**Saturn in Transit** Erin Sullivan, 2000-10-15 An elegant guide to working with Saturn energy in your life by the author of The Astrology of Midlife and Aging FindAnAstrologer.com Saturn in Transit reveals Saturn's useful and developmental influence in our lives. Erin Sullivan gives a thorough account of the astrology mythology and psychology of Saturn's role as the source of divine discontent. Saturn assists the modern hero and heroine during its transit around the zodiac by destroying the old and outmoded within and throwing us periodically into chaos which invariably generates a creative transformation of purpose in our lives. One of the very best books on Saturn, great insights. Sullivan draws extensively on depth psychology and classical mythology to portray Saturn's developmental influence on our lives. The Tim Burness Blog I highly recommend this book. In fact, it has informed many aspects of my own practice and is a go-to book when preparing clients' charts. Without a doubt, this is a must-have book in your astrological library. Ask Astrology A very good book on Saturn cycles soulhealing.com

Saturn in Signs and Houses 12andus Astrology,2025-03-27 This book offers detailed interpretations of Saturn s influence in the signs and houses covering all 144 possible combinations It explores the fundamental question How does my Saturn s sign and house shape my discipline and approach to responsibility A sample reading With Saturn in Capricorn in your seventh house you re the type who likes to keep things orderly especially when it comes to relationships You re like the conductor of an orchestra where every instrument is a different aspect of your life and you re there on the podium baton in hand making sure everything is in harmony Saturn in Capricorn is like a strict school principal It s all about discipline responsibility and structure Now put that principal in the seventh house of relationships and you ve got someone who takes their partnerships very seriously You re not the type to flit from one relationship to another No you re in it for the long haul You re the tortoise in the race of love steadily plodding along and while it might take you a while to cross the finish line you re more likely to get there in one piece Your approach to responsibility in relationships is like a well organized closet Everything has its place and there s a place for everything You re not one for dramatic love affairs filled with fiery passion and tearful breakups You prefer a more steady reliable kind of love You re the kind of person who shows their love by making sure the bills are paid on time and the fridge is always stocked It might not be the stuff of romance novels but hey who needs roses when you ve got a partner who never forgets to take out the trash But just because you re all about discipline and responsibility it doesn t mean you re a stick in the mud You ve got a dry sense of humor that comes out at the most unexpected times often leaving people in stitches You might be the tortoise in the race of love but you re also the tortoise who knows how to crack a joke making the journey a lot more fun While Saturn in Capricorn in your seventh house might make you seem like a serious no nonsense kind of person you ve got a lot more going on beneath the surface Your approach to relationships might be more practical than passionate but in the end isn t that what makes a relationship last
