Andrew Lang

Savage Systems:

FCC Record United States. Federal Communications Commission, 2002 *Judaising Movements* Tudor Parfitt, Emanuela Semi, 2013-12-16 The history of Judaising movements has been largely ignored by historians of religion This volume analyzes the interplay between colonialism a Judaism not traditionally viewed as proselytising but which at certain points was struggling to heed the Prophets and become a light unto the Gentiles and the attraction for many different peoples of the rooted historicity of Judaism and by the symbolic appropriation of Jewish suffering This book will look at the role of colonialism in the development of Judaising movements throughout the world including New Zealand Japan India Burma and Africa Particular attention will be paid to the Lemba tribe of Southern Africa A remarkable parallel movement in 1930s Southern Italy will also be dealt with The history of the converts of San Nicandro is seen in the context of currents of Jewish universalism messianism and Zionism Gender issues are also discussed here as the converted women assumed powers they had not hitherto enjoyed **Army RD & A.** , 1995 Professional publication of the RD A community **The Making of**

Religion Andrew Lang, 1900 The modern Science of the History of Religion has attained conclusions which already possess an air of being firmly established These conclusions may be briefly stated thus Man derived the conception of spirit or soul from his reflections on the phenomena of sleep dreams death shadow and from the experiences of trance and hallucination

Nuclear Science Abstracts , 1962 NSA is a comprehensive collection of international nuclear science and technology literature for the period 1948 through 1976 pre dating the prestigious INIS database which began in 1970 NSA existed as a printed product Volumes 1 33 initially created by DOE s predecessor the U S Atomic Energy Commission AEC NSA includes citations to scientific and technical reports from the AEC the U S Energy Research and Development Administration and its contractors plus other agencies and international organizations universities and industrial and research organizations References to books conference proceedings papers patents dissertations engineering drawings and journal articles from worldwide sources are also included Abstracts and full text are provided if available *The Making of Religion* Andrew

Lang, 1995 **Topographies of African Spirituality** Afe Adogame, Ebenezer Obadare, Wale Adebani, 2025-01-31 This book explores African spirituality inside and outside of religion investigating African traditions and perceptions in the study of spirituality across Africa and the African diaspora It provides an interdisciplinary reflection on key issues in the field and sheds light on everyday experiences In particular the volume celebrates the work and mentorship of Professor Jacob K Olupona a leading figure in the study of African spiritualities religions in Africa and methodological approaches to the study of religion With chapters by an impressive range of scholars from institutions across Africa Europe and North America this book makes a valuable empirical and theoretical contribution to the development of African religious studies The Open Access version of this book available at <http://www.taylorfrancis.com> has been made available under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4 0 license **Decision Making and Change in Human**

Affairs H. Jungermann,G. De Zeeuw,2012-12-06 It is only just recently that people have the tools to judge how well they are doing when making decisions These tools were conceptualized in the seventeenth century Since then many people have worked to sharpen the concepts and to explore how these can be applied further The problems of decision making and the theory developed correspondingly have drawn the interest of mathematicians psychologists statisticians economists philosophers organizational experts sociologists not only for their general relevance but also for a more intrinsic fascination There are quite a few institutionalized activities to disseminate results and stimulate research in decision making For about a decade now a European organizational structure centered mainly around the psychological interest in decision making There have been conferences in Hamburg Amsterdam Uxbridge Rome and Darmstadt Conference papers have been partly published The organization has thus stabilized and its relatively long history makes it interesting to see what kind of developments occurred within the area of interest Black Jews in Africa and the Americas Tudor Parfitt,2013-02-04 Parfitt explains how many African peoples came to think of themselves as descendants of the ancient tribes of Israel Pursuing medieval and modern race narratives over a millennium in which Jews were cast as black and black Africans were cast as Jews he reveals a complex interaction between religious and racial labels and their political uses Recent Advances in Reliability and Quality in Design Hoang Pham,2008-05-20 This book presents the latest theories and methods of reliability and quality with emphasis on reliability and quality in design and modelling Each chapter is written by active researchers and professionals with international reputations providing material which bridges the gap between theory and practice to trigger new practices and research challenges The book therefore provides a state of the art survey of reliability and quality in design and practices *Secularisms* Janet R. Jakobsen,Ann Pellegrini,2008-03-11 A collection that challenges the binary conception of conservative religion versus progressive secularism by highlighting the existence of multiple secularisms

