Sentenced Tried The Stalinist Purges In Czechoslovakia:

Europe Since 1945 Bernard A. Cook, 2001 Employing 286 scholars this two volume encyclopedia contains entries on post World War II European political history and groups significant events and persons the economy religion education the arts women s issues writers and more

Sentenced & Tried Eugen Loeb, Dušan Pokorný, 1969 Stalin's American Spy Tony Sharp, 2014-05-15 Stalin s American Spy tells the remarkable story of Noel Field a Soviet agent in the US State Department in the mid 1930s Lured to Prague in May 1949 he was kidnapped and handed over to the Hungarian secret police Tortured by them and interrogated too by their Soviet superiors Field s forced confessions were manipulated by Stalin and his East European satraps to launch a devastating series of show trials that led to the imprisonment and judicial murder of numerous Czechoslovak German Polish and Hungarian party members Yet there were other events in his very strange career that could give rise to the suspicion that Field was an American spy who had infiltrated the Communist movement at the behest of Allen Dulles the wartime OSS chief in Switzerland who later headed the CIA Never tried Field and his wife were imprisoned in Budapest until 1954 then granted political asylum in Hungary where they lived out their sterile last years This new biography takes a fresh look at Field s relationship with Dulles and his role in the Alger Hiss affair It sheds fresh light upon Soviet espionage in the United States and Field s relationship with Hede Massing Ignace Reiss and Walter Krivitsky It also reassesses how the increasingly anti Semitic East European show trials were staged and dissects the lessons which Stalin sought to convey through them

Czechoslovakia's Interrupted Revolution Harold Gordon Skilling, 2015-03-08 For about eight months in 1968 Czechoslovakia underwent rapid and radical changes that were unparalleled in the history of communist reform in the eight months that followed those changes were dramatically reversed H Gordon Skilling provides a comprehensive analysis of the events of 1968 assessing their significance both for Czechoslovakia and for communism generally The author s account is based on all available written sources including unpublished Communist Party documents and interviews conducted in Czechoslovakia in 1967 1968 and 1969 He examines the historical background the main reforms and political forces of 1968 international reactions the Soviet intervention and the experiment s collapse concluding with his reasons for regarding the events of the Prague spring as a movement of revolutionary proportions The author s account is based on all available written sources including unpublished Communist Party documents and interviews conducted in Czechoslovakia in 1967 1968 1969 He examines the historical background the main reforms and political forces on 1968 international reactions the Soviet intervention and the experiment s collapse concluding with his reasons for regarding the events of the Prague spring as a movement of revolutionary proportions Originally published in 1976 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase

access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

Stalinism Robert C. Tucker, 2017-07-05 In the years since Stalin's death his profound influence upon the historical development of Communism has remained elusive and in need of interpretation Stalinism as his system has become known is a phenomenon which embraced all facets of political and social life While its effect upon the Soviet Union and other nations today is far less than it was while Stalin lived it is by no means dead In this landmark volume some of the world's foremost scholars of the subject in a concerted group inquiry present their interpretations of Stalinism and its influence on all areas of comparative Communist studies from history and politics to economics sociology and literary scholarship The studies contained in this volume are an outgrowth of a conference on Stalinism held in Bellagio Italy sponsored by the American Council of Learned Societies In his major contribution to this book Leszek Kolakowski calls Stalinism a unified state organism facing atom like individuals This extraordinary volume augmented by a revealing new introduction by the editor Robert C Tucker can be seen as amplifying that remark nearly a half century after the death of Joseph Stalin himself Contributors to this work are Włodzimierz Brus Katerina Clark Stephen F Cohen Alexander Erlich Leszek Kolakowski Moshe Lewin Robert H McNeal Mihailo Markovic Roy A Medvedev T H Rigby Robert Sharlet and H Gordon Skilling Robert C Tucker's principle work on Stalin has been described by George F Kennan as the most significant single contribution made to date anywhere to the history of Soviet power

