Clanton,2009-04-01 Stories of women in the Bible have been interpreted by artists writers musicians filmmakers and biblical commentators for centuries However in many cases these later interpreters have often adapted and altered the Bible to fit their own views of the stories Ironically these later renderings usually serve as the basis for the generally accepted views of biblical women For example many readers of the Bible assume that Eve is to blame for the disobedient act in the Garden of Eden or that Delilah seduced Samson and then cut his hair A closer look at these assumptions though reveals that they are not based on the Bible but are mediated through the creations of later interpreters In this book the author examines eight such women s stories and shows how later readers interact with the biblical stories to construct sometimes fanciful sometimes faulty views of these women Dan Clanton Jr broadens our awareness of the influence of these later readings on how we understand biblical women so that we can be

more critical in our engagement with them and become more familiar with what the Bible actually says about the women whose stories it contains Women's Books of Hours in Medieval England Charity Scott-Stokes, 2006 English translation of a variety of texts from women s books of hours with introduction notes and an interpretive essay The book of hours is said to have been the most popular book owned by the laity in the later middle ages Women were often patrons or owners of such books which were usually illustrated indeed the earliest surviving exemplar made in England was designed and illustrated by William de Brailes in Oxford in the mid thirteenth century for an unknown young lady whom he portrayed in the book several times This volume brings together a selection of texts taken from books of hours known to have been owned by women While some will be familiar from bibles or prayer books others have to be sought in specialist publications often embedded in other material and a few have not until now been available at all in modern editions or translations The texts are complemented by an introduction setting the book of hours in its context an interpretive essay glossary and annotated bibliography Eve and Her Evil Stepbrothers 3: Breaking Eve (Why Choose Paranormal Romance) Zoe Marsh, 2022-09-21 If Eve wants to keep those closest to her safe she has to become a willing hostage She has to stay away from the Westing brothers but that won t be easy when they refuse to stay away from her Is Eve a spy a prisoner or a pawn in a power struggle over the source of all magic Game of Queens India Edghill, 2015-09-01 For fans of The Red Tent and The Dovekeepers India Edghill breathes new life into the biblical story of Vashti and Esther with her signature historical richness epic scope and sweeping romance You may know part of the story already but you only know what history has passed along The story of how Vashti Queen of Queens the most beautiful woman in all the empire defied the king her husband and so lost her crown The story of how Ahasuerus King of Kings commanded that the most beautiful maidens be sent to his court so he might choose a new gueen And you may know how he set the gueen s crown upon the head of the virtuous and beautiful Esther and how Queen Esther herself defied both king and law to save her people from a treacherous fate What India Edghill brings us in Game of Queens is the story of power and treachery blood and deception bravery and romance that surrounds the court of Ahasuerus and brings to life two of the most celebrated female heroines in all of history **All the Wav** Beverly Bird, 2011-01-17 Daredevil Hunter Hawk Cole had a restless spirit and a thirst for adventure that had always ruled his life He hadn t planned to stop for anything or anyone until he came face to face with the daughter he had never known about Liv Slade was a woman who valued home and hearth and family things Hunter hadn t been able to provide Now the only man she d ever loved was back in her life demanding his daughter But once he got what he wanted would this footloose father head out on the road once more Or would the fiery passion he shared with Liv convince him to stay It Had to Be You Beverly Bird,2011-07-15 THEY WERE MEANT TO BE TOGETHER Gabriel Marsden was on a guest for the truth and he didn t want anyone s help This tall dark enigmatic man was used to living his life alone in the shadows But then Shawna Collins fell into his arms and she refused to let Gabriel to back to the life he had been living Shawna had no doubt that Gabriel was her