Introduction to the History of Religions Crawford Howell Toy,1913 **Official Gazette of the United States Patent and Trademark Office** ,1996 Recent Advances in Reliability and Quality Engineering Hoang Pham,2001 This volume presents recent research in reliability and quality theory and its applications by many leading experts in the field The subjects covered include reliability optimization software reliability maintenance quality engineering system reliability Monte Carlo simulation tolerance design optimization manufacturing system estimation neural networks software quality assessment optimization design of life tests software quality reliability centered maintenance multivariate control chart methodology for measurement of test effectiveness imperfect preventive maintenance Markovian reliability modeling accelerated life testing and system availability assessment The book will serve as a reference for postgraduate students and will also prove useful for practitioners and researchers in reliability and quality engineering Sample Chapter s Chapter 1 1 Introduction 88 KB Chapter 1 2 The Symmetrical Johnson Su Distributions 101 KB Chapter 1 3 Application to Control Charts 79 KB Chapter 1 4 An Example 84 KB Chapter 1 5 How Kurtosis Affects Classical Charts 104 KB Chapter 1 6 OC and ARL

The Christian Imagination Willie James Jennings, 2010-05-25 Why has Christianity a religion premised upon neighborly love failed in its attempts to heal social divisions In this ambitious and wide ranging work Willie James Jennings delves deep into the late medieval soil in which the modern Christian imagination grew to reveal how Christianity's highly refined process of socialization has inadvertently created and maintained segregated societies A probing study of the cultural fragmentation social spatial and racial that took root in the Western mind this book shows how Christianity has consistently forged Christian nations rather than encouraging genuine communion between disparate groups and individuals Weaving together the stories of Zurara the royal chronicler of Prince Henry the Jesuit theologian Jose de Acosta the famed Anglican Bishop John William Colenso and the former slave writer Olaudah Equiano Jennings narrates a tale of loss forgetfulness and missed opportunities for the transformation of Christian communities Touching on issues of slavery geography Native American history Jewish Christian relations literacy and translation he brilliantly exposes how the loss of land and the supersessionist ideas behind the Christian missionary movement are both deeply implicated in the invention of race Using his bold creative and courageous critique to imagine a truly cosmopolitan citizenship that transcends geopolitical nationalist ethnic and racial boundaries Jennings charts with great vision new ways of imagining ourselves our communities and the landscapes we inhabit

The Ways That Never Parted Adam H. Becker, Annette Yoshiko Reed, The first paperback edition of the hardcover published by Mohr Siebeck in 2003 Startling state of the art essays on Jewish Christian relations in antiquity Includes a new preface by the editors discussing scholarships since 2003 Religion David Chidester, 2018-04-20 Religion Material Dynamics is a lively resource for thinking about religious materiality and the material

study of religion Deconstructing and reconstructing religion as material categories social formations and mobile circulations the book explores the making ordering and circulating of religious things The book is divided into three sections Part One revitalizes basic categories animism and sacred space and time by situating them in their material production and testing their analytical viability Part Two examines religious formations as configurations of power that operate in material cultures and cultural economies and are most clearly shown in the power relations of colonialism and imperialism Part Three explores the material dynamics of circulation through case studies of religious mobility change and diffusion as intimate as the body and as vast as the oceans Each chapter offers insightful orientations and surprising possibilities for studying material religion Exploring the material dynamics of religion from poetics to politics David Chidester provides an entry into the study of material religion that will be welcomed by students and specialists in religious studies anthropology and history

