7 Keys to Lifelong Sexual Vitality Brian R. Clement, Anna Maria Clement, 2012 The Clements believe that sexual energy is a universal fuel of life and that along with diet and exercise nothing naturally enhances health more than remaining sexually active

Aesthetic Sexuality Romana Byrne, 2013-11-28 To understand why the concept of aesthetic sexuality is important we must consider the influence of the first volume of Foucault's seminal *The History of Sexuality* Arguing against Foucault's assertions that only scientia sexualis has operated in modern Western culture while ars erotica belongs to Eastern and ancient societies Byrne suggests that modern Western culture has indeed witnessed a form of ars erotica encompassed in what she calls aesthetic sexuality To argue for the existence of aesthetic sexuality Byrne examines mainly works of literature to show how within these texts sexual practice and pleasure are constructed as having aesthetic value a quality that marks these experiences as forms of art In aesthetic sexuality value and meaning are located within sexual practice and pleasure rather than in their underlying cause sexuality's raison d'être is tied to its aesthetic value at surface level rather than beneath it Aesthetic sexuality Byrne shows is a product of choice a deliberate strategy of self creation as well as a mode of social communication

Theorizing Sexuality Stevi Jackson, Sue Scott, 2010-03-16 This book surveys and evaluates the sociological contribution to the study of sexuality It not only maps major theoretical shifts and debates but also offers a unique examination of the topic that emphasises the sociality of sexuality In particular it considers the institutional biographical and interactional contexts of our sexual lives as well as the cultural significance and everyday practice of sexuality The authors contest not only popular understandings of sexuality as natural but also psychoanalytic explanations and forms of analysis that privilege the cultural construction of sexuality over its everyday social

accomplishment In particular they challenge the specialness of sexuality within contemporary culture arguing that sexuality is better understood as a routine part of everyday social life The book confronts the anxieties associated with sexuality in the late modern western world and engages with wider debates on social transformations in late modernity As such it provides both an overview of the field of sexuality as well as setting a new agenda for debating the topic Theorizing Sexuality is key reading for students researchers and academics interested in theories of sexuality gender and intimacy and anyone concerned with the social conditions that inform our sexual identities Sexual Perversion B. Protter, S. Travin, 2013-06-29 Integrating behavioral psychoanalytic and biological perspectives into a unique multi modal approach the authors present a new diagnostic and treatment methodology which is flexible enough to account for individual variations in sexually perverse disorders Alongside this methodology they highlight the key issues concerning these disorders to provide the general practicing clinician with a practical guide for treating the sexually deviant patient **Sexual Offending** Patrick Lussier, Eric Beauregard, 2018-04-17 There is growing recognition that sexual offending is a multi determined phenomenon requiring a multi disciplinary perspective The significant contribution of psychology and psychiatry but also sociology gender studies and anthropology to the study of sex offending and perpetrators of sex offenses has played a key role in the development of a distinct field of research In recent years however there has been an increase in criminological research on the topic introducing criminological theory and concepts scientific evidence and observations and new methodologies to the field This book brings together international leading scholars to consider key topics on sex offending and where possible compare and contrast criminological viewpoints with those of other disciplines such as psychology and psychiatry This book considers the following questions Are the key explanatory factors of sex offenses completely distinct and different from those of non sex crime and delinquency Are current models explaining adult sex offending also applicable to explain sex crimes on college campuses female sex offending sexual exploitation sexual homicide or child luring over the internet Are today s youth involved in sex offenses tomorrow s adult perpetrators of sex crimes What is the risk of sexual recidivism and are risk assessment tools effective to identify individuals at risk of committing another sex crime in the future Are current legal measures used to prevent sex crimes effective What are the known effects of such measures What are the issues and challenges related to the criminal investigation of sex offenses This book is essential reading for students and researchers from disciplines such as criminology psychiatry psychology sexology social work and sociology as well as criminal justice professionals and practitioners such as police investigators prosecutors judges probation parole officers and treatment providers counsellors involved with individuals having perpetrated sex offenses *Parting with my Sex* Lucy Chesser, 2018-08-30 Exploring the recurrence of cross dressing and gender inversion within Australian cultural life this book compares and contrasts sustained life long impersonations where women lived worked and even married as men with other forms of cross dressing such as cross dressing for stage and the prosecution of men seeking sexual encounters disguised as

