## Save The Last Dance:

**Save the Last Dance** Gerald Stern, 2009-11-24 The fifteenth collection by a celebrated poet whose terrific boisterous energy has never flagged Megan Harlan San Francisco Chronicle In Save the Last Dance Gerald Stern gives us a stunning collection of his intimately personal yet always universal and always surprising poems rich with humor and insight Shorter lyric poems in the first two parts continue the satirical and often redemptive vision of his last collection Everything Is Burning while never failing to carve out new emotional territory In the third part a long poem called The Preacher Stern takes the book of Ecclesiastes as a starting point for a meditation on loss futility and emptiness represented here by the concept of a hole that resurfaces throughout

**Save the Last Dance** Roxanne Rustand, 2009-08-01 Kate Mathers drives by the accident without a second thought But where is her husband He isn't answering his phone Then Kate gets the call from the hospital Jared was trapped inside the wreck and now he's fighting for his life Rushing to the emergency room Kate knows all that matters is his survival The trouble in their marriage his interfering mother their brief separation it's all trivial Kate needs Jared to come back to her and she won't stop telling him that Now all Jared has to do is listen

Save The Last Dance Indigo Wren, When a camping trip among friends ends on a sour note the future of Beth and Aaron's two year long relationship hangs in the balance Meanwhile Megan harbours a secret that she is too scared to talk to anybody about a secret that threatens the security of her own relationship with Bryce As the school dance approaches the events of the weekend at the lake take over the lives of the six teens and force them to focus on the unsavoury actions of a so called friend The decisions that result could change their lives forever

Save the Last Dance Mandi Eizenbaum, 2023-12-04 A passionate roller coaster ride that challenges the decisions loyalties and responsibilities of mothers daughters and friends alike Twenty five year old Sofia Brenner is a determined and sassy ballerina growing up in Ukraine She is unexpectedly torn from the comfort and security of her home and sent to live with her extended family in New York Her father has disappeared and her mother has failed to offer her any explanations Despite her continuing onstage fame Sofia still struggles with feelings of insecurity betrayal and abandonment That is until she meets Rivke and the truth comes to light Feeling a growing weight of self doubt and vulnerability young Maya Sharret finds herself stuck in a humdrum marriage on an Israeli kibbutz that offers her nothing more than a limited antiquated lifestyle To make matters worse she is duty bound to give up her own dreams of being a ballerina and make serious choices about her familial and communal obligations Her only chance to realize her true purpose is hidden in the shadows beyond the stage lights Maya and Sofia are both about to give up on themselves and settle for lives they never really wanted Their dreams originally brimming with pride and importance ultimately break down until they are each presented with an opportunity to save themselves and their loved ones with one final heroic curtain call

**Lennon on Lennon** Jeff Burger, 2016-11-01 John Lennon was a highly opinionated and controversial figure with a commanding personality and quick wit And he made a point of living his adventurous life as openly as possible Whether he was experimenting with LSD Transcendental Meditation primal therapy macrobiotic diets or recording techniques the public was on board every step of the way He spoke candidly about his intense sometimes tumultuous relationship with Yoko Ono his split with the Beatles his squabbles with Paul McCartney and just about everything else baring his emotional ups and downs for all to see By the time he granted his and this book's final interview only hours before his death he had become one of the most famous people on the planet and an articulate commentator on politics human relations and world peace Lennon on Lennon is an authoritative chronologically arranged anthology of some of Lennon's most illuminating interviews spanning

the years 1964 to 1980 The majority have not been previously available in print and several of the most important have not been widely available in any format Interspersed throughout the book are key quotes from dozens of additional Q As Together this material paints a revealing picture of the artist in his own words while offering a window into the cultural atmosphere of the sixties and seventies

**Rethinking Genre in Contemporary Global Cinema** Silvia Dibeltulo,Ciara Barrett,2018-08-02 Rethinking Genre in Contemporary Global Cinema offers a unique wide ranging exploration of the intersection between traditional modes of film production and new transitional transnational approaches to film genre and related discourses in a contemporary global context This volume s content the films genres and movements explored as well as methodologies used in their analysis is diverse and crucially up to date with contemporary film making practice and theory Significantly the collection extends existing scholarly discourse on film genre beyond its historical bias towards a predominant focus on Hollywood cinema on the one hand and a tendency to treat other national cinemas in isolation and or as distinct systems of production on the other In view of the ever increasing globalisation and transnational mediation of film texts and screen media and culture worldwide the book recognises the need for film genre studies and film genre criticism to cast a broader indeed global scope The collection thus rethinks genre cinema as a transitional cross cultural and increasingly transnational global paradigm of film making in diverse contexts

*Mysterious Eyes* Concetta Tina Scarpitti,2010-04-19 Mysterious Eyes is a nail biting mystical poetry anthology a hidden agenda in its words that stand on their own yet merge and are defined by a clear hidden message inside each and every one of her poetic works You just have to clearly find out what that message is Extraordinary one time poetic art claims Noble House Eye catching sonnets sharp haikus written for your mind body spiritual strength and intriguing kinetic energy between human interaction with society realistic emotional feelings with romance and is interspersed with mysterious creations in life merged with reality

*Pictures of Girlhood* Sarah Hentges,2015-01-09 Although the coming of age story has been a popular film plot for decades producers have only recently realized the commercial potential of targeting films to adolescent girls Movies like Clueless Legally Blonde and Mean Girls have been successfully marketed to teenage girls as have several well known independent films Important as both cultural indicators and catalysts these films simultaneously demonstrate pop culture s influence on girls films and the ability of girls films to affect pop culture and perceptions of girlhood This critical survey of film and the modern girl concentrates largely on films of the last two decades addressing key themes for girls within coming of age films the changing but not always improving young feminine paradigm and the ways these films can be powerful determinants of culture The first chapter explores the ways in which girls films construct reinforce challenge and dismantle mainstream conceptualizations of sexuality race and power The second chapter discusses mainstream limitations of coming of age narratives including recycled plots and stars treatments of parental and male authority and adult conceptualizations of adolescence The third chapter describes girls experiences within these narratives through such conventions as attitude teen fashion music and

dance unsanctioned rites of passage and race The fourth chapter covers the negotiation of sex and sexuality virginity and sexual empowerment Instructors considering this book for use in a course may request an examination copy here

Resounding International Relations M.I. Franklin, 2016-09-23 This book explores a provocative area of inquiry for critical theory and research into world politics and popular culture music Not just because political science barely engages with anything musical but also because it is clear that many opportunities for critical scholarship and reflection on global politics and economics are present in the spaces and relationships created by organized sound It is easy to focus on the textual elements of music but there is more at stake than just the words Critical reflection on the intersections between music and politics also need to take into account the visceral and non verbal elements such as counterpoint and harmony polyphony and dissonance noise rhymes rhythms performance and the visual aural dimensions to music making **Self Expressions** Owen Flanagan, 1996-01-25 In this trailblazing collection of essays on free will and the human mind distinguished philosopher Owen Flanagan seeks to reconcile a scientific view of ourselves with an account of ourselves as meaning makers and agents of free will He approaches this old philosophical quagmire from new angles bringing to it the latest insights of neuroscience cognitive science and psychiatry Covering a host of topics these essays discuss whether the conscious mind can be explained scientifically whether dreams are self expressive or just noise the moral socialization of children and the nature of psychological phenomena Ultimately Flanagan concludes that a naturalistic view of the self need not lead to nihilism but rather to a liberating vision of personal identity which makes sense of agency character transformation and the value and worth of human life