Neogenesis Sharon Lee, Steve Miller, 2018-01-02 NEW ENTRY IN THE NATIONALLY BEST SELLING LIADEN UNIVERSE SERIES Sequel to national bestseller The Gathering Edge Menace from Back Space Looming out of the Dust of Time The Complex Logic Laws were the result of a war waged hundreds of years in the past when two human powers threw massive AI navies at each other and nearly annihilated themselves Being human they blamed their tools for this near miss they destroyed what was left of the sentient ships and made it illegal to be manufacture or shelter an independent logic Strangely however the Free Ships and other AIs did not turn themselves in or suicide they merely became wary of humans and stayed under their scans A clandestine support network grew up including hidden yards where smart ships were manufactured and mentors humans specially trained to ease a new intelligence into the universe socialized them and taught them what they needed to know to survive Among those with a stake in the freedom of Independent Logics is Theo Waitley who is somewhat too famously the captain of intelligent ship Bechimo Theo s brother Val Con yos Phelium presides over a household that has for a generation employed an AI butler Recently he approved the birth of the butler s child who was sent with human mentor Tolly Jones to rescue or destroy an orphaned AI abandoned at a remote space station Then there s Uncle the shadowy mastermind from the Old Universe whose many projects often skirt the boundaries of law both natural and man made and the puppet masters at the Lyre Institute whose history is just as murky and a good deal less honorable All have an interest in the newly awakening Self Aware Logic that is rumored to have the power to destroy universes The question is Who will get to it first At the publisher s request this title is sold without DRM Digital Rights Management About Dragon in Exile S prawling and satisfying Space opera mixes with social engineering influenced by Regency era manners and delicate notions of honor I t s like spending time with old friends Publishers Weekly About Necessity s Child Compelling and wondrous as sharp and graceful as Damascus steel Necessity s Child is a terrific addition to Lee Miller s addictive series 1 New York Times best seller Patricia Briggs About the Liaden Universe series Every now and then you come across an author or in this case a pair who write exactly what you want to read the characters and personalities that make you enjoy meeting

them I rarely rave on and on about stories but I am devoted to Lee and Miller novels and stories Anne McCaffrey These authors consistently deliver stories with a rich textured setting intricate plotting and vivid interesting characters from fully realized cultures both human and alien and each book gets better Elizabeth Moon D elightful stories of adventure and romance set in a far future space opera milieu It s all a rather heady mix of Gordon R Dickson the Forsythe Saga and Victoria Holt with Lee and Miller s own unique touches making it all sparkle and sizzle Anyone whose taste runs toward SF in the true romantic tradition can t help but like the Liaden Universe Analog T he many fans of the Liaden universe will welcome the latest continuing young pilot Theo Waitley s adventures Booklist on Saltation A ficionados of intelligent space opera will be thoroughly entertained T he authors craftsmanship is top notch Publishers Weekly on Lee and Miller s popular Liaden Universe thriller I Dare

Heathen Kathryn Gin Lum,2022-05-17 Philip Schaff Prize American Society of Church History S USIH Book Award Society for U S Intellectual History Merle Curti Award in Intellectual History Organization of American Historians A fascinating book Gin Lum suggests that in many times and places the divide between Christian and heathen was the central divide in American life Kelefa Sanneh New Yorker Offers a dazzling range of examples to substantiate its thesis Rare is the reader who could dip into it without becoming much better informed on a great many topics historical literary and religious So many of Gin Lum s examples are enlightening and informative in their own right Philip Jenkins Christian Century Brilliant Gin Lum s writing style is nuanced clear detailed yet expansive and accessible which will make the book a fit for both graduate and undergraduate classrooms Any scholar of American history should have a copy Emily Suzanne Clark S USIH Society for U S Intellectual History In this sweeping historical narrative Kathryn Gin Lum shows how the idea of the heathen has been maintained from the colonial era to the present in religious and secular discourses discourses specifically of race Americans long viewed the world as a realm of suffering heathens whose lands and lives needed their intervention to flourish The term heathen fell out of common use by the early 1900s leading some to imagine that racial categories had replaced religious differences But the ideas underlying the figure of the heathen did not disappear Americans still treat large swaths of the world as other due to their assumed need for conversion to American ways Race continues to operate as a heathen inheritance in the United States animating Americans sense of being a world apart from an undifferentiated mass of needy suffering peoples Heathen thus reveals a key source of American exceptionalism and a prism through which Americans have defined themselves as a progressive and humanitarian nation even as supposed heathens have drawn on the same to counter this national myth

The Corporate Directory of US Public Companies 1995 Elizabeth Walsh,2016-06-11 This valuable and accessible work provides comprehensive information on America s top public companies listing over 10 000 publicly traded companies from the New York NASDAQ and OTC exchanges All companies have assets of more than 5 million and are filed with the SEC Each entry describes business activity 5 year sales income earnings per share assets and liabilities Senior employees major shareholders and directors are also named The seven indices give an unrivalled access to the

information