Soviet Law After Stalin Donald D. Barry, George Gingsburgs, Peter B. Maggs, 1979

Minorities and Law in Czechoslovakia, 1918-1992 Jan Kuklík, René Petráš, 2017-05-01 Ethnic minority issues played an important role in the history of Czechoslovakia from 1918 during World War II and in the years immediately following it Czechoslovakia became a model for solving ethnic and minority problems and legal regulations had always played a key role in the status of minorities This book which deals with issues concerning ethnic and language minorities in Czechoslovakia from a long term perspective is primarily intended for foreign readers In recent years ethnic minority issues are once again becoming relevant in Europe and thorough knowledge of earlier problems and solutions may facilitate further examination of the current problems

The Struggle for Europe William I. Hitchcock, 2008-11-26 From the ashes of World War II to the conflict over Iraq William Hitchcock examines the miraculous transformation of Europe from a deeply fractured land to a continent striving for stability tolerance democracy and prosperity Exploring the role of Cold War politics in Europe's peace settlement and the half century that followed Hitchcock reveals how leaders such as Charles de Gaulle Willy Brandt and Margaret Thatcher balanced their nations interests against the demands of the reigning superpowers leading to great strides in economic and political unity He re creates Europeans struggles with their troubling legacy of racial ethnic and national antagonism and shows that while divisions persist Europe stands on the threshold of changes that may profoundly shape the future of world affairs

In the Shadows of the Holocaust and Communism Alena Heitlinger, 2017-07-12 When traumatic historical events and transformations coincide with one's

entry into young adulthood the personal and historical significance of life course transitions interact and intensify In this volume Alena Heitlinger examines identity formation among a generation of Czech and Slovak Jews who grew up under communism coming of age during the de Stalinization period of 1962-1968 Heitlinger's main focus is on the differences and similarities within and between generations and on the changing historical and political circumstances of state socialism communism that have shaped an individual's consciousness and identity as a Jew assimilated Czech Slovak Czechoslovak and where relevant as an emigre or an immigrant The book addresses a larger set of questions about the formation of Jewish identity in the midst of political upheavals secularization assimilation and modernity Who is a Jew How is Jewish identity defined How does Jewish identity change based on different historical contexts How is Jewish identity transmitted from one generation to the next What do the Czech and Slovak cases tell us about similar experiences in other former communist countries or in established liberal democracies Heitlinger explores the official and unofficial transmission of Holocaust remembering and non remembering the role of Jewish youth groups attitudes toward Israel and Zionism and the impact of the collapse of communism This volume is rich in both statistical and archival data and in its analysis of historical institutional and social factors Heitlinger's wide ranging approach shows how history generational and individual biography intertwine in the formation of ethnic identity and its ambiguities

Czech Law in Historical Contexts Jan Kuklík, 2015 The legal system of the present day Czech Republic would not be understood properly without sufficient knowledge of its historical roots and evolution This book deals with the development of Czech law from its initial origins as a form of Slavic law to its current position reflecting the influence of the legal systems of neighbouring countries and that of Roman law The reader can see how a legal system originally based on custom developed into written and codified law Czech law was fully dependent upon developments within the Luxemburg Jagiellonian and primarily Habsburg monarchies although some features remained autonomous The 20th century is particularly important in the development of the Czech state and law of today namely due to the establishment of an independent Czechoslovakia in 1918 and its split in 1992 giving rise to the independent identities of the Czech Republic and the Slovak Republic It was a century encompassing periods of democratic as well as totalitarian regimes political ideological economic and social changes stemming from such transformations were projected into and reflected in the system of Czechoslovak and Czech law It can therefore serve as a case study for researchers interested in the transition of democratic legal systems into totalitarian regimes and vice versa

The Cold War Spencer C. Tucker, 2020-10-27 This sweeping reference work covers every aspect of the Cold War from its ignition in the ashes of World War II through the Berlin Wall and the Cuban Missile Crisis to the collapse of the Soviet Union in 1991 The Cold War superpower face off between the Soviet Union and the United States dominated international affairs in the second half of the 20th century and still reverberates around the world today This comprehensive and insightful multivolume set provides authoritative entries on all aspects of this world changing event including wars new military technologies

diplomatic initiatives espionage activities important individuals and organizations economic developments societal and cultural events and more This expansive coverage provides readers with the necessary context to understand the many facets of this complex conflict The work begins with a preface and introduction and then offers illuminating introductory essays on the origins and course of the Cold War which are followed by some 1 500 entries on key individuals wars battles weapons systems diplomacy politics economics and art and culture Each entry has cross references and a list of books for further reading The text includes more than 100 key primary source documents a detailed chronology a glossary and a selective bibliography Numerous illustrations and maps are inset throughout to provide additional context to the material

