The Dwelling House George Vivian Poore,2019-12-20 In The Dwelling House

George Vivian Poore intricately weaves a tapestry of domestic life and interpersonal dynamics through his vivid storytelling and richly drawn characters. The novel explores themes of family identity and the complexities of human relationships all set against the backdrop of early 20th century America. Poore's literary style showcases a keen attention to detail, employing both realism and subtle symbolism that invites readers to ponder the deeper meanings embedded in everyday interactions. His ability to create an atmosphere that is both familiar and evocative makes this work a critical reflection on the notion of home and belonging within a rapidly changing society. George Vivian Poore, born in 1872, was a multifaceted writer whose diverse experiences informed his literary output. His upbringing in a modest household, coupled with his extensive travels and exposure to a variety of social settings, profoundly influenced his understanding of human nature and societal structures. Poore's insights into the familial and societal expectations of his time provide a compelling context for *The Dwelling House*, making it a significant contribution to American literature. Readers seeking a thought-provoking exploration of the human condition, particularly within the confines of home and family, will find themselves engrossed in Poore's masterful narrative. *The Dwelling House* not only captivates with its rich prose and relatable characters but also challenges readers to reflect on their own perceptions of home, making it an essential read for anyone interested in the nuances of familial relationships.

Apologizing to Dogs Joe Coomer,1999-10-24

Times are tough on Worth Row. This is not to say, however, that it is by any means quiet on the Row, a place where bathtubs double as lawn furniture and adultery, bribery, and larceny are as commonplace as the glass eyeballs that pop up in every yard. All that remains from the prosthetics mill that once sat on this land. For more than thirty years, the Row's antiques dealers have run their businesses from the front rooms of their aging shotgun-style houses. After all this time, their lives have become inextricably linked and undeniably complicated. It is suddenly clear that there's more to be exposed on the Row than buried body parts; it seems everyone has something to hide from their customers, their spouses, even themselves. And they feel they're being watched. They are. The seventy-two-year-old widow Effie keeps a minute-by-minute journal of her neighbors' activities, following even stray dogs from house to house, peeking, staring, and spying, sure they are all out to steal her past, ruin her future, and plunder her better things. The fact is, Row residents have far more to concern them than old Effie. Carl, behind curtains he never opens, is using his considerable woodworking talents to turn his life and his house inside out to prove his devotion to the vintage clothing dealer Nadine. Howard Dog, in *His Path*, a grave-robbing Indian, keeps count of every pet buried in his neighbors' backyards. The Postlethwaites, running from a tragic past, have retired to long days at the mall photo shop where they watch pictures of other people's lives roll off the developing machines. Mose, an aged inventor, is trying his hand at the ultimate invention: true love. Mazelle, a used book dealer, has given up reading because the secret life she lives in

the cistern beneath her husband's garden is far more interesting than any fiction The dog Himself has no greater secret than the location of his next meal but what he digs up may reveal more than his fellow Row residents would like From the quirky to the certifiable folks on the Row have definitely gotten their lines crossed When a violent storm strikes causing fire a heart attack and grand theft it stirs up more than just the earth it hits Suddenly long buried truths are flowing faster than the flooding rains When the dust and smoke finally clear the Row has been turned upside down and nobody human or dog will ever be the same again With a strong rich and uproariously funny voice Joe Coomer resurrects the magic of his previous novels Beachcombing for a Shipwrecked God and The Loop and turns the utterly ordinary into the stunningly extraordinary With a splendid cast of characters and the cleverest canine in comedy Apologizing to Dogs is a hilarious heartwarming and wonderfully human tale and proves that no matter how old you get there's always something worth holding on to fighting for and loving with all your might
