Biography by Americans, 1658-1936 Edward H. O'Neill,2016-11-11 This volume is the most comprehensive bibliography of purely biographical material written by Americans It covers every possible field of life but by design excludes autobiographies diaries and journals Monthly Bulletin St. Louis Public Library,1929 Teachers bulletin vol 4 issued as part of v 23 no 9 *The Humanity of the Savior* Harry Johnson,2015-01-21 The eternal Son of God became man for our salvation but what kind of human nature did he assume The answer of this book is that he took human nature as it was because of the fall Despite this he lived a perfect sinless life and finally redeemed this fallen nature through his cross this victory is the basis of atonement The New Testament supports this christological position and there are several indications that suggest it gives a deeper interpretation to some sections of the gospel narrative It is clearly taught by Paul and is the obvious implication of certain aspects of the Christology of Hebrews During the centuries but mainly in the post Reformation period a number of theologians have expounded this theory and in the present century there have been distinct signs that it is becoming more acceptable to theological thought The various advocates of the theory are not unrelated for certain principles of unity hold them together The number of advocates through the years however has been few One reason for this is that the term fallen human nature has often been misunderstood Additionally throughout the history of Christology there has been a serious tendency to neglect the humanity of Christ and this has gone decisively against the general acceptance of the doctrine that Christ assumed fallen human nature If the theory is accepted it helps to give a more adequate view of the work of Christ There are five main theories of the atonement all these are strengthened and many of their weaknesses are eliminated if this christological theory is accepted Here is a book that contains new thinking on a great theme It is clear logical and rewarding to both mind and heart Books and Notes Los Angeles County Public Library,1926 Auburn Seminary Record ,1930
