inheritance and conquering the enemy in the power of God