A Lethal Obsession Robert S. Wistrich, 2010-01-05 In this unprecedented work two decades in the making leading historian Robert S Wistrich examines the long and ugly history of anti-Semitism from the first recorded pogrom in 38 BCE to its shocking and widespread resurgence in the present day As no other book has done before it *A Lethal Obsession* reveals the causes behind this shameful and persistent form of hatred and offers a sobering look at how it may shake and reshape the world in years to come Here are the fascinating and long forgotten roots of the Jewish difference the violence that greeted the Jewish Diaspora in first century Alexandria Wistrich suggests that the idea of a formless God who passed down a universal moral law to a chosen few deeply disconcerted the pagan world The early leaders of Christianity increased their strength by painting these superior Jews as a cosmic and satanic evil and by the time of the Crusades murdering a Christ killer had become an act of conscience Moving seamlessly through centuries of war and dissidence *A Lethal Obsession* powerfully portrays the creation of the Protocols of the Elders of Zion the fateful anti-Semitic tract commissioned by Russia's tsarist secret police at the end of the nineteenth century and the prediction by Theodor Herzl Austrian founder of political Zionism of eventual disaster for the Jews in Europe The twentieth century fulfilled this dark prophecy with the horrifying ascent of Hitler's Third Reich Yet as Wistrich disturbingly suggests the end of World War II failed to neutralize the Judeophobic virus Pogroms and prejudice continued in Soviet controlled territories and in the Arab Muslim world that would fan flames for new decades of distrust malice and violence Here in pointed and devastating detail is our own world one in which jihadi terrorists and the radical left blame Israel for all global ills In his concluding chapters Wistrich warns of a possible nuclear Final Solution at the hands of Iran a land in which a formerly prosperous Jewish community has declined in both fortunes and freedoms Dazzling in scope and erudition *A Lethal Obsession* is a riveting masterwork of investigative nonfiction the definitive work on this unsettling yet essential subject It is destined to become an indispensable source for any student of world affairs

Writers Under Siege Jiri Holy, Jan Culik, 2010-08-09 An history that presents a canvas of post war Czech literary developments within the cultural and political context of the times It provides information about the many English language translations from Czech literature and the circumstances in which these translations came about

A History of Modern Israel Colin Shindler, 2013-03-25 Colin Shindler's remarkable history begins in 1948 as waves of immigrants arrived in Israel from war torn Europe to

establish new cities new institutions and a new culture founded on the Hebrew language Optimistic beginnings were soon replaced with the sobering reality of wars with Arab neighbours internal ideological differences and ongoing confrontation with the Palestinians In this updated edition Shindler covers the significant developments of the last decade including the rise of the Israeli far right Hamas s takeover and the political rivalry between Gaza and the West Bank Israel s uneasy dealings with the new administration in the United States political Islam and the potential impact of the Arab Spring on the region as a whole This sympathetic yet candid portrayal asks how a nation that emerged out of the ashes of the Holocaust and was the admiration of the world is now perceived by many Western governments in a less than benevolent light

Israel and the European Left Colin Shindler,2011-12-22 Why has the European Left become so antagonistic towards Israel To answer this question Colin Shindler looks at the struggle between Marxism Leninism and Zionism from the October Revolution to today Is such antagonism in opposition to the policies of successive Israeli governments Or is it due to a resurgence of anti Semitism The answer is far more complex Shindler argues that the new generation of the European Left was more influenced by the decolonization movement than by wartime experiences which led it to favor the Palestinian cause in the post 1967 period Thus the Israeli drive to settle the West Bank after the Six Day war enhanced an already existing attitude but did not cause it Written by a respected scholar this accessible and balanced work provides a novel account and analytical approach to this important subject Israel and the European Left will interest students in international politics Middle Eastern studies as well as anyone who seeks to understand issues related to today s Left and the Arab Israeli conflict

