Ciuba, 2010-09-01 In *Walker Percy Books of Revelations* Gary M Ciuba examines how Percy s apocalyptic vision inspires the structure themes and strategies of his fiction This book explores the unity of the southern novelist s fiction by focusing on its religious and artistic design one of the first studies to approach Percy s work from this perspective Ciuba considers Percy s six published novels *The Moviegoer* *The Last Gentleman* *Love in the Ruins* *Lancelot* *The Second Coming* and *The Thanatos Syndrome* and also offers the first extended critical analysis of his unpublished work *The Gramercy Winner* Although the novels are often seen as increasingly satiric jeremiads about the possible doom of America Ciuba argues that Percy s fiction is principally shaped by a demythologized and partially realized form of eschatology This apocalyptic vision has less to do with the end of the external world than with the demise of the protagonists internal worldviews According to Ciuba Percy does more than offer direly comic warnings about the end of the world he shows how the world actually ends and then may begin again in the everyday lives and extraordinary loves of his astonished seers Anne Tyler Paul Bail, 1998-10-15 Anne Tyler s novels strike a deep chord of responsiveness in her readers because her novels bring to life contemporary characters to whom we can instantly relate and in whose experiences we can see mirrored our own Tyler s novels deal with the human experience relationships between marital partners between parents and children between siblings the meaning of love the nature of identity impermanence and change and loss and continuity In Anne Tyler novels life is a complexity whose texture is built out of multiple layers In this insightful study Paul Bail shows us how Tyler constructs the complex reality of life through character narrative point of view theme and literary devices With the exception

of Tyler's earliest two novels which she prefers to forget a chapter is devoted to each of the other novels she has written Among the twelve are her unforgettable novels of family relationships and love loss and renewal such as *Dinner at the Homesick Restaurant* *The Accidental Tourist* and *Breathing Lessons* Also included is an analysis of Tyler's most recent novel *A Patchwork Planet* Following a biographical chapter that relates Tyler's life to her work Bail discusses the novels within the literary tradition of Southern regional literature women's literature and popular culture He also explores the influence of religion on her writing Each novel is discussed in an individual chapter that includes sections on plot characters themes literary devices historical setting and point of view Bail also offers an alternate critical approach from which to read the novel such as feminist or multicultural criticism This study is ideal for students and readers of Anne Tyler and will enrich the reading and appreciation of her novels
