Senior Citizen Housing
United States. Congress. House. Select Committee on Aging. Subcommittee on Housing and Consumer Interests, 1986

Evidence-Based Programming for Older Adults Marcia G. Ory, Matthew Lee Smith, 2015-06-17 There is increased world wide concern about the impact of multiple chronic conditions especially among the rapidly aging population Simultaneously over the past decade there has been an emergence of state wide and national initiatives to reduce the burden of chronic conditions that draw upon the translation of evidence based programs EPB into community practice Yet little has been written about the national and international implementation dissemination and sustainability of such programs This Research Topic features articles about EBPs for older adults including a range of articles that focus on the infrastructure needed to widely disseminate EBP as well as individual participant impacts on physical mental and social aspects of health and well being Using a pragmatic research perspective this Research Topic will advance knowledge that aims to enhance practice inform policy and build systems of support and delivery in regard to the reach effectiveness adoption implementation and maintenance of evidence based interventions for older adults The focus is on knowledge transfer rather than knowledge generation but with a dual emphasis on the dissemination and sustainability of EBP that have been tested and shown effective as well as the adaptation of practice based interventions into evidence based programs This Research Topic draws upon grand scale efforts to deliver these programs and include both U S as well as international examples Commentaries discuss processes in the development and measurement of EBP and reflect perspectives from program developers and major national and regional funders of EBP as well as professionals and practitioners in the field The full length articles focus on four major programmatic areas 1 chronic disease self management programs 2 fall prevention programs 3 general wellness and physical activity programs and 4 mental health programs Additionally articles are included to discuss cross cutting issues related to building partnerships and the research infrastructure for the implementation evaluation and dissemination of evidence based programming The intent of this Research Topic is to enhance practice inform policy and build systems of support and delivery for EBP It is written for a diverse audience and contains practical implications and recommendations for introducing delivering and sustaining EBP in a multitude of settings

Oversight Hearings on Library Services and Construction Act United States. Congress. House. Committee on Education and Labor. Subcommittee on Postsecondary Education, 1984

On the Go with Senior Services Phyllis Goodman, 2020-02-06 Not only does this book offer insights into how to better serve all seniors but it also provides complete step by step instructions for dozens of exciting and engaging programs that can be held both onsite and offsite While serving the senior population is a standard service in public libraries it has traditionally focused on in house programs and homebound services *On the Go with Senior Services* is different With this inspiring and practical guide your library can rejuvenate its in house services with new programs and also take them on the road to retirement and assisted living communities adult day care programs and nursing homes and rehab centers With such diversity in the senior population this book describes strategies for designing senior programs that fit your community s needs It offers a trove of templates for programs that range from crafts word games pop culture pets holidays humor

mysteries technology and music It offers tips and suggestions on how to interact with seniors including those who may have a variety of physical and cognitive needs There are also guidelines for working with individuals suffering from dementia A robust list of further resources is provided The growing population of seniors presents librarians with new challenges and opportunities and this book is a valuable guide to navigating and embracing them **Construction programs** United States.
