**Universe of the Mind** Юрий Михайлович Лотман, 1990 Universe of the Mind A Semiotic Theory of Culture Yuri M Lotman Introduction by Umberto Eco Translated by Ann Shukman A major book by one of the initiators of cultural studies Universe of the Mind is an ambitious complex and wide ranging book that semioticians textual critics and those interested in cultural studies will find stimulating and immensely suggestive Journal of Communication Soviet semiotics offers a distinctive richly productive approach to literary and cultural studies and Universe of the Mind represents a summation of the intellectual career of the man who has done most to guarantee this Slavic and East European Journal Universe of the Mind addresses three main areas meaning and text culture and history The result is a full scale attempt to demonstrate the workings of the semiotic space or intellectual world Part One is concerned with the ways that texts generate meaning Part Two addresses Lotman s central idea of the semiosphere the domain in which all semiotic systems can function presented through an analogy with the global biosphere Part Three focuses on semiotics from the point of view of history A seminal text in cultural semiotics the book s ambitious scope also makes it applicable to disciplines outside semiotics The book will be of great interest to those concerned with cultural studies anthropology Slavic studies critical theory philosophy and historiography Yuri Mikhailovich Lotman is the founder of the Moscow Tartu School and the initiator of the discipline of cultural semiotics *Cultural Semiotics* Anna Maria Lorusso, 2015-10-21 Through a reevaluation of the work of some of the most important thinkers of the twentieth century this book details how semiotics social sense and social communication can function together to analyze how culture works in the contemporary era *The Companion to Juri Lotman* Marek Tamm, Peeter Torop, 2021-12-30 Juri Lotman 1922 1993 the Jewish Russian Estonian historian literary scholar and semiotician was one of the most original and important cultural theorists of the 20th century as well as a co founder of the well known Tartu Moscow School of Semiotics This is the first authoritative volume in any language to explore the main facets of Lotman s work and discuss his main ideas in the context of contemporary scholarship Boasting an interdisciplinary cast of contributing academics from across mainland Europe as well as the USA the UK Australia Argentina and Brazil The Companion to Juri Lotman is the definitive text about Lotman s intellectual legacy The book is structured into three main sections Context Concepts and Dialogue which simultaneously provide ease of navigation and intriguing prisms through which to view his various scholarly contributions Saussure Bakhtin Language Memory Space Cultural History New Historicism Literary Studies and Political Theory are just some of the thinkers themes and approaches examined in relation to Lotman while the introduction and thematic Lotman bibliography that frame the main essays provide valuable background knowledge and useful information for further research The book foregrounds how Lotman s insights have been especially influential in conceptualizing meaning making practices in culture and society and how they in turn have inspired the work of a diverse group of scholars The Companion to Juri Lotman shines a light on a hugely significant and all too often neglected

figure in 20th century intellectual history      **Semiotics of Culture** Irene Portis Winner, Jean Umiker-Sebeok, 2019-07-22 No detailed description available for Semiotics of Culture      Culture and Explosion Juri Lotman, 2009-09-04 Culture and Explosion now appearing in English for the very first time is the final book written by the legendary semiotician Juri Lotman Originally published in Russian in 1992 a year before Lotman's death the volume puts forth a fundamental theory the semiotics of culture Proceeding from a model of communication Lotman extends the work of the renowned Tartu Moscow school that he founded showing not only how culture can be observed and described but also how it can be governed and guided In fact as Lotman demonstrates with copious examples the modelling system of culture has an immeasurably strong influence on the way that humans experience reality As usual Lotman's erudition is brought to bear on the theory of culture and the book comprises a host of well chosen illustrations from history literature art and right across the humanities The book is of interest to students and researchers in semiotics cultural literary studies and Russian studies as well as anyone with an interest in understanding contemporary intellectual life      The Semiotics of Culture and Language Robin P. Fawcett, 2015-12-17 Semiotics the study of the general principles of signs and sign systems is crucial to an understanding of human nature both social and psychological The sign systems that we use for interaction with others determine our potential for thought and social action and language is central among them It is the implicit claim of this two volume work that linguistics has something very specific to give to semiotics and many would further claim that relational network models of language in particular i.e. systematic and stratificational linguistics have a fundamental contribution to make      **The Texture of Culture** A. Semenenko, 2012-08-06 In this introduction to the semiotic theory of one of the most innovative theorists of the twentieth century the Russian literary scholar and semiotician Yuri Lotman offers a new look at Lotman's profound legacy by conceptualizing his ideas in modern context and presenting them as a useful tool of cultural analysis      The Semiotics of Culture and Language Robin P. Fawcett, 1984      **Semiotics of Culture** Henri Broms, Rebecca Kaufmann, 1988      **Analyzing Cultures** Marcel Danesi, Paul Perron, 1999-11-22 Designed for classroom use in a number of disciplines this comprehensive introduction to cultural semiotics is also an easy to use reference for those who would like a better understanding of the topic No other text provides this kind of practical framework for the classroom study of semiotics Each of the 12 chapters is clearly written and self contained      *The Semiotics of Culture and Language* Robin P. Fawcett, 1984      **Semiotics and Communication** Wendy Leeds-Hurwitz, 1993-08-01 Communication is among other things about the study of meaning how people convey ideas for themselves and to one another in their daily lives Designed to close the gap between what we are able to do as social actors and what we are able to describe as social analysts this book introduces the language of semiotics a language that provides      *Universe of the Mind* Илья́ Микха́йлович Лотман, 2001 This is Lotman's seminal text in cultural semiotics laying out the theoretical structure on which all his work is built for a new generation of readers engaged with critical theory and cultural studies philosophy and historiography      The Semiotics of
