hago por ninguna razón en particular pero siempre me ha preocupado el misterio de la vida porque estamos aquí que es la vida realmente. Es sueño o Es ilusión. ¿Qué es? Pero el hecho es que siempre me he preguntado por qué el ser humano humano hace las cosas sistemáticamente quizás porque no puede salir de ese sueño. A mí me gusta encontrar respuestas pero las tengo en mi mente. Es realmente difícil escoger el tema de un libro ya que hay en el mercado multitud de ejemplares unos mejores que otros pero yo he querido hacer algo distinto en la narrativa que hay desde Homero hasta nuestros días. No sé si el libro será de su agrado ya que sobre gustos no hay nada escrito pero de todas maneras he puesto todo en él. La ilusión de conectar con la gente de aportar algo al sistema educativo y cultural del planeta etc pero lo que sí es cierto es que les guste o no es un intento de acercarme a Uds y a la verdad de las cosas.

Hearing Faith Andrew A. Cashner, 2020-07-13 *Hearing Faith* explores the ways Roman Catholics in the seventeenth century Spanish Empire used music to connect faith and hearing. From the Royal Chapel in Madrid to Puebla Cathedral in colonial Mexico, communities celebrated Christmas and other feasts with villancicos, a widespread genre of vernacular poetry and devotional music. A large proportion of villancico texts directly address the nature of hearing and the power of music to connect people to God. By interpreting complex and fascinating examples of music about music in the context of contemporary theological writing, the book shows how Spanish Catholics embodied their beliefs about music through music itself. Listening closely to these previously undiscovered and overlooked archival sources reveals how Spanish subjects listened and why.