women Self-Care for Life Alexander Skye, Lester Meera, Carolyn Dean, 2011-10-15 The best way to take care of your self is to take care of your Self With its unique three fold approach this book helps you nurture and nourish the mind body and spirit within the natural course of every day Mind Take a break from the bad news It s hard to find spiritual sustenance and renewal in a world rocked by tension So turn off the television and radio stay off the Internet and stop the daylong bombardment of negativity from virtually every media outlet Body Drink a cup of gyokuro tea Theanine is an amino acid that increases alpha brainwave activity and gyokuro tea is chock full of it One cup of this Japanese green tea and you ll be calmer and wiser for up to four hours Spirit Choose a natural talisman A talisman is a token chosen to create a certain effect Crystals stones and feathers are natural talismans you can use to protect yourself from anxiety relieve stress and remind you who you really are From alternative medicine and ayurvedic nutrition to chakra healing and tantric sex this book allows you to weave self care into the weft and woof of your lives transforming your lives moment to moment hour to hour day to day

Surrendered Sexuality Juli Slattery, 2025-07-01 The purpose of our sexuality is not self discovery but to understand God s love Christians are confused about God s views on sex and intimacy We don t know what to do with our temptation shame brokenness longings or desires Even Christian churches and families are divided in the nuances of sexuality neglecting Jesus call to be unified as His body *Surrendered Sexuality* provides a clear biblical understanding of our sexuality and the transformational power of Christ Readers discover how Jesus gave His life not primarily to change behavior but to renew our identity which is rooted in our union with Christ not our wounds feelings desires past or present sins or purity We re living amid tremendous cultural confusion and pain But we won t be able to offer life and hope without the fire of God s love first passing through us Juli provides the biblical wisdom and encouragement we all need **Forensic Management of Sexual**

Offenders Robert Alan Prentky, Ann Wolbert Burgess, 2012-12-06 Over the past several decades the seeming escalation of crimes involving sexually deviant coercive and aggressive behavior has become an increasingly serious problem manifested in costs to both victims and society at large The long term psychological impact of sexual assault on adult and child victims has been documented numerous times The costs incurred by society include a network of medical and psychological services provided to aid victim recovery the investigation trial and incarceration of offenders often in segregated units or special facilities and the invisible but tangible blanket of fear that forces potential victims to schedule normal daily activities around issues of safety Despite the gravity of the problem there has been a paucity of empirical research directed at the etiology course remediation and management of sexually deviant and coercive behavior In treating these disorders and in making crucial decisions about how to manage these offenders clinicians have been forced to rely on their personal experience Such experience by its nature is unsystematic and lacks the validation that empirical research provides The lack of sound empirical data addressing the problem is certainly noteworthy though not surprising The paucity of research in this area may well be attributable to historical scientific timidity about most aspects of sexual behavior In 1922 Dr Robert L **Sexuality and**

Public Space in India Carmel Christy, 2017-03-16 The topic of sexuality and gender within the South Asian context is timely and widely discussed across a variety of academic disciplines Since the end of the last century there have been debates in the cultural sphere in India on issues concerning Lesbian Gay Bisexual Transgender people s rights gender sex workers rights and caste There has also been an explicit visibility for sexuality in the form of discussion around intimate scenes in films advertisements and moral concerns around pre marital heterosexual relationships and same sex relationships This book brings out the modalities through which explicit visibility of sexuality gets constituted in the public space of India after the 1990s The specificities through which relations of gender sexuality and caste get constituted and performed in regional media provide significant entry points to an understanding of larger structures and the ever present fissures through which these larger structures emerge Focussing on the southern state of Kerala the book investigates women s sexuality and caste through a number of case studies the Suryanelli rape case neology in the media and the debates around the life narratives of Nalini Jameela a sex worker The book does not stop at representational practices as it also looks at the negotiations between the subject and her represented figures which is a significant addition to the existing body of work in the field of media and gender studies Sexuality and Public Space in India is a careful interrogation of the mass mediatized space of contemporary public discourse around sexuality It will be of interest to academics in South Asian Studies Sociology Anthropology and Gender Studies