Essential Papers on Jews and the Left Ezra Mendelsohn,1997-06 Essential Papers on Jews and the Left presents a sweeping portrait of the defining impact of the left on modern Jewish politics and culture in Europe Palestine Israel and the New World The contributions in the first part entitled The Jewish Left discuss specifically Jewish radical organizations such as the Bund and Poale Zion The second section Jews in the Left explores the activities of Jews in general left wing politics emphasizing their role in the Russian revolutionary movement *Echoes of Exile* Daniela Spenser,2025-06-15 In *Echoes of Exile* Daniela Spenser weaves together a history of Europe s calamitous 20th century conflicts the Holocaust Communism the Cold War by tracing those events in the lives of her parents and grandparents of Czech Polish and German descent Enhancing and humanizing extensive archival research with interviews and hundreds of personal letters *Echoes of Exile* brings complex political history to vivid life in the story of one family s struggle to survive *The Encyclopedia of the Cold War* Spencer C. Tucker,2007-09-12 A comprehensive five volume reference on the defining conflict of the second half of the 20th century covering all aspects of the Cold War as it influenced events around the world The conflict that dominated world events for nearly five decades is now captured in a multivolume work of unprecedented magnitude from a publisher widely acclaimed for its authoritative military and historical references Under the direction of internationally known military historian Spencer Tucker ABC CLIO s *The Encyclopedia of the Cold War A Political Social and Military History* offers the

most current and comprehensive treatment ever published of the ideological conflict that not so long ago enveloped the globe From the Second World War to the collapse of the Soviet Union The Encyclopedia of the Cold War provides authoritative information on all military conflicts battlefield and surveillance technologies diplomatic initiatives important individuals and organizations national histories economic developments societal and cultural events and more The nearly 1 300 entries plus topical essays and an extraordinarily rich documents volume draw heavily on recently opened Russian Eastern European and Chinese archives The work is a definitive cornerstone reference on one of the most important historical topics of our time

Marxist Governments Bogdan Szajkowski, 1981-07-30 **Jewish Culture and Identity in the Soviet Union** Yaacov Ro'i, Avi Beker, 1991 Over ten years ago Benjamin Fain a physicist now living in Tel Aviv attempted to hold a conference on Jewish culture in Moscow an effort that was foiled by the KGB Many of the participants were eventually able to flee most emigrating to Israel In this book these distinguished scholars and others from around the world present their personal and professional views of Jewish culture in the Soviet Union The book explores a wide range of topics including underground literature religious revival and the rise of a national Jewish consciousness Some writers claim that the refuseniks are not the leaders of the Soviet Jews but rather an isolated minority with most Jews being assimilated acculturated and uninterested in fleeing Other essayists look at the ambivalent role traditionally played by the Soviet Union in both allowing some forms of cultural expression and suppressing any efforts at individual religious practice Others explore the revival of Jewish culture as instanced by underground teaching of Hebrew A major debate involves the Nature of Jewish emigration whether the Jews will go to Israel or to America

This Enthralling World of Kindle Books: A Comprehensive Guide Unveiling the Pros of E-book Books: A World of Convenience and Versatility Kindle books, with their inherent portability and ease of availability, have freed readers from the limitations of physical books. Gone are the days of lugging bulky novels or meticulously searching for particular titles in shops. Kindle devices, sleek and portable, seamlessly store an wide library of books, allowing readers to immerse in their preferred reads anytime, anywhere. Whether commuting on a bustling train, relaxing on a sunny beach, or simply cozying up in bed, Kindle books provide an unparalleled level of ease. A Reading World Unfolded: Discovering the Wide Array of E-book Sentenced Tried The Stalinist Purges In Czechoslovakia Sentenced Tried The Stalinist Purges In Czechoslovakia The Kindle Store, a digital treasure trove of literary gems, boasts an extensive collection of books spanning varied genres, catering to every readers preference and choice.
