Dragon's blood, Heart's blood, A sending of dragons. **Dragons** Ricardo Chévere, 2009-12-16. Sorcerers, wizards, and witches use magic for evil, but as long as there are dragons in the world, there will be champions ready to stand against them. Borys knows little of such matters, but he does have a faint memory that seems to suggest that dragons are to blame for the death of his parents. He yearns to know more about these creatures and in his quest for answers, he comes across a mystical craft that takes him down the abominable path of magic. Hell, now learn more than he ever bargained for about these elusive creatures. And he'll also discover terrible things he can do with his newfound powers. Alanna almost drowns at her father's marina. She lives only because David jumps in the water after her, even though he doesn't know how to swim. David becomes a local hero, but Alanna cannot understand why she survived. Now she's back in town seeking answers. Heroes and villains alike are about to discover that nothing touched by magic remains unchanged, especially in a world of sorcerers, wizards, witches, and Dragons. **The Dragon Thief Series, Season One** Kat Simons, 2025-08-06. Ask dragon questions, get dragon answers. Myra makes one of the biggest mistakes of her life when she allows herself to get sucked into an ill-considered bet to break into the dragon king's hoard. Pride goes before the fall, as they say, and Myra's pride urges her on to extraordinary risks to prove her skills. As a thief with magic that makes the thieving arts that much easier, Myra manages the impossible. Wins her bet. And gets caught in the act by the dragon king's guard. Facing the consequences of that failure means doing a job for the dragon king, a job that changes Myra's life forever. When she meets the dragon king's son, Christopher, a dragon shifter prince with a soft spot for damsels in distress, who occasionally smells like sugar cookies, and whose fierce devotion and protective nature draw Myra like a particularly complicated lock, Myra loves sugar cookies. She does not love working for the dragon king. But she does like Christopher. A lot. All of which really complicates a thief's life. Especially when that new life throws her into the middle of a world with dangers and threats unlike anything she's encountered before.
